One Beat of a Butterfly's Heart Ronald Callander, 2014-10-19 In this book we are given a unique view of East Africa of the 1950s not the stereotyped picture of wildlife safaris and leaping Masai but the emerging independence struggle of a new African nation from the viewpoint of a white police officer in an exceptionally detailed thoroughly readable firsthand account of a rare period of recent history It tells how an Australian veteran fresh from the Korean War became a colonial police officer in Tanganyika Territory later Tanzania after federation with the offshore islands of Zanzibar in 1964 The reader is taken on a journey which tourists in Africa never see from back alleys and police cells in the polyglot city of Dar es Salaam to snake infested camps on Uganda Ruanda border patrols and on police field force emergency operations from barracks at the foot of Kilimanjaro There is much here to discover about a mostly benign semi colonial period in Africa which lasted less than fifty years passing in one African's description as briefly as a butterfly's heartbeat where a few conscientious white administrators and their loyal African assistants managed vast regions of a desolate territory with remarkably selfless care and scarce resources where things worked most of the time but sometimes where chaos reigned It is about the country itself its ubiquitous animals and its people at close range including villagers criminals hunters witch doctors and colonial officials but most of all the African askari policemen who were the author's close and often only companions

Merilee Clunis, Pat A. Freeman, Nancy M. Nystrom, Karen I. Fredriksen-Goldsen, 2014-07-16 The untold history of lesbian life from those who have lived it *Lives of Lesbian Elders Looking Back Looking Forward* illuminates the hopes fears issues and concerns of gay women as they grow older Based on interviews with 62 lesbians ranging in age from 55 to 95 this very special book provides a historical account of the shared experiences of the lesbian community that is so often invisible or ignored in contemporary society The book gives voice to their thoughts and feelings on a wide range of issues including coming out identity and the meaning of life the role of family and personal relationships work and retirement adversity and individual sources of strength and resilience Cast off and overlooked at best or victims of scorn and prejudice at worst lesbians in the twentieth century lived dual lives their full voices unheard until now *Lives of Lesbian Elders* chronicles the life choices they made and their reasons for making them set against the contexts of culture politics and the social mores of the eras in which they lived Their stories of courage resilience resourcefulness pride and independence help restore lesbian history that has been forgotten distorted or disregarded and provide the information necessary to meet the future needs of aging lesbians *Lives of Lesbian Elders* gives aging lesbians a chance to discuss their thoughts on a variety of topics including Coming out You didn't talk about it Until two years ago I never even referred to a lesbian or would I allow the word to pass my lips I used to sneak into libraries and read about homosexuality and back in that era it was not classy it was classified as a disorder of some type Identity The only difference between me and anybody else is that I just happen to be sleeping with a woman I think I grew up not really knowing who I was and I think probably fighting all my life trying to find out who I was Family I feel very connected with the lesbian community here I guess I would call that family Many years ago my sister said I

think when they're ready you need to explain to the nieces what a lesbian is because I want them to hear the correct story I want them to hear what it really is and not all these stupid rumors that go around. Work I was going to become a youth minister at one point and it dawned on me in high school that there was no way the church was going to let me work with kids. I didn't really finish my career I still have dreams about the military and about not finishing. It was my choice but it wasn't really my choice. Aging and the Future I think financing of course is a real big problem for lesbian women. I have a concern that if anything should happen to my partner in growing older of being isolated from the gay community and much more. Lives of Lesbian Elders Looking Back Looking Forward also includes appendices that present demographic data on the women who were interviewed for the book information on historical timelines and suggested readings on lesbian history. The book is an invaluable addition to the growing collective history of lesbians in the United States. 40 Unbreakable Laws of Money Wayne Wakefield, 2014-09. 40 Unbreakable Laws Of Money reveals Wayne Wakefield's hidden secrets to the money and business world that only the few wealthy know. Through almost 30 years of business and finance Wayne discovered laws that must be followed that secure success. He breaks the money world down with humor and a very common sense approach that brings major revelation to those who dare to take the time to read and invest in themselves. Wealth has very little to do with money it is about applied knowledge and your mindset. Who told you you had to go to a bank or a lender with your hat in your hand to qualify for a loan? Who told you you had to pay for your home car boat and plane? Get someone else to pay for them. Where did you learn that you must have a good job to become financially independent? Make almost everything owned legally tax deductible including this book. Where did you learn that it took a college education good credit and a savings account to become wealthy and financially independent? 40 Unbreakable Laws of Money teaches why you should always be a Wealthy Poor Person. Wayne opens the world of money and the secrets to the free enterprise system to create a mindset that challenges and changes everything you were taught. You will not have to memorize the 40 Unbreakable Laws because they will become part of you as you complete each chapter. You will immediately recognize and start changing what you do financially through a revelatory new mindset. You will never be able to go back and you will never think the same way again.

Pearson,2014-11-18 The Jenna Fox Chronicles The Adoration of Jenna Fox The Fox Inheritance and Fox Forever This award winning trilogy explores what it means to be human Set in a future United States it begins with Jenna s search for identity a quest as old as history but as startling as the future and continues with her friend Locke Jenkins whose life is catapulted into a future he never could have imagined The Adoration of Jenna Fox When seventeen year old Jenna Fox wakes from a coma it isn t only her friends and family she doesn t remember she s forgotten herself Jenna is told that she had an accident so horrific it s a miracle that she survived As Jenna s memories return to her her confusion grows This life doesn t feel like hers This body doesn t feel like hers What happened while Jenna was asleep Why do her parents seem so afraid and her grandmother so cold the answers to those questions will change everything The Fox Inheritance Jenna Locke and Kara have been separated from their bodies their minds cast off into darkness Together the three friends weather their purgatory until one day Jenna vanishes As the years pass Locke and Kara take solace in each other s presence After nearly three lifetimes have passed they are given new bodies and reintroduced into a world they can no longer recognize Fox Forever Favors especially those owed to the Network rarely go unclaimed Locke Jenkins learns this the hard way when the resistance group comes knocking at his door His task involves seventeen year old Raine daughter to a powerful man in the government that the Network seeks to destroy But what starts as a political plot soon turns into something more complicated Includes bonus chapters from Mary Pearson *Kiss of Deception* Holly Ian Berry,2014-06-17 Holly takes over the writing of Lisa Jody and her own adventures Now they ve discovered how to teleport themselves the three girls spend rather less time flying but as they can t teleport to somewhere they ve never been being able to fly is still an advantage It s a good thing Jody learned how to fly a plane the three girls combine to rescue one out of control with no pilot Holly has to deploy her secret weapon when the girls are asked to protect a notable figure the Prime Minister no less All three of the Angels get a bit damp when the river floods but not nearly as damp as their friend Louisa It s not only Jody who has an imaginary world in her head Holly seems to have one too and then there s Lisa This is Holly s bit of the story from her point of view Holly takes over the writing of Lisa Jody and her own adventures Now they ve discovered how to teleport themselves the three girls spend rather less time flying

but as they can't teleport to somewhere they've never been being able to fly is still an advantage. It's a good thing Jody learned how to fly a plane the three girls combine to rescue one out of control with no pilot. Holly has to deploy her secret weapon when the girls are asked to protect a notable figure the Prime Minister no less. All three of the Angels get a bit damp when the river floods but not nearly as damp as their friend Louisa. It's not only Jody who has an imaginary world in her head. Holly seems to have one too and then there's Lisa. This is Holly's bit of the story from her point of view. *The Real Hotel* Mike Addison, 2014-06-24. Once upon a time a noted author wrote a fairy tale about hotels that became a bestselling novel. It continued on as a movie and finally a successful television series. I would be the last to question Alex Haley's research but he simply did not live the life. This book is no fairy tale. It is written by a bartender that lived the life and knew the people. The managers were not all brilliant or considerate. In fact many could be referred to as downright rude and not all that bright. I hope you have as much fun reading this as I did writing it and living it to get the material. I would not trade anything on earth for the experience. Mike Addison. *The Real Hotel* tells you the behind the scene stories of the small army of employees that take care of the guests in the historic old hotels that lie just off the Quarter in New Orleans. The author Mike Addison spent almost two decades working in the old hotels beside the numerous Cajun and Cuban workers sharing their lives and stories. Combining humor and pathos he tells their poignant stories in an earthy narrative that is very realistic and a pleasure to read. G. R. Williamson, Texas historian and writer. **Report** Commonwealth Shipping Committee, 1909.
