Thomas Bacon,1837 **You Are Already There** Robert Gregory,2013-03 You Are Already There YOU CAN NEVER BE ANYWHERE ELSE There are so many chasing this so called enlightenment when all along they are already there but because this is too simple they just don t want to believe it They are after something harder something that makes them feel they have deserved this reward of enlightenment This is my story of my own inner experience in this so called enlightenment I have shared what I disappeared into and came out laughing because I have realised that this so called enlightenment is simply who we all are we are there we have always been there and we can be nowhere else but there I ll share with you my own experience and what brought me to this experience of so called enlightenment and how you can also experience what I and many more have experienced You will learn that there is no big deal to this experience and it s so simple that you will be laughing at how simple it is and you may wonder why you never realised this before It s all fun so don t take anything I say seriously In fact never take anything seriously about enlightenment After all You Are Already There **Animal Alchemy** Mark Roland Langdale,2022-04-26 Jag short for Jaguar was orphaned when her environmentalist parents died in the jungle saving animals lives Although she was put into a care home she ran away two years to live on the streets where she was adopted into a street gang who have now become her family Danny the trickster and street magician and Tiger whose animal instincts run close to the surface and a few others are all animal activists at heart Although they go one night to an animal sanctuary in the country to tag the walls with graffiti Jag gets caught in an enclosure However it ends up for the best as the keeper takes a shine to her and offers a part time job when she hears Jag s affinity with the Jaguar spirit With Jag working at the sanctuary her gang start spending more time there to see the great Cat Man Do perform his animal magic until one day when a tiger is let out its cage And that is only the beginning as a villainous Cat Man begins to stalk the streets with two pet panthers out for blood seemingly appearing and disappearing at will With newspapers reporting maulings and deaths and Sergeant Dickins not sure what s going on the kids are intrigued by the reports After witnessing an attack the kids get sucked into this mysterious Cat Man s idea of a theatrical villain performance but even if they have animal instincts and spirits with them and even if the big cats are swaying to their side should they run before they too turn prey **Awake and aware** Vicente Simón Pérez,2013-12-02 Life is surprising it s a bit like traveling through a deep impenetrable forest where you can hardly see in front of your nose Then as you come round a bend you suddenly see a mesmerizing landscape spread out before you What s really interesting though is that to see this vision you have to have first navigated through the dark forest with its never ending series of twists and turns I m now at a point in my life where I ve just gone round a particularly sharp bend and the forest has suddenly opened up into this incredible space which seems to go on forever And I m struck by how impossible it would have been for me to even imagine what it could be like It feels like the endless luminous space is saturated with the beauty of the Universe and I can feel the clean air of freedom filling my lungs I m still at the bend absorbing it all I m transfixed as I contemplate the mesmerizing landscape This short book is the result of that first moment

of awe It s about wanting to share the meaning of a journey that has brought me to this point and to try to shed light on the elusive yet incredibly simple explanation for this wonderful discovery As with all my books I sincerely hope that this one is able to transmit this unearthed treasure to others to confirm that such intense clarity does exist and that it fills your heart with an intense sense of freedom The boost I wish to offer to your personal development goes beyond the intellectual Its main goal is to enable release from suffering because pain dissolves when it is understood deeply May those joining me on this journey feel inspired and encouraged and may it help all men and women feel the liberation of understanding blossom inside them
