## **The Sun At Midnight A Memoir Of The Dark Night:**

**Sun at Midnight** Andrew Harvey, 2002 As the motor's vibrations cradled me I tried to envision my life I saw the red lines of highways on the map stretched between cities like threads of torn cloth I imagined a book that could hold it all together plains and mountain ranges dust drab towns beyond interstates and somewhere on the far edges the valley in British Columbia and those nights in Virginia when I snuck out and stalked the highway trying to fathom where I belonged on this threadbare continent As a child growing up in rural British Columbia Deni B chard had no idea that his family was extraordinary With a father prone to racing trains and brawling and a mother with interest in health food and the otherworldly Deni finds pleasure in typical boyish activities fishing for salmon with his father and reading with his mother Assigned to complete a family tree in school Deni begins to wonder why he doesn't know more about his father's side of the family His mother is from Pittsburgh and there is a vague sense that his father is from Quebec but why the mystery When his mother leaves Deni's father and decamps with her three children to Virginia his curiosity only grows Who is this man why do the police seem so interested in him and why is his mother so afraid of him And when his mother begrudgingly tells Deni that his father was once a bank robber his imagination is set on fire Boyish rebelliousness soon gives way to fantasies of a life of crime and a deep drive for experience leads him to a number of adventures hitching to Memphis and stealing a motorcycle fighting classmates and kissing girls Before long young Deni is imagining himself as a character in one of his father's stories or in the novels he devours greedily At once attracted and repelled Deni can't escape the sense that his father's life holds the key to understanding himself and to making sense of his own passions aversions and motivations Eventually he moves back to British Columbia only to find himself snared in the controlling impulses of his mysterious father and increasingly obsessed by his father's own muted recollections of the Quebecois childhood he'd fled long ago At once an extraordinary family story and a highly unconventional portrait of the artist as a young man **Cures for Hunger** is a singular deeply affecting memoir by one of the most acclaimed young writers in the world today

**Radical Passion** Andrew Harvey, 2012-10-23 This culmination of award winning author Andrew Harvey's life's work bridges the great divide between spiritual resignation and engaged spiritual activism A manifesto for the transformation of the world through the fusion of deep mystical peace with the clarity of radical wisdom it is a wake up call to put love and compassion to urgent focused action According to Harvey we are in a massive global crisis reflected by a mass media addicted to violence and trivialization at a moment when what the world actually needs is profound inspiration a return to the heart centered way of the Divine Feminine the words of the mystics throughout the ages and the cultivation of the nonviolent philosophies of Gandhi Nelson Mandela Aung San Suu Kyi and the Dalai Lama Harvey's concepts of radical passion and sacred activism fly in the face of restraint of pessimism of denial of all that is inhumane fusing the mystic's passion for God with the activist's passion for justice and for healing the division between heaven and earth heart and will body and soul prayer and action Sacred activism asks that we engage deeply on a

personal spiritual and political level so as to become a fully empowered fully active and contemplative humanity that can turn tragedy into grace and desolation into the opportunity to build and co create a new world Unlike many spiritual books Radical Passion does not veil the dark with artificial hope It explores the catastrophes of our current times and celebrates the ecstatic hope and divinity that is possible right now and in the future The Publishers Weekly ,2008 Forthcoming Books Rose Arny,2002 **The Complete Poetical Works of Lord Byron.
