The Swamp Fox Francis Marion:

The Swamp Fox John Oller,2016-10-25 A popular comprehensive biography of Francis Marion the Swamp Fox covering his famous engagements as well as a private side of him that has rarely been explored *The Swamp Fox : Francis Marion and the American Revolutionary War* Cobblestone,2001 Francis Marion Cliff Mills,2015-09 Francis Marion often referred to as the Swamp Fox was one of America s most important Revolutionary War leaders He and his small band of men battled the British in the fields woods rivers and swamps of South Carolina They never let up disrupting communications and supply lines His daring raids helped America gain independence We know some facts about Marion but they can get lost in the stories and legends about him This book will help you separate fact from fiction and learn more about the real Francis Marion The best stories are true stories and the Swamp Fox s true story is one of courage smart fighting and a love of freedom America is deeply in debt to him **The Swamp Fox, Francis Marion** Noel Bertram Gerson,1967 Biographical novel about the man who developed modern guerilla warfare during the American Revolution Traditions of the Swamp Fox William Willis Boddie,2000 Not a scholarly work this set piece of avocational historical writing is introduced by Steven D Smith an archaeologist and Marion researcher who has been involved in the search for evidence of Marion s camp on Snow s Island Jacket **Francis Marion** Louis P. Towles,2002 Discusses the life and career of Francis Marion who was nicknamed the Swamp Fox based on the strategy he used of hiding in the swamps to surprise attack British troops during the Revolutionary War **The Swamp Fox** Cobblestone Publishing Company,2001 **The Life of Francis Marion** Major Minervini,2021-04-18 Francis Marion 1732 1795 was one of the most successful partisan military leaders of the American Revolutionary War He led bands of guerrillas in several victories against British and Britain allied Colonists from whom he received the name Swamp Fox for his craftiness in eluding pursuit in the Carolina swamps In the darkest days of the American Revolution Francis Marion and his band of militia freedom fighters kept hope alive for the patriot cause during the critical British southern campaign Employing insurgent guerrilla tactics that became commonplace in later centuries Marion and his brigade inflicted enemy losses that were individually small but cumulatively a large drain on British resources and morale South Carolina s Swamp Fox Francis Marion is one of the most celebrated figures of the American Revolution Marion s cunning exploits in the Southern theater of the Revolution earned him national renown and a place in history as an American hero and master of modern guerilla warfare First published in 1844 The Life of Francis Marion was Simms s most commercially successful work of nonfiction It offers a treatment of Marion s life that is unparalleled in its scope and accuracy all in Simms s inimitable style Francis Marion Kay Cornelius,2013 A biography of the Swamp Fox who received that nickname by hiding out in the swamps to attack British troops by surprise during the Revolutionary War *General Francis Marion The Swamp Fox and Marine Corps War Fighting Doctrine* Usmc Command USMC Command and Staff College,2014-05-30 I have been interested in Francis Marion the Swamp Fox of the Revolution ever since reading of his

exploits as a young boy I was living in Africa at the time the son of missionaries and when I was roaming the Namibian veldt with my Bushman buddy hunting for small game I would pretend to be the Swamp Fox In many places along the Okavango River which separates Angola from Namibia the terrain is strikingly similar to the description of General Marion s hideout in the South Carolina swamps We would build little forts on the swampy banks of the river There we would retreat and eat the fish we had caught or small game we had killed all the while pretending to fight our imaginary foes The Patriot a recent movie starring Mel Gibson as the Swamp Fox rekindled my youthful interest in Francis Marion and the American Revolution I thought it would be interesting to compare the Marine Corps warfighting philosophy as described in Marine Corps Doctrinal Publication One MCDP 1 Warfighting with Francis Marion s style of warfare against the British and Loyalists in the American Revolutionary War Francis Marion: the Swamp Fox Hugh F. Rankin,1973 Calls attention to Marion s military career and crucial role in the Revolution as a guerrilla leader in the South during the years 1780 and 81 **The Swamp Fox** David R. Higgins,2013-10-20 The American Revolution was deadlocked in the north and in 1778 the focus of the conflict shifted south Following his decisive 1780 victory at Charleston Cornwallis launched a campaign through the Carolinas that was designed to expel American Continental and militia forces from the south The subsequent patriot victory at King s Mountain forced Cornwallis to withdraw into South Carolina in what was one of the turning points in the Revolutionary War To the southeast Francis Marion enacted a series of successful hit and run operations Cornwallis responded to this string of raids by assigning Banastre Tarleton to capture or kill the rebel guerrilla commander What followed was an unsuccessful pursuit of the elusive Marion in which Tarleton practiced a scorched earth policy that ultimately disillusioned Loyalist sympathizers and hurt the British cause in the Carolinas This book highlights the unique style of southern frontier warfare during the Revolutionary War and how its combatants were supplied organized and operated The series of actions between August and November 1780 illustrate Marion s unconventional efforts to hinder their enemy s war effort in the south earning him his Swamp Fox moniker and Tarleton s equally irregular efforts to counter it **Swamp Fox. The Life and Campaigns of General Francis Marion. [With Endpaper Maps.].** Robert Duncan Bass,1960 **Francis Marion** Scott Kauffman,Professor William Mark Habeeb,2007-01-01 A biography of the Colonial leader who achieved notable successes leading guerrilla forces against the British in South Carolina during the American Revolution Provided by publisher The Swamp Fox Scott Aiken,2012-11-15 As one of the Patriot leaders in the Carolinas the partisan campaign conducted by Brigadier General Francis Marion and his irregular force during the American Revolution prevented South Carolina from completely succumbing to British control during the period between the capture of Charleston in May 1780 and the start of Major General Nathanael Greene s campaign to recover the Southern Colonies in December 1780 During substantial segments of this period he alone held eastern South Carolina from the British and became known as The Swamp Fox for his exploits and elusiveness in harassing the British with his guerilla tactics Upon the arrival of Greene s Continental Army of the Southern

Department Marion s forces then reverted in part to an important supporting role in South Carolina for the duration of the war He later assisted in the establishment of the authority of the State of South Carolina and contributed to its post conflict termination If General Marion had not taken action during the American Revolution there is a good possibility that eastern South Carolina would have succumbed to British intent That coupled with the British occupation of Charleston may have provided the British with the requisite momentum needed to conquer the South Thankfully General Marion s call to action both militarily and politically prevented such momentum from existing The multifaceted aspect of the American Revolution serves as an excellent case study for the conflicts of the twenty first century joint and combined operations civil war insurgency counterinsurgency global superpowers civil military relations this conflict s got it all Many of Marion s partisan actions were forerunners of today s tactics showing his great innovativeness and foresight as a military leader His incessant activities diverted British and Loyalist forces inflicted British and Loyalist casualties supported operations of the Continental Army during its Southern Campaign and sustained the American Revolution in South Carolina He was extremely effective across the range of military operations from guerilla warfare to storming forts He was equally inept in what today would be considered information operations and even participating in the linear tactics of the day in pitched battles Such similarity makes Marion s partisan campaign worth study by current military and political leaders Aiken s portrayal of Brigadier General Marion s partisan actions describes the forerunners of tactics common of today s global security environment tactics used by and against United States forces *Swamp Fox* Jack Tar Francis Marion Hotel, Charleston, S.C.,1960* Francis Marion The Swamp Fox of Snows Island Rebecca Dunahoe,2018-01-03 Francis Marian a second generation immigrant was of French descent As a youth he rode his horse through the streams lakes and swamps learning the lay of the land He was shipwrecked but survived to fight in the Indian War and it was there he learned the guerrilla warfare The name was given to him by the British soldiers He and his men lived off the land fighting running and hiding He truly was a Swamp Fox

Swamp Fox William Dobein James,2010-02-10 Swamp Fox General Francis Marion and his Guerilla Fighters of the Revolutionary War is the story of the American general who waged a guerrilla war against British forces commanded by General Tarleton harassing them and eventually driving the British Army out of South Carolina This book written by one of Marion s his militia members tells the story of the Swamp Fox Throughout the war Marion showed himself to be a singularly able leader of his irregular soldiers Unlike the Continental troops Marion s Men served without pay supplied their own horses arms and often their food All of Marion s supplies that were not obtained locally were captured from the British forces Marion rarely committed his men to frontal warfare but repeatedly surprised larger bodies of British regulars with quick surprise attacks and equally quick withdrawal from the field The British especially hated Marion and made repeated efforts to neutralize his force but Marion s intelligence gathering was excellent and that of the British was poor due to the overwhelming Patriot loyalty of the populace in the Williamsburg area Col Banastre Tarleton sent to capture or kill Marion in

November 1780 despaired of finding the old swamp fox who eluded him by travelling along swamp paths Tarleton and Marion were sharply contrasted in the popular mind Tarleton was hated because he burned and destroyed homes and supplies whereas Marion s Men when they requisitioned supplies or destroyed them to keep them out of British hands gave the owners receipts for them This story of Marion s exploits as told so vividly in Swamp Fox makes fascinating reading for anyone interested in guerrilla warfare or the American Revolutionary War **Swamp Fox** Robert Duncan Bass,1969
