Between Our Ears Terry Radford, 2010-10-06 For many years professional psychologists have written books about our personal mental make up Unfortunately and almost without exception these works use vocabulary outside of a understanding of the average person and as a result are incomprehensible to him We would all like to understand the structure and contents of our mind better and this book is written for them The book is written using simple English using everyday vocabulary augmented by IT terminology the only language common to the whole world This book will also enable you to understand the building blocks of your minds structure and why you think as you do why there are apparent conflicts in your belief system why you behave in a certain manner how you perceive yourself and how others perceive you It also examines your own character and personality and explains why you are what you are This book further explores how we speak how we remember things and how we interface with our five senses and with external media such as books and electronic information systems It also explores our belief systems why they change as we mature and why they contain apparent dichotomies By reading this book you will fully understand how and why your mind functions and enable you to understand the character and behavior of others This will enable the reader to fully understand why others say and do as they do

Highly Unusual, Highly Favored Travis Gardner, 2025-05-26 Have you ever wondered if God was real and the depth to which He desires to communicate with us in this day and age Maybe you already have answers to that but you question how certain Biblical principles practically apply to your professional or daily life Then again maybe your big question is How do I find God s will for my business or life In a world where faith is used more as a hashtag than it is truly embodied as a lifestyle Travis practically demonstrates and teaches how we should involve God in our professional and daily lives Travis also demonstrates and teaches what a true Kingdom Business should look like He unequivocally shows that God desires to tangibly encounter each and every one of us if we so choose to engage Him Travis not only intimately invites you into testimonies from his life and the formation of his business The Charge Apparel but he also invites you into his
