Managing Behaviour in the Early Years Janet Kay,2010-07-15 A practical guide to managing children s behaviour in childcare and early years settings Brimming with tips and suggestions on how practitioners can help young children to learn Janet Kay demonstrates how a variety of positive methods can encourage the development of appropriate behaviour Accessibly and engagingly written this guide will prove invaluable for early years practitioners everywhere **Learning and Teaching in Early Childhood** Wendy Boyd,Nicole Green,Jessie Jovanovic,2021-08-02 Learning and Teaching in Early Childhood Pedagogies of Inquiry and Relationships is an introduction for early childhood educators beginning their studies Reflecting the fact that there is no single correct approach to the challenges of teaching this book explores teaching through two lenses teaching as inquiry and teaching as relating The first part of the book focuses on inquiry covering early childhood

learning environments learning theories play pedagogies approaches to teaching and learning documentation and assessment and the policy curriculum and regulatory requirements in Australia The second part explores relationships in early childhood contexts and covers topics such as fostering meaningful and respectful relationships with children and working with families staff and the wider community Written by well respected academics in the field Learning and Teaching in Early Childhood is a vital resource for those entering the early childhood education and care profession *Personal, Social and Emotional Development* Jane Johnston, Caroline Tobbell, Richard Woolley, 2011-01-13

Boosting Learning in the Primary Classroom Sheilagh Blyth, 2015-04-17 Boosting Learning in the Primary Classroom is your one stop practical guide to understanding the physical development of children and how this affects their ability to learn Not only does it explain the reasons behind the theories but provides over 75 practical tips that really work in the classroom The book is based on a successful five step approach to help children acquire the skills needed to manage at school and daily life It works by being able to pinpoint a problem assists others in recognising the impact that difficulty is having to the child and then provides strategies to develop that child s specific skills Using the latest medical research and established occupational therapy techniques to obtain great results this approach provides teachers with the tools to use different knowledge and strategies to engage children in the learning process Key ideas explored include Exploring the reasons for poor handwriting Increasing Disability Awareness The link between body posture and concentration Dyspraxia in a school setting Play develops learning Understanding sensory behaviour By providing teachers with an understanding of physical child development and the impact this has in the classroom this book demonstrates how teachers can use this knowledge to boost the learning of their primary aged children It encourages teachers to identify improvements in the child s progress of not just educational learning targets but also in physical motor development using real life case studies latest theory and tried tested occupational therapy methods to help every child improve

Safeguarding and Protecting Children in the Early Years Steven Burton, James Reid, 2017-10-09 This new edition provides a comprehensive guide for safeguarding and child protection in the early years Aimed at both students and practitioners it offers clear insight and guidance into the legal and policy foundations for effective safeguarding practice together with both the historical context and also more contemporary developments in safeguarding practice in the early years sector This second edition has been fully updated to reflect current legislation and includes new material on interagency work supporting children s resilience and safeguarding all children Drawing on the everyday dilemmas and experiences of early years professionals it helps you to find solutions to both practical and moral issues in a context of legal duties and responsibilities The chapters consider the historical context of safeguarding and child protection the legislative framework around safeguarding and child protection safeguarding through inter professional and multidisciplinary work the identification of neglect in early years children the consequential abuse that can occur as a result of parental behaviours safeguarding children s health and wellbeing safeguarding as a member of a

team and the importance of communication safeguarding against the misuse of technology Safeguarding and Protecting Children in the Early Years has been written by a multidisciplinary team of academics from a breadth of UK universities with a wealth of experience in safeguarding and child protection the EYFS health visiting social work the police and in leading and managing services for children and families This second edition is essential reading for anyone working with or aspiring to work with children in the early years Resources in Education ,2000-10 *The Routledge International Companion to Emotional and Behavioural Difficulties* Ted Cole,Harry Daniels,John Visser,2012-10-12 Responding to disruptive or troubled pupils with emotional and behavioural difficulties EBD remains a highly topical issue The challenges these children present relate to wider issues of continuing political concern the perceived declining discipline in schools school and social exclusion the limits to inclusion for children with special needs increasing mental health difficulties in children youth crime and parenting skills It s little wonder that the EBD often known as BESD or SEBD category is one of the most common forms of SEN around the world This topical and exhaustively researched Companion examines the difficulties of defining EBD and the dangers of allocating this imprecise label to children Bringing together the work of contributors from fifteen countries and across four continents this book features the research of leading experts in the global field of EBD who discuss and debate educators key concerns by looking at the overlaps between EBD ADHD and mental health difficulties outlining the types of appropriate schooling for children with EBD urging readers to look beyond pupils challenging behaviour in order to understand and respond to the social biological and psychological causation considering the key areas of assessment whole school and targeted approaches that help pupils with EBD in mainstream and in special settings outlining helpful work with families the crucial contribution of effective multi agency working and the importance of supporting and developing teachers who work with challenging pupils Containing contrasting views on controversial topics this Companion s approachable style makes it an essential reference book for academics policy makers practitioners educators and students who are working towards a higher degree in education **Re-theorizing Discipline in Education** Zsuzsa Millei (Ed),Tom G. Griffiths,Robert John Parkes,2010 understandings that can make a difference in students lives *A Comprehensive Guide to Classroom Management* Louise Porter,2020-07-30 Behaviour management in the classroom can be one of the most challenging aspects of teaching but with the right approach it can be rewarding and enriching for both student and teacher A Comprehensive Guide to Classroom Management provides a systematic overview of the major theories and styles of discipline in schools Drawing on the latest international research Porter outlines how teachers can develop a personal style in classroom management based on a sound understanding of theory The emphasis is on proactive authoritative approaches to discipline to engage students and facilitate the achievement of educational and social goals Porter demonstrates how it is within the power of schools and teachers to create the conditions under which even disadvantaged or disenchanting students strive to learn A Comprehensive Guide to Classroom Management is the essential handbook for preservice teachers and a

valuable reference for more experienced teachers who want to develop their approach to complex behavioural challenges True to its title this is an enormously ambitious indeed encyclopaedic resource that makes a compelling multilayered case for putting respect for children's needs ahead of our urge to control them Alfie Kohn author of *Beyond Discipline and Punished by Rewards* There is so much to admire and absorb in this impressive and highly readable blend of research idealism and sound sense highly recommended for principals aspiring school leaders and reflective practitioners teaching students with behavioural difficulties Dr Ted Cole lead editor of *The Routledge International Companion to Emotional and Behavioural Difficulties* **Pioneers in Early Childhood Education** Patricia Giardiello, 2013-08-29 Rachel and Margaret McMillan

Maria Montessori and Susan Isaacs have had a major impact on contemporary early years curriculum theory and practice This new book introduces students and practitioners to the ideas philosophies and writings of these key early thinkers in early childhood education and show how they relate to quality early years provision today The book explores the influences that shaped the ideas values and beliefs of each pioneer and clearly demonstrates how they have each contributed to our knowledge of young children's learning and development It then examines these in the context of current policy to highlight the key ideas that practitioners should consider when reflecting on their own practice Features include Summaries of each pioneer's ideas and their influence on contemporary practice Practical examples to illustrate key principles Reflective questions to encourage practitioners to develop and improve their own practice Written to support the work of all those in the field of early childhood education this book will be invaluable to students and practitioners that wish to fully understand the lasting legacies of these four influential women *Teacher-parent Collaboration* Louise Porter, 2008 This important new book is a practical guide for teachers who want to improve relationships with the parents of their students It empowers them with the skills and confidence necessary for productive collaboration and addresses a range of issues that affect children's functioning and achievement *Teacher Parent Collaboration* presents jargon free and solution based approaches to collaboration which draw on the inherent strengths that all individuals have no matter how bleak their personal situation

Helping with Behaviour Sue Roffey, 2005-11-16 This book shows how to establish good practice in early years settings so that all children are supported in developing positive interactions with one another With limited material available for practitioners in this area Sue Roffey explains the features of an emotionally literate environment in order to meet the needs of more vulnerable children and looks at how to respond effectively when children are distressed and hard to manage She provides a wealth of ideas and inspiration throughout using down to earth language and looks at how to foster language and build self esteem how to help pre schoolers learn to feel good about complying and co operating how children can become strong individuals as well as learn to be good how to identify more worrying behaviour and when to refer to other professionals Based on sound psychological theory and research and packed full of practical activities illustrations support and advice this will be an invaluable source of inspiration for anyone concerned with providing the best environment for

vulnerable young children in their care **Contemporary Issues in Australian Literacy Teaching** Jenny Johnston, 2013

The second edition book covers a range of topics including how literacy and English are linked to early childhood and to middle school education special needs education teaching literacy to Indigenous students bilingualism and languages education critical literacies and multi literacies literacy assessment how to engage parents in their child's literacy and how quality literature can be used to support and enhance student's literacy development The intended audience for this text is pre service teachers working and studying in their early childhood and primary undergraduate degrees as well as beginning teachers who are keen to improve their literacy teaching skills *Digital Personalization in Early Childhood* Natalia

Kucirkova, 2017-09-07 This book is available as open access through the Bloomsbury Open Access programme and is available on www.bloomsburycollections.com Digital personalization is an emerging interdisciplinary research field with application to a variety of areas including design education and publication industry This book focuses on children's education and literacy resources which have undergone important changes with the personalization revolution in the early 21st century The author develops original insights from educational research and her own studies concerned with digital and non digital personalization to discuss in a clear and critical way the thinking research issues and practical implications of this new field She scrutinises the character of technology based personalized education to substantiate the claim that the current models of personalized education tend to be technology and business driven with little pedagogical understanding of the social value of personalization Research involving touchscreens personalized books and 2-8 year olds is interrogated for its impact on children's development of language creativity identity as well as family dynamics and classroom dialogue The literature available on digital and non digital personalization is discussed in relation to five key themes of personalized education the so called 5As autonomy authorship aesthetics attachment and authenticity It is argued that the 5As need to be anchored in humanist principles for a sustainable pedagogy and practice Based on the insights from research with typically and atypically developing children Kucirkova proposes personalised pluralisation as a pedagogical framework of personalized education for the future The book aims to help scholars and professionals understand the connections between personalization and literacy personalization and education and personalization and wider socio moral issues *Behaviour in Schools* Louise Porter, 2000 Behaviour management in the classroom and playground is one of the most challenging aspects of teaching Behaviour in Schools offers a comprehensive overview of the major theories of behaviour management in primary and secondary schools illustrated with detailed case studies
