The Speediest Land Traveller A History Of Alberta Auto Racing:

The Speediest Land Traveller Richard McDonell, 2005 Automobile racing the world's fastest sport began almost as soon as the first cars were built. It developed and thrived in the Province of Alberta far removed from the world power centres of racing. In **The Speediest Land Traveller** former race driver Dick McDonell spins a story of the heroes and geniuses who built and raced cars against the best on the planet and of the developers, politicians, promoters and wheeler dealers who gave them places to learn their craft. At times hilarious and others tragic, **The Speediest Land Traveller** paints a memorable portrait of an exciting sport and the century of change in which it grew. This is a must-have book for anyone with an interest in auto racing or Alberta history.
