The Song Is You A Novel:

The Song Is You Arthur Phillips, 2009-04-07 BONUS This edition contains a *The Song Is You* discussion guide and excerpts from Arthur Phillips's *The Tragedy of Arthur Prague* *The Egyptologist* and *Angelica* Each song on Julian's iPod that greatest of all human inventions is a touchstone There are songs for the girls from when he was single there's the one for the day he met his wife to be there's one for the day his son was born But when Julian's family falls apart even music loses its hold on him Until one snowy night in Brooklyn when his life's soundtrack and life itself start to play again Julian stumbles into a bar and sees Cait O Dwyer a flame haired Irish rock singer performing with her band and a strange and unlikely love affair is ignited Over the next few months Julian and Cait's passion plays out though they never meet What follows is a heartbreaking dark comedy the tenderest of love stories and a perfectly observed tale of the way we live now **The Song**

Is You Megan Abbott, 2008-02-19 A fictionalized account based on the mysterious 1949 disappearance of actress Jean Spangler whose demise was linked to the Black Dahlia killings is a darkly sensual tale that imagines what may have been her fate **The Song Is You** Bradley Rogers, 2020-10-15 Musicals it is often said burst into song and dance when mere words

can no longer convey the emotion This book argues that musicals burst into song and dance when one body can no longer convey the emotion Rogers shows how the musical's episodes of burlesque and minstrelsy model the kinds of radical relationships that the genre works to create across the different bodies of its performers spectators and creators every time the musical bursts into song These radical relationships borne of the musical's obsessions with bad performances of gender and race are the root of the genre's progressive play with identity and thus the source of its subcultural power However this leads to an ethical dilemma Are the musical's progressive politics thus rooted in its embrace of regressive entertainments like burlesque and minstrelsy *The Song Is You* shows how musicals return again and again to this question and grapple with a guilt that its joyous pleasures are based on exploiting the laboring bodies of its performers Rogers argues that the discourse of integration which claims that songs should advance the plot has functioned to deny the radical work that the musical undertakes every time it transitions into song and dance Looking at musicals from *The Black Crook* to *Hamilton* Rogers confronts the gendered and racial dynamics that have always undergirded the genre and asks how we move forward

The Song Is You Megan E. Abbott, 2007 This is the story of Gil Hop Hopkins a smooth talking Hollywood publicist who is drawn into the unsolved mystery of the missing person case of starlet Jean Spangler **Sinatra! The Song Is You Will**

Friedwald, Tony Bennett, 2018-05-01 Frank Sinatra was the greatest entertainer of his age invigorating American popular song with innovative phrasing and a mastery of drama and emotion Drawing upon interviews with hundreds of his collaborators as well as with *The Voice* himself this book chronicles critiques and celebrates his five decade career Will Friedwald examines and evaluates all the classic and less familiar songs with the same astute witty perceptions that earned him acclaim for his other books about jazz and pop singing Now completely revised and updated and including an
