You Didn't Complete Me You Didn't Complete Me:

You Didn't Complete Me JoAnna Harris, 2004-12-06 More often than not women tend to lose themselves in relationships believing they have found The One the discovery that signifies the end of loneliness The assurance of happily ever after If this relationship is lost all seems lost But what happens when you meet The One and he turns out to be just someone What do you do when the love of your life becomes the heartbreak of your life JoAnna Harris understands After a broken engagement she was forced to confront the inevitable void after the break up and truly answer the question Who am I without this relationship While wading through intense heartbreak JoAnna says I discovered that the end of my relationship was not the end of me That in Christ I am complete and whole Using her own story of heartbreak and healing JoAnna will make you laugh and encourage you in your own journey to healing and discovery **You Auto-Complete Me** Katie Macalister, 2018-07-03
