Zapatas Disciple Essays:

Zapata's Disciple Martín Espada, 1998 In his first collection of essays award winning poet Martín Espada turns his fierce critical eye toward a broad range of urgent political and cultural issues With the same insight and integrity displayed in his poetry he chronicles many struggles of the Latino community the myths and realities of machismo the backlash against Latino immigrants and the Spanish language the borders of racism and U S colonialism in Puerto Rico Espada's poetry has survived everything from censorship by National Public Radio to a bomb threat at a reading In his essay All Things Censored he describes how NPR commissioned him to write a poem then refused to air the work because of its political content a defense of Mumia Abu Jamal the African American journalist on death row In The Poetics of Commerce Espada takes on the Nike corporation which solicited a poem for use in a television commercial as part of the company's ongoing propaganda campaign to divert attention from its dismal human rights record in Asian sweatshops Espada stirs together ingredients of memoir and reclaimed history in Postcard from the Empire of Queen Ixolil which recalls his pilgrimage to the town in Mississippi where his father was jailed half a century ago for not moving to the back of the bus He also pays homage to Poets of the Political Imagination a force throughout the Americas rooted in the traditions of Neruda and Whitman and reflects on the political imagination as a catalyst in the creation of his own poetry A dozen of Espada's poems old and new weave themselves through the essays in Zapata's Disciple In a voice charged with anger humor and compassion Espada unleashes his words following Walt Whitman's dictum on what poets should do to cheer up slaves and horrify despots

Zapata's Disciple Martín Espada, 2016-10-15 The ferocious acumen with which the award winning poet Martín Espada attacks issues of social injustice in Zapata's Disciple makes it no surprise that the book has been the subject of bans in both Arizona and Texas targeted for its presence in the Mexican American Studies curriculum of Tucson's schools and for its potential to incite a riot among Texas prison populations This new edition of Zapata's Disciple which won the 1999 Independent Publisher Book Award for Essay Creative Nonfiction opens with an introduction in which the author chronicles this history of censorship and continues his lifelong fight for freedom of expression A dozen of Espada's poems tender and wry as they are powerful interweave with essays that address the denigration of the Spanish language by American cultural arbiters castigate Nike for the exploitation of its workers reflect upon National Public Radio's censorship of Espada's poem about Mumia Abu Jamal and more Zapata's Disciple is a potent assault on the continued marginalization of Latinos and other poor and working class citizens in American society and the collection breathes with a revolutionary zeal that is as relevant now as when it was first published
