Voigt liegen in dem voluminösen Band vor Sie werden ergänzt durch sieben Beiträge zu Recent Research and New Discoveries **The Authentic Witness** C. Norman Kraus, 2010-03-01 Traditional Protestant theology has long answered the question What is the true church by pointing to the visible church its location nature and structure The recent increase of interest in missions however has raised the issues of the church's role and identity its mission in the world It is no longer enough to use orthodoxy as the criterion for the genuineness of the church identifying the body of Christ by organization or clerical structure perfection in lifestyle or ecstatic experience of the Holy Spirit Rather says Norman Kraus the mark of the true church is its authenticity its ability to remain true to its original prototype in character and purpose Thus the church's mission is to be the authentic community of witness to the world The Christian community affirms each individual as a person in Christ and its objective for the world is the same as for itself it calls the world to peace in Christ The church in mission then must be a sign to the world of the kingdom of God As an authentic community it is a healing community characterized and organized around its mission of reconciling witness rather than creeds various practices or preaching Following Christ as its model its message is salvation and reconciliation *The Life, Works, and Witness of Tsehay Tolessa and Gudina Tumsa, the Ethiopian Bonhoeffer* Samuel Yonas Deressa, Sarah Hinlicky Wilson, 2017-06-15 This book opens a window into the lives and extraordinary witness of a Christian couple whose faithful life of service has earned the moniker of Ethiopia's Bonhoeffer In Part One the reader encounters the extant writings of Gudina Tumsa Gudina's ideas were by no means silenced by his murder If anything quite the opposite as is so often the case with martyrs Part Two is a highly personal account of Gudina and Tsehay's life witness and sufferings Aud Saeveas a Norwegian missionary working with her husband in Ethiopia got to know Tsehay during her many years in prison often

bringing her food After Tsehay was finally released Saeveras encouraged her to report the truth about what had happened The result was this memoir first written in Norwegian then translated into German and now for the first time in English Saeveras frames the story but most of the words are Tsehay s This collection concludes with an essay by Samuel Yonas Deressa on the impact that Gudina s vision has had on the EECMY and the formation of the Gudina Tumsa Foundation with its various scholarly and development activities Gudina lives on in the many Ethiopian Christians who continue to be inspired by his life and witness
