Youth Ministry Management Tools 2.0 Mike A. Work, Ginny Olson, 2014-09-02 Youth ministry isn't just meeting with students and teaching them God's truth. It also involves a myriad of administrative and operational details. Youth Ministry Management Tools 2.0 provides youth ministers and volunteers with helpful insights, advice, and practical resources to successfully manage a youth ministry. You'll find sample budgets, release forms for trips, and clear direction for screening applicants for volunteer positions. Authors Mike Work and Ginny Olson provide you with quick and accessible answers to all of your management, administrative, and supervisory questions and needs. Sprinkled throughout the manual are brief personal anecdotes by actual in-the-trenches youth workers, case studies of church office debacles, pivotal lessons learned over decades of ministry, nightmare scenarios to avoid, and glorious successes to emulate. No other book provides everything a youth ministry leader needs in one place at such an affordable price. This revised and updated edition of a youth ministry classic includes bonus online content, copy-ready pages and forms, and loads of other highly practical material. Youth Ministry Nuts and Bolts, Revised and Updated Duffy Robbins, 2010 To help youth workers paid and/or volunteer think through some of the key issues related to the administrative issues of youth ministry. The Youth Ministry Survival Guide Len Kageler, 2008-11-04 It's more common in youth ministry than we want to admit: burnout and failure. Exhaustion, frustration, disappointment, and conflict bring many youth workers to a point where they either choose a new church, a new career, or someone makes that choice for them. After thirty years of youth ministry experience, Len Kageler wants to help youth workers avoid the pitfalls that are common to their calling and give them the tools to not only survive but also to thrive in youth ministry. Along with his own wisdom, Len offers insights gained from his 2006 survey of more than 300 burned-out or fired youth workers who come from a variety of ministry contexts and denominations. If you're new to youth ministry or you've been at it for a while and feel like you may be on the verge of burnout, The Youth Ministry Survival Guide will help you deal with conflict and compromise, determine the causes of burnout, and how to avoid them. Discover how your personality and the personality of those you work with affects the dynamics of your ministry experience, develop the best plan for working with senior pastors, church leadership, parents, and students so you can do youth ministry in your 40s, 50s, 60s, and beyond. Don't let burnout force you out. Inside this book, you'll find steps you can take to help build fences against failure, and you'll learn what it takes to survive and thrive in youth ministry. **Macs in the Ministry** David Lang, 2010-02-21 Macs in the Ministry: Your ministry demands your time, energy, creativity, passion, and commitment.
