Your Soul Is Eternal Non Biblical Evidence:

Your Soul Is Eternal Edmund W. F. Rydell, 2014-10-02 We have an eternal soul God has given us convincing evidence The purpose of this book is to show skeptics and seasoned Christians alike that there is abundant additional evidence quite apart from the Bible This is an ongoing thing with God The fate of Christianity was not sealed with events that happened 2000 years ago He is furthering his work in this world by continuing to give us this evidence whether in the form of paranormal phenomena knowledge conveyed directly into the minds of selected people or messages from loved ones in heaven Many examples of these types are given in this book Some include quite convincing substantiation It is hard to see how any but the most hardened skeptic would not be moved by some of these happenings But then a hardened skeptic would most likely not be reading this book This book is definitely not a preaching to the choir type of book The choir whether one or more Christians a whole congregation or even the entire Christian Church never hears this type of preaching None of these matters are ever brought up from the pulpit the lectern or the thousands of pamphlets leaflets and complete books to which we are exposed The fact is that the Christian Church has been slow to recognize God s ongoing work in our world through these means It is my hope that my work and that of others possibly in a more accredited position than myself will serve to wake up the Church to this exciting aspect of God s continuing conveyance of the truth I am not sure just when I made the decision to write books which basically called organized religion to task in failing to recognize the importance of the unexplainable happenings in world literature I had read Raymond Moody s bestseller *Life After Life* many years before and had been captivated by the revelation of near death excursions Eventually the notion took hold that God is giving us these experiences to strengthen our religious commitment and with this realization came the decision to write about it *Your Soul Is Eternal* was purposely written to be independent of the Bible so that it would be clear that God intended this information as an autonomous source *The Gospel Standard, Or, Feeble Christian's Support*, 1835 **The Christian Work and the Evangelist**, 1904 *"Truth and Proof for the Christian Worldview" A Comprehensive Summary of Christian Apologetics* Kelly J. Walters, 2022-11-22 Why is there something rather than nothing That s the quintessential philosophical question in mankind s search not only for the existence of the universe but also for the existence meaning and purpose of life That question forms the essence for this informative and enlightening book in which author Dr Kelly J Walters reveals both the answer Jesus Christ and the abundant evidential proof Everyone longs to know the answers to universally profound questions like Is God real or What is the true creation story of the universe and of humankind or Is there an afterlife These questions are vast extreme and complex While there are many theories the ultimate empirical and factual answers are impossible to definitively prove for both theist and naturalistic scientism alike Both sides require faith In *Truth and Proof for the Christian Worldview* Dr Walters offers evidence and rational proof defending the one position that provides the best logical experiential and noncontradictory answer for all the above questions Christianity Atheist turned Christian Dr Walters delves

into this convincing evidence providing an organized and scholarly summary and presentation of the detailed research available for Christian apologetics He teaches on a plethora of topics including comparative religion worldviews key logical arguments and formal proofs for God the origins of the universe and life evolution and creationism theories who is Jesus Christ what is true Christianity and more The evidence related to these theological and scientific topics rationally serve to defend clarify and prove the truth for the reality of the one true God of the Bible as creator of the universe and life *The Rise and Fall of Self* William Landon,2006-01-25 It is beyond debate that the world is troubled with numerous problems We live in a time of political economic and social uncertainty While all of us earnestly hope that these problems will be worked out we all differ widely in our views of the best route to get to these solutions Perhaps the most basic issue in seeking solutions to our problems is the identification of the cause or source of these problems As the world is an interconnected system where we all have some impact on the whole it is logical to assume that the most basic issues of the world s problems lie within each of us individually This book takes this approach If we are to ever hope to move toward solutions to the world situation we must begin with each of our own individual situations This is not a look at our physical situation but with our psychological and spiritual situation The only way we can ever hope to build a better world is to build better people The making of better people begins with a proper constitution of our self or the person we truly are In the end there are only two versions of our self that we can elect to live in the independent self or the individual self One of these versions leads to a life of bondage and the other leads to a healthy life of positive impact This impact touches both our own life and the condition of all those we have contact with **The Soul of Man is Not Immortal** Obadiah H. Harris,1888 Undeniable Biblical Proof Jesus Christ Will Return to Planet Earth Exactly 2,000 Years After the Year of His Death Gabriel Ansley,2010 Let me ask you a question you probably never pondered WHY did God create the world in 6 days Do you think God had NO logic motive or purpose behind using that specific number of days Do you think He just placed a bunch of numbers in a hat and nonchalantly drew one Or do you think the cosmos required that number of days to be completed as if God could not have created it in 2 3 5 9 12 23 or however many days Friend you should know better God can DO ANYTHING which brings us back to the original question The answer to this mystery is contained in the Bible and its gradual albeit secret uncovering in story after story leads to the stunning title of this book Undeniable Biblical Proof Jesus Christ Will Return To Planet Earth Exactly 2 000 Years After The Year Of His Death But FAR more important than merely discovering that fact this book will fully elucidate and crush all confusion concerning what a person soul MUST DO to obtain eternal life by illuminating the true spiritual meaning behind every detail of the ancient Bible stories So sit back and hold on because this book s message is going to be a life changing ride **The Christian beacon, ed. by C.B.
