

Kensington Valley Hockey Association
Pee Wee AA Hockey Club

THANK YOU for trying out for the Kensington Valley Pee Wee AA 2007-2008 Fall Travel Hockey Team!

Unfortunately, we are faced with the tough decision of picking only a handful of players. The coaching staff has made every effort to make the tryouts a fair and enjoyable experience for every child and parent. We understand that not making a team is a disappointing time in our lives. It is also a time to hold your head high and to be proud of your accomplishments. Every child worked very hard and displayed great admiration for this outstanding sport!

Though you have not been selected for this Fall team, we encourage you to try again in the Spring. We want to remain friends and would like to see how your upcoming season progresses. If you see one of the coaches, other players or parents, let them know how you are doing. We honestly do care for all of these fine kids!

Please continue to practice and play to the best of your abilities. Work on the things that will make you a better hockey player. The coaches had some difficult decisions this tryout and it is your job to put them to the test in the Spring!

We appreciate all of the parents who have helped us out and have become our friends, thank you very much!

Best of Luck,

Tom Miller
Head Coach

Sample Book Insights 1 In the fall of 1979 the Portland Trail Blazers were a team of rookies and free agents The veterans who had made the team before had guaranteed money in their contracts The rookies and free agents were at the brink of their dreams which was to play under contract in the NBA 2 Greg Bunch a black player had the same psychological tests done on him as Steve Hayes did but he had to do them a second time because of a mistake He was terrified of what they

might reveal about him 3 The coaches and the scouts were anxious about the new season The rookies and free agents looked on the coaches as secure and powerful but the coaches knew that their jobs were never secure The only players who seemed powerful were the marginal players over whom they could exert little authority 4 The conversations between coaches and players these days tended to be a bit melancholy Basketball had become too commercialized and the mood inevitably affected the players who arrived at Inman s door complete with agents and lawyers *The Golden Game* Kevin Nelson,2015-07-01
