researched in French and English all the books on Degas I did similar research in New York and Paris for Beckett at Greystones Bay and John Singer Sargent and Madame X which are loosely tied to New Orleans We are glad Degas did go back to Paris and paint and didn't succumb to the temptations of New Orleans We are pleased Sargent refused to change his scorned portrait of Madame X and that Kate Chopin forged a way to raise her six children and still write **Playable Bodies** Kiri Miller, 2017-03-01 Playable Bodies shows how dance video games work as engines of humor social risk and intimacy urging players to dance like nobody's watching while being tracked by motion sensing interfaces in their living rooms Author Kiri Miller looks at game design and player experiences across media platforms presenting a new theory of intimate media Saint Edward Baby Davenport, 2010-06-23 Poetry from the heart to enlighten the minds of others
