Unfinished Business R.W. Wallace,2021-12-16 When someone dies with unfinished business their souls linger until they find closure A rather tall order when the ghost is stuck within the confines of the cemetery with minimal means to affect the world of the living Robert and Clothilde know their way around the limitations though While waiting for their own release they help the other ghosts deal with their unfinished business and find peace Unfinished Business is the first collection of short stories in the Ghost Detective series including the titles Just Desserts Lost Friends Family Bonds Common Ground and Till Death The Complete Story of the Grail Chrétien (de Troyes),2015 The mysterious and haunting Grail makes its first appearance in literature in Chr tien de Troyes Perceval at the end of the twelfth century But Chr tien never finished his poem

leaving an unresolved story and an incomplete picture of the Grail. It was however far too attractive an idea to leave. Not only did it inspire quite separate works, his own unfinished poem was continued and finally completed by no fewer than four other writers. The Complete Story of the Grail is the first ever translation of the whole of the rich and compelling body of tales contained in Chrétien's poem and its four Continuations which are finally attracting the scholarly attention they deserve. Besides Chrétien's original text, there are the anonymous First Continuation translated here in its fullest version, the Second Continuation attributed to Wauchier de Denain and the intriguing Third and Fourth Continuations probably written simultaneously with no knowledge of each other's work by Manessier and Gerbert de Montreuil. Two other poets were drawn to create preludes explaining the background to Chrétien's story and translated here also are their works The Elucidation Prologue and Bliocadran. Only in this The Story of the Grail's complete form can the reader appreciate the narrative skill and invention of the medieval poets and their surprising responses to Chrétien's theme, not least their crucial focus on the knight as a crusader. Equally, Chrétien's original poem was almost always copied in conjunction with one or more of the Continuations, so this translation represents how most medieval readers would have encountered it.

Nigel Bryant's previous translations from Medieval French include *Perlesvaus the High Book of the Grail*, Robert de Boron's trilogy *Merlin and the Grail*, the *Medieval Romance of Alexander*, *The True Chronicles of Jean le Bel* and *Perceforest*. *You Can't Kill a Dead Man* Fran Blacketer, 2011-11-15

Vanessa Sterling has abandoned the all-consuming life of a Chicago corporate lawyer to begin a new life in the sleepy fishing village of Depoe Bay, Oregon. But a serious challenge arises when a long-lost son returns and the past reemerges to entangle her in a web of lies, deceit, and betrayal, the depths of which not only threaten her moral fiber but her very existence. To save her son from his sordid past, this misguided mother begins to unravel deadly family secrets, pulling her into the seedy underworld of a drug czar, only to discover her son is not so innocent. A native of Detroit, Michigan, Fran Blacketer moved to California in the late 1970s where she earned a master's degree in psychology and taught at Saddleback College. She lived in Laguna Beach where she met her artist husband Jim and they moved to Depoe Bay, Oregon for six years before returning to southern California. While in Oregon, she found the central coast to be a haven for writers where mystery and intrigue seemed to permeate the rugged coast line. *You Can't Kill a Dead Man* is the first novel in a series of Vanessa Sterling mysteries. *The Chosen* Arthur Ian Brown, 2010-04 *The Complete Works of G. A. Henty* G. A. Henty, 2023-12-15
