on the Wings of Forgiveness Kitty Chappell, 2017-09-29 I finally realized that no matter how much I wanted to I could not protect my family Though I daydreamed of ways for us to escape I knew it was impossible Dad had warned us too many times to not go mouthing off to anyone about things that are none of their business or I'll put you all out of your misery The oldest of three Kitty Chappell did her best to shield her brother and sister from their father's abuse but little could stand in the way of his beatings and vicious remarks None of them escaped his brutality As a well respected family man in their Texas community in the 1950s her father enjoyed a sure confidence in his control over his family His assurance proved correct when he attacked her mother and turned friends against her aiming shocking accusations at his wife and daughter Everyone

thought her father was wonderful including the jury that gave him the minimum sentence for trying to kill Kitty's mother as she lay sleeping. Only three and a half years for premeditated attempted murder. It just wasn't fair. Kitty loved God but disagreed with Him on the subject of forgiveness. Many people were in her corner for who hasn't debated this issue with God. She didn't want to forgive; she wanted revenge. But as Kitty developed her relationship with Christ, she realized she needed to forgive the man who had caused her so much pain. *Soaring Above the Ashes on the Wings of Forgiveness* will keep you riveted to your seat with its twists and turns. You will be enraged and terrified with the author through her difficult journey. Ultimately, you will rejoice with her as she walks through the door of forgiveness and breathes in the fresh air of freedom. *Soaring Above the Ashes on Wings of Forgiveness* reveals Kitty's remarkable story of courage and faith and how she developed the attitude that enabled her to overcome rather than merely survive. This touching story will inspire you to overcome your difficulties and experience your own freedom and joy as you learn to forgive when everything in you screams for revenge.

The Super Anti-Oxidants James F. Balch, 1999-08-24 This book provides detailed information about various illnesses and how they can be prevented or cured through the use of anti-oxidants. ***Secret Longings of the Heart*** Carol Kent, 2014-02-27 While the Lord knows your deepest longings and passions, you are not always aware of them yourself. Daringly honest, powerfully encouraging, and thoroughly biblical, *Secret Longings of the Heart* helps women explore their desire for victory over 10 areas of life. This Bible study examines which attitudes, lifestyles, and behaviors can lead to fulfillment in Christ. Includes discussion questions. *What Kids Wish Parents Knew about Parenting* Joe White, 2010-05-11 It is an alarming moment when it dawns on parents that their child is in trouble. And if you aren't perceptive, you may never know until you find a half-smoked marijuana joint in a jeans pocket on laundry day or a sexy love note left inadvertently on a dresser or a citation from the police. In times like these when children are making adult decisions that are often devastatingly destructive, parents must examine the facts and learn how to be what their kids need them to be before it's too late.

Courageous Christians Joyce Vollmer Brown, 2000-03-13 Most Christian parents dream of raising children who will love God with their whole being and seek to serve Christ with their very lives. However, sometimes parents feel they lack solid Christian role models for their children outside of their family. Our kids need Christian heroes. *Courageous Christians* by Joyce Brown is just the family reader we need to fill this gap. The vast array of men, women, and children profiled in this book give everyone someone with whom to identify. These personalities are from different parts of the world and different time periods. These are people who have moved mountains with their faith, had courage beyond belief, and have demonstrated selfless, sacrificial love. *Courageous Christians* is a book that can be used by families with children of all ages. Joyce Brown provides clear, simple, well-explained stories of various Christian heroes. With sixty daily readings, this book will provide a perfect format for family devotions. This delightful family reader will teach children and parents alike what truly makes a Christian hero. *Storms of Life* Don Givens, 2008-09 What does Ecclesiastes mean: all is vanity. Chronic Fatigue Immune Deficiency Syndrome (CFIDS) is not the Yuppie flu. It is a debilitating, incurable illness that hijacks the body's immune system and drains the life out of its victims, often leaving them incapacitated for years. While researchers around the globe explore the causes of treatments for CFIDS, the men, women, and children who suffer with the illness grapple with questions like: Will I ever be normal again? Of what value am I now that I can't work or go to school anymore? How will CFIDS affect my marriage and my family? How will CFIDS affect my ability even to consider marriage or having children? How do I glorify God in the midst of a debilitating illness and pain? Lynn Vanderzalm and her teenage daughter Alisa have battled CFIDS for over seven years. In *Finding Strength in Weakness*, Vanderzalm shares her family's struggles and questions along with those of 70 other men, women, and children while offering direction, encouragement, and hope to the countless families who battle with the mystery illness of the nineties. Waters, 2018-11-30. *When Suffering Is Redemptive* offers hope when life is difficult. The eight stories of this book do not seek to explain the why of suffering but rather present ways that God transforms and redeems suffering, particularly how suffering leads to ministry opportunities. Though the stories are personal and sometimes difficult to tell, the authors are transparent with their struggles and honest in their questions. Yet they have not lost sight of Christ and His purpose for their lives. This book will challenge readers to develop a richer sense of God's sustaining grace in the midst of suffering and disability, hopefully resulting in the compassionate involvement of church ministries with those who are in the trenches of their own personal pain or struggles. Along with the personal stories, this book includes discussion questions and suggested resources at the end of each chapter. [After the Boxes Are Unpacked](#) Susan Miller, 2016-04-01.
