Board of Education, 1967 *Sticky Faith, Youth Worker Edition* Kara Powell, Brad M. Griffin, Cheryl A. Crawford, 2011-10-04 Many of the statistics you read about teenagers and faith can be alarming Recent studies show that 40-50 percent of kids who are connected to a youth group throughout their senior year will fail to stick with their faith in college As youth workers are pouring their time and energy into the students in their ministries they are often left wondering if they've done enough to equip their students to carry their faith into adulthood Fuller Youth Institute has done extensive research in the area of youth ministry and teenage development In Sticky Faith the team at FYI presents youth workers with both a theological philosophical framework and practical programming ideas that develop long term faith in teenagers Each chapter presents a summary of FYI's quantitative and qualitative research along with the implications of this research including program ideas suggested and tested by youth ministries nationwide This resource will give youth pastors what they need to help foster a faith that sticks with all the teenagers in their group long after they've left the youth room **Jesus Centered Youth Ministry: Guide for Volunteers** Rick Lawrence, 2014-12-08 If you're a volunteer in youth ministry you've likely wondered How did I get here No matter how you'd normally answer one thing's for sure You're here because Jesus nudged or maybe even dragged you here That's because Jesus loves you and loves teenagers and he wants them to get what you have to give But how do you maximize your time with them And how can you make an impact that draws students into a closer orbit around Jesus When you're captured by the real Jesus not the knockoff Jesus we often hear about in our culture then your pursuit of him influences your kids pursuit of him And when you're all in with the real Jesus you have lasting impact in your interactions with students This guide for volunteers is a condensed version of Rick Lawrence's wildly successful book Jesus Centered Youth Ministry It delivers a laser sharp focus on why we need a renewed focus on Jesus in youth ministry and gives you practical sustainable ways to put JCYM ideas into practice You'll encounter page after page of field tested ideas for crafting and nurturing a Jesus magnetic ministry environment Help

Deep Ministry in a Shallow World Chap Clark, Kara Powell, 2009-08-08 Deep Ministry in a Shallow World will show you a new way to prayerfully reflect on the questions you face in your youth ministry every day so you can find the answers that will take it to deeper places That s because authors Chap Clark and Kara Powell have gathered significant research findings that will help shift your ministry paradigm Did you know that the typical strategies we use to build relationships with kids might actually cause them to trust us less because of what this generation has endured recent research on communication could help us move past the witty talks and funny stories we

work so hard to develop and instead actually connect the Bible to kids lives studies show that offering students just Jesus and not helping them at home school and in their neighborhoods might not help them very much at all The authors research also led to their development of the Deep Design problem solving process a revolutionary model that will give you better tools than ever before to address every last issue you ll encounter in youth ministry

Organizing Your Youth Ministry Paul Borthwick,2004-03-01 We need to get organized around here That is the common cry of youth workers who feel burdened by so much to do in so little time so many responsibilities and so few results so much criticism it seems so little support Paul Borthwick agrees that getting organized is essential for effective your ministry and he has written an essential book to help those of you in youth ministry organize three different areas of your lives Personal How do your personal goals and your need for personal growth fit with your youth ministry If you re married are your spouse and children helped or hurt by your involvement with kids Are your other responsibilities suffering As Borthwick says Good ministry is the result of a balanced personal life Professional Do you see yourself as a youth professional Is your interaction with pastor and church board characterized by mutual respect It s the youth worker who will help other people see youth ministry as a profession and not just a fun and games operation Practical Is your budget balanced Do you frequently begin activities feeling only half prepared Do your volunteers and coworkers know what is expected of them Better planning and time management can create programs lessons and activities that help people grow learn and love each other Part I of *Organizing Your Youth Ministry* examines the need to the youth minister to organize his or her personal life as well as ministry setting priorities and the special challenges of church youth ministry Part II addresses the philosophical foundations of youth ministry organization Why do we do what we do What is it young people really need How do you work with a team Where do parents fit in Part III discusses how to organize the daily weekly monthly and yearly administrative demands of the youth ministry from budgets to retreats from activities to Sunday school lessons from choir to missions projects from discipleship programs to the special needs of junior high students Part IV helps us to evaluate our goals and to measure the effectiveness of our youth ministry always keeping in mind that as Borthwick says the ultimate purpose isn t just to produce better programs or a more efficient discipleship system but to present each person complete in Christ Col 1:28 NASB So if you like every other youth worker have too much to do too little time to do it in and sometimes don t know where to begin *Organizing Your Youth Ministry* can help Give it a try and you ll find out why Paul Borthwick says that organization can be a ministry in itself
