Beyond the Lines Sarah E. Parkinson, 2023-01-15 *Beyond the Lines* explores the social underpinnings of rebel adaptation and resilience How do rebel groups cope with crises such as repression displacement and fragmentation What explains changes in militant organizations structures and behaviors over time Drawing on nearly two years of ethnographic research Sarah E Parkinson traces shifts in Palestinian militant groups internal structures and practices during the civil war of 1975 to 1990 and foreign occupations of Lebanon She shows that most militants approach asymmetrical warfare as a series of challenges centered around information and logistics characterized by problems such as supplying constantly mobile forces identifying collaborators disrupting rival belligerents operations and providing essential services like healthcare Effective negotiation of these challenges contributes to militant organizations resilience and survival In this context the foundation of rebel resilience lies with militants ability to repurpose their everyday social networks to organizational ends In the Lebanese setting *Beyond the Lines* demonstrates how regionalized differences in Israeli Syrian and Lebanese deployment of violence triggered distinct social network responses that led to divergent organizational outcomes for Palestinian militants

Conducting the

Reference Interview, Third Edition Catherine Sheldrick Ross ,Kirsti Nilsen ,Marie L. Radford,2019-07-03 Based on the latest research in communication theory but tailored specifically for real world application this updated manual speaks equally to the needs of students preparing to enter the profession and those who are already fielding reference inquiries The authors working in consultation with a stellar advisory board of scholars and practitioners present a convenient and comprehensive resource that will teach you how to understand the needs of public academic and special library users across any virtual setting including email text messaging and social media as well as in traditional and face to face models of communication Packed with exercises and examples to help you practice effective reference transactions and avoid common pitfalls this book tackles the fundamentals of the reference interview from why it s important in the first place to methods for setting the stage for a successful interview and techniques for finding out what the library user really wants to know covers the ins and outs of the readers advisory interview examines a wide range of contexts such as children young adults parents seniors adults from diverse communities and those with disabilities presents case studies of innovative reference and user encounters at a variety of libraries offers updated coverage of virtual reference including new research virtual reality transcripts and a look at crowd sourcing reference via social media features new content on common microaggressions with guidance on how to use awareness of emotion as a factor in reference interactions to ensure better outcomes discusses topics such as respecting protecting privacy overcoming assumptions implicit judgment the importance of context determining the real information need and many other lessons learned from challenging reference encounters and thoroughly addresses policy and training procedures as well as the unique challenges faced by paraprofessionals and non degreed staff Find your bearings in the continually evolving hybrid reference environment through proven strategies advice exercises and research from three experts in the field Dark Souls : Beyond the Grave - Volume 1 Damien Mecheri,Sylvain Romieu,2019-02-19 Story of a saga video games If the Dark Souls series managed to seduce players and journalists it was mainly by word of mouth It was such a great success that Dark Souls 2 was named Game of the Year 2014 by the vast majority of gaming magazines and websites To date this saga is one of the most important in the gaming industry The odd thing is that these games are well known for their difficulty and their cryptic universe This publication narrates the epic success story but also describes its gameplay mechanics and its specific lore across more than 300 pages Characters plots and the scenario of the three Souls Demon s Souls Dark Souls and Dark Souls II are deciphered by Damien Mecheri and Sylvain Romieu who spent a long year studying these dense and enigmatic games down to the smallest detail The serie Dark Souls and her spiritual father Demon s Souls will not have secrets for you anymore EXTRACT In May 2014 Hidetaka Miyazaki succeeded Naotoshi Zin as president of FromSoftware after the studio was purchased by Kadokawa Shoten This was a highly significant promotion for the person who had led the company s most successful project Dark Souls And yet he did not lose from view what had attracted him to the field an insatiable creative drive In spite of his new status within the studio one of the conditions he

requested and was granted was to remain creative director of his new project Bloodborne This allowed him to successfully design this spiritual successor to the first Souls game while also assuming his new responsibilities Given his drive to work and create it is not surprising how quickly Miyazaki moved up through the ranks ABOUT THE AUTHORS Passionate about films and video games Damien Mecheri joined the writers team of Gameplay RPG in 2004 writing several articles for the second special edition on the Final Fantasy saga He continued his work with the team in another publication called Background before continuing the online adventure in 2008 with the site Gameweb fr Since 2011 he has come aboard Third ditions with Mehdi El Kanafi and Nicolas Courcier the publisher s two founders Damien is also the author of the book Video Game Music a History of Gaming Music For Third ditions he is actively working on the Level Up and Ann e jeu vid o collections He has also written or co written several works from the same publisher The Legend of Final Fantasy X Welcome to Silent Hill a journey into Hell The Works of Fumito Ueda a Different Perspective on Video Games and of course the first volume of Dark Souls Beyond the Grave Curious by nature a dreamer against the grain and a chronic ranter Sylvain Romieu is also a passionate traveler of the real and the unreal the world and the virtual universes always in search of enriching discoveries and varied cultures A developer by trade he took up his modest pen several years ago to study the characteristics and richness of the marvelously creative world of video games He writes for a French video game site called Chroniques Ludiques particularly on the topic of RPGs his preferred genre Epilogue, Vol 3, Issue 1, *Beyond the Valley* Ramesh Srinivasan,2020-09-01 How to repair the disconnect between designers and users producers and consumers and tech elites and the rest of us toward a more democratic internet In this provocative book Ramesh Srinivasan describes the internet as both an enabler of frictionless efficiency and a dirty tangle of politics economics and other inefficient inharmonious human activities We may love the immediacy of Google search results the convenience of buying from Amazon and the elegance and power of our Apple devices but it s a one way top down process We re not asked for our input or our opinions only for our data The internet is brought to us by wealthy technologists in Silicon Valley and China It s time Srinivasan argues that we think in terms beyond the Valley Srinivasan focuses on the disconnection he sees between designers and users producers and consumers and tech elites and the rest of us The recent Cambridge Analytica and Russian misinformation scandals exemplify the imbalance of a digital world that puts profits before inclusivity and democracy In search of a more democratic internet Srinivasan takes us to the mountains of Oaxaca East and West Africa China Scandinavia North America and elsewhere visiting the design labs of rural low income and indigenous people around the world He talks to a range of high profile public figures including Elizabeth Warren David Axelrod Eric Holder Noam Chomsky Lawrence Lessig and the founders of Reddit as well as community organizers labor leaders and human rights activists To make a better internet Srinivasan says we need a new ethic of diversity openness and inclusivity empowering those now excluded from decisions about how technologies are designed who profits from them and who are surveilled and exploited by them *Star Wars Year By Year New Edition*
