Me.. My Head & I Kylie Ellement, 2023-05-04 THERE IS NOTHING WRONG WITH YOU YOU ARE DIVINE PERFECTION From birth we are conditioned to hate criticize ourselves becoming completely lost in a society that tells us we are not enough need to be perfect to be accepted or fit in then ourselves judge others for not being perfect This is why rejection hurts so much we have been rejecting ourselves our entire lives with the way we seek love approval validation being through other people external things which are unreliable sources because people only reflect back to us what we truly think about ourselves This can only be healed from within so learning to love ourselves regardless with a solid inner foundation of trust establishing emotional

stability unconditional self acceptance knowing we are always OK exactly as we are is what you will learn discover within this book You are the only one that teaches people how to treat you when you love yourself setting healthy boundaries is easy because you honour your worth know what you deserve Our birthright natural state of being is All is well but with non stop brain washing we can become enslaved to a system that tells us we don t matter suffering in an illusion of lack fear separation from ourselves others that creates chaos dis ease within our physical body or human meatsuit locking your brain in survival mode overthinking With the truth of who we really are where we came from being hidden that reveals we matter way more than you could ever imagine We are an angelic superhuman race that are destined to be the guardians of the multiverse with limitless co creating abilities to manifest our own realities through words thoughts emotions energy manipulating matter with our vibrational frequencies as beings of light but first we need to master our minds It is my sincerest hope that what I ve learnt through my own journey is a beacon of guiding light to you from self hate to ultimate self love with your top priority always being to become your own best friend With a heart full of gratitude blessings to you Love Kylie

Power, for All Julie Battilana,Tiziana Casciaro,2021-08-31 Discover how to gain and keep power in any situation with this remarkably insightful read on what power is how it s gained and how it can be used for good Adam Grant bestselling author of Think Again Power is one of the most misunderstood and therefore vilified concepts in our society Many assume power is predetermined by personality or wealth or that it s gained by strong arming others You might even write it off as dirty and want nothing to do with it But by staying away from power you give it up to someone else who may not have your best interest in mind We must understand and use our power to have impact and pioneering researchers Julie Battilana and Tiziana Casciaro provide the playbook for doing so in Power for All Battilana and Casciaro offer a necessary Tarana Burke creator of the MeToo movement and bestselling author of Unbound and invaluable David Gergen CNN political analyst vision of power the ability to influence someone else s behavior This influence is derived from having access to valued resources and once you understand what those are you can take action to improve life for yourself and others With proven strategies of agitating innovating and orchestrating change Power for All shows how those with less power can challenge established structures to make them more balanced The authors teach you how to power map your workplace to find who can create real change at work plan for and cause sustaining shifts and understand the two basic needs all human beings share safety and self esteem and the resources people seek to satisfy those needs money and status but also autonomy achievement affiliation and mortality They explore how these dynamics play out through vivid storytelling as Donatella Versace successfully leads her brother s company after his death despite having a title but little influence what social movements can learn from youth climate activists and how they can go farther and how a manager can gain the trust of skeptical employees and improve the workplace Power for All demystifies the essential mechanisms for acquiring and using power for all people
