Al-Badayneh,2007-07-13 Terrorism is a multi dimensional phenomenon and this publication aims at comprehending it It includes a comprehensive focus on the conceptualization of terrorism and understanding of it It explains the concept and addresses the important issues which can help us to understand why and how individuals commit such an act , Terrorist Minds: From Social-psychological Profiling To Assessing The Risk Sagit Yehoshua,2020-10-19 This book s excellent discussion of the theories and concepts involved in profiling terrorists including those who are incarcerated is a major contribution to the academic discipline on these issues Perspectives on TerrorismTerrorist Minds From Social Psychological Profiling to Assessing the Risk explores the process of terrorist behavioural analysis from the social psychological profiling of terrorists to the development of risk assessment tools Most of the research for this book was conducted in cooperation with the Intelligence Department of the Israeli Prison Service via qualitative in depth interviews with leaders of terrorist organisations in Israeli prisons Once social psychological profiles were established terrorist risk assessment tools were developed to allow for better observation and practical management of associated problems This book fills the gaps in existing literature on the psychology of imprisoned terrorist group leaders through the analysis of individuals social professional and personal lives as well as their attitudes and perceptions The book also covers the practical aspects of risk assessment based on social psychological profiling and discusses relevant tools that have been developed in recent years It aims to better inform counter terrorism initiatives and policymaking as well as improve methods of communication counter terrorism and conflict resolution *Understanding and Responding to the Terrorism Phenomenon* O. Nikbay,S. Hancerli,2007-06-29 Since terrorism is a global issue counter terrorism studies are also a global issue which requires cooperation and collaboration of

multi dimensional groups This publication includes the researches experiences and perceptions of different parts of this cooperation and collaboration      *The Roots of Terrorism* Assaf Moghadam, William Lee Eubank, 2006 The September 11 2001 terrorist attacks on the United States brought the issue of terrorism to the forefront of American attention and controversy To determine how to prevent further destruction it is necessary to understand the shadowy phenomenon that causes it Who are the terrorists What are their motives What are the roots of this form of violence and will it come to an end What exactly is terrorism      *The Faces of Terrorism* David V. Canter, 2009-12-17 An international multi disciplinary team explores the many different facets of terrorism investigating what it means to be a terrorist and what terrorism means for society Gets closer to the perspectives of terrorists their views how their acts are conceptualized by the public and by national leaders and how this knowledge can be put to use Brings together international experts from psychology psychiatry law and policing Edited by one of the world s foremost forensic psychology experts David Canter      *The Devil's Toy Box* Andrew J. Fox, 2022 A Promethean technology is one that allows someone of average resources skills and intelligence to carry out actions that were once only doable by governments militaries or institutions with considerable resources Essentially Promethean technologies allow users to create their own weapons of mass destruction These emerging technologies are increasingly affordable and accessible and are no more complicated to operate than a satellite TV control box or a smart phone Although these technologies are a terrifying prospect the more we know about these dangers the better we can prepare to head them off In *The Devil s Toy Box* Andrew Fox lays out seven decades of preemptive analysis and shows that while homeland security has explored in depth the possible Promethean threats the world faces it has failed to forecast the most likely attacks Using fictional scenarios Fox teaches how to predict future threats and how to forecast which ones are likely to be used by bad actors within the next five to ten years Combining the skills of homeland security experts and the imaginations of speculative fiction writers he then offers an analytical method to deter counter or abate these threats rather than adopting an attitude of resigned fatalism      *Deport, Deprive, Extradite* Nisha Kapoor, 2018-03-27 The extradition of terror suspects reveals the worst features of the security state In 2012 five Muslim men Babar Ahmad Talha Ahsan Khalid al Fawwaz Adel Abdul Bary and Abu Hamza were extradited from Britain to the US to face terrorism related charges Fahad Hashmi was deported a few years before Abid Naseer and Haroon Aswat would follow shortly They were subject to pre trial incarceration for up to seventeen years police brutality secret trials secret evidence long term detention in solitary confinement citizenship deprivation and more *Deport Deprive Extradite* draws on their stories as starting points to explore what they illuminate about the disciplinary features of state power and its securitising conditions In looking at these stories of Muslim men accused of terrorism related offences Nisha Kapoor exposes how these racialised subjects are dehumanised made non human both in terms of how they are represented and via the disciplinary techniques used to expel them She explores how these cases illuminate and enable intensifying authoritarianism and the diminishment of democratic systems

**Secret Chambers** Robert Hales, 2024-09-30 In past decades individuals and organizations have worked silently and steadily to weaken our freedoms and liberties Seeking to erode the nation's sovereignty and the citizens' loyalty they first implant socialistic and woke concepts in the minds of the rising generation to eliminate historical and foundational commitment of the rising generation They inject their theories concepts and anti American ideals into the primary middle and higher educational systems Seeking removal and erosion of rights specified in the bill of rights and as outlined in the Declaration of Independence they attack infringe and assault basic American privileges Today those who previously sought to destroy from the shadows have come into the light and are blatantly and offensively promoting what they call the evils of the Founding Fathers the past and present actions of their concept of racists and the inequality of opportunity in this land Secret Chambers is an examination of the steps used to persuade otherwise freedom loving and patriotic citizens to turn away from historically held concepts of liberty and sovereignty By understanding their methods of operation it is hoped that the reader will recognize a secret combination organization and sound the alarm for others to become aware of their deceptive processes

**Post-9/11 Cinema** John Markert, 2011-08-05 In contemporary society cinema has become a primary way in which people gain knowledge about events taking place in the world Films often go beyond news reports by showing in depth behind the scenes footage whether in a documentary or recreated in fictional features More than fleeting scenes of events shown on the nightly news a film can influence people's feelings about war and what our political leaders should do about it This has certainly been the case since the attack on 9/11 and the subsequent incursions into Iraq and Afghanistan In Post 9/11 Cinema Through a Lens Darkly John Markert takes a close look at the films depicting these events Covering cinematic portrayals of 9/11 and the attacks that followed this book examines both dramas and documentaries that depict what some have termed Bush's war as well as rebuttal films films about terrorist activities and films seen from the vantage point of journalists and military personnel Post 9/11 Cinema not only shows how motion pictures reflect societal values but also how such works can influence social attitudes and thus promote change In addition Markert appraises the film industry and critiques how images are manipulated to sway the viewer to appreciate the side being advocated Examining such dramas as The Messenger Stop Loss The Lucky Ones In the Valley of Elah and The Hurt Locker as well as documentaries including Fahrenheit 9/11 Soldiers of Conscience and Taxi to the Dark Side Post 9/11 Cinema is a valuable read for professors of media and mass communication popular culture and film studies as well as cultural sociologists

**Terrorist Assemblages** Jasbir K. Puar, 2018-01-26 Tenth Anniversary Expanded Edition Ten years on Jasbir K Puar's pathbreaking Terrorist Assemblages remains one of the most influential queer theory texts and continues to reverberate across multiple political landscapes activist projects and scholarly pursuits Puar argues that configurations of sexuality race gender nation class and ethnicity are realigning in relation to contemporary forces of securitization counterterrorism and nationalism She examines how liberal politics incorporate certain queer subjects into the fold of the nation state shifting queers from their construction as figures

of death to subjects tied to ideas of life and productivity This tenuous inclusion of some queer subjects depends however on the production of populations of Orientalized terrorist bodies Heteronormative ideologies that the U S nation state has long relied on are now accompanied by what Puar calls homonationalism a fusing of homosexuality to U S pro war pro imperialist agendas As a concept and tool of biopolitical management homonationalism is here to stay Puar s incisive analyses of feminist and queer responses to the Abu Ghraib photographs the decriminalization of sodomy in the wake of the Patriot Act and the profiling of Sikh Americans and South Asian diasporic queers are not instances of a particular historical moment rather they are reflective of the dynamics saturating power sexuality race and politics today This Tenth Anniversary Expanded Edition features a new foreword by Tavia Nyong'o and a postscript by Puar entitled Homonationalism in Trump Times Nyong'o and Puar recontextualize the book in light of the current political moment while reposing its original questions to illuminate how Puar s interventions are even more vital and necessary than ever
