The Biology of Wonder Andreas Weber, 2016-02-01 A new way of understanding our place in the web of life from a scholar praised for his graceful prose Publishers Weekly The disconnection between humans and nature is perhaps one of the most fundamental problems faced by our species today This schism is arguably the root cause of most of the environmental catastrophes unraveling around us Until we come to terms with the depths of our alienation we will continue to fail to understand that what happens to nature also happens to us In *The Biology of Wonder* Andreas Weber proposes a new approach to the biological sciences that puts the human back in nature He argues that feelings and emotions far from being superfluous to the study of organisms are the very foundation of life From this basic premise flows the development of a poetic ecology which intimately connects our species to everything that surrounds us showing that subjectivity and imagination are prerequisites of biological existence Written by a leader in the emerging fields of biopoetics and biosemiotics *The Biology of Wonder* demonstrates that there is no separation between us and the world we inhabit and in so doing it validates the essence of our deep experience By reconciling science with meaning expression and emotion this landmark work brings us to a crucial understanding of our place in the rich and diverse framework of life a revolution for biology as groundbreaking as the theory of relativity for physics Grounded in science yet eloquently narrated this is a groundbreaking book Weber's visionary work provides new insight into human nature interconnectedness and the dire consequences we face by remaining disconnected Richard Louv author of *Last Child in the Woods* *Ecotheology in the Humanities* Melissa Brotton, 2016-05-20 This book is a collection of essays about the interaction between God humans and nature in the context of the environmental challenges and Biblical studies Chapters include topics on creation care and Sabbath sacramental

approaches to earth care classical and medieval cosmologies ecotheodicy how we understand the problem of nonhuman suffering in a world controlled by a good God ecojustice and how humans help to alleviate nonhuman suffering The book seeks to provide a way to understand Judeo Christian perspectives on human to nonhuman interaction through Biblical literary cultural film and music studies and as such offers an interdisciplinary approach with emphasis on the humanities which provides a broader platform for ecotheology

Teaching Writing in the Age of Catastrophic Climate Change Justin Everett, Russell Mayo, 2024-11-25 Catastrophic storms searing heat waves crumbling waterfronts warming oceans air fouling forest fires and mass extinction have become facts of life Under these conditions it is difficult to imagine that the global industrial civilization will continue in its present form This requires us to reconsider the subject of ecocomposition from a new perspective What does it mean to teach college writing in the face of this sobering reality The introduction reviews the history of ecocomposition and reframes it in light of the apocalyptic turn in climate discourse over the last quarter century as well as the role that ecocomposition theory can play in framing these discussions *Teaching Writing in the Age of Catastrophic Climate Change* is organized into four sections The first section considers the environmental narrative from the viewpoint of climate justice while the second reframes pedagogies of place in light of the climate catastrophe The third section examines the intersections of writing studies and the natural sciences while the fourth section entertains the personal and emotional dimensions of teaching ecocomposition within the framework of catastrophic climate change If we have been successful these chapters provide a starting place for having sobering discussions in our classrooms and considering what ecocomposition means in this unsettling age

[Summary of David Abram's The Spell of the Sensuous](#) Everest Media, 2022-06-09T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 I was once in a trance while gazing at the stars in eastern Bali I felt myself falling through space and between the constellations below and the constellations above drifted countless fireflies their lights flickering like the stars 2 I had

traveled to Indonesia on a research grant to study magic and I had been a professional sleight of hand magician for five years back in the United States I had spent some months in London England exploring the use of sleight of hand magic in psychotherapy 3 The focus of my research shifted from questions regarding the application of magical techniques in medicine and ritual curing to a deeper consideration of the relation between traditional magic and the animate natural world I came to recognize that it was through the agency of such rumors that the sorcerers were able to maintain a basic level of privacy 4 The traditional or tribal shaman acts as an intermediary between the human community and the larger ecological field ensuring that there is an appropriate flow of nourishment from the landscape to the human inhabitants and back to the local earth Flute Talk ,2006 **Spell** ,1991 **The Spell of Love** Frances Sargent Osgood,1996 *The Spell Illustrated* The Spell Illustrated Orcutt,2020-04-12 A romance set in Italy involving a love triangle of Helen Inez and Jack tangled up in a spell of dual personalities in the present and in the past Excerpts SLOWLY THE SPELL BEGAN TO WORK UPON INEZ BRAIN SHE WAS NO LONGER IN THE PRESENT SHE WAS A WOMAN OF ITALY OF FOUR CENTURIES BACK It has actually happened at last the letter began and your favorite wager of a thousand to one on the unexpected has really won In other words I Helen Cartwright condemned by myself to live and die an old maid as penalty for being so critical of the genus homo now confess myself completely hopelessly in love and so happy in my new estate that I wonder why I ever hesitated Helen dear she Inez said here in the presence of Mr Cartwright and Monsignor Cerini I ask your permission to keep in my heart the image of the man I learned to love while we both were beneath the spell That man no longer exists in the flesh but I still worship his memory He can never exist again except as a part of an experience which could never be repeated Is this asking too much dear What does it all mean cried Helen gazing at her helplessly what does it all mean It means that there have been two Jacks Helen one of whom became transformed for a time into a veritable master spirit of the past To this man I admit I gave a devotion which I shall never could never give to any other but he died Helen when the spell broke against that wall at the foot of the hill of Settignano This man even during his existence gave me no devotion in return and knew not the passion which he inspired in me He had no heart but it was not his heart I worshipped To me his mind broad comprehensive and understanding stood for all that life could give The other Jack the man you married has never wavered in the love he gave you from the first He has suffered from the influence of the second personality in that he was forced into the background by the greater strength of this sub conscious self but he has also gained from its influence in the development which we all have seen My Jack is dead but yours still lives He needs you and he longs for the return to him of the wife he has always loved *The Spell* William Dana Orcutt,2021-04-08 A romance set in Italy involving a love triangle of Helen Inez and Jack tangled up in a spell of dual personalities in the present and in the past Excerpts SLOWLY THE SPELL BEGAN TO WORK UPON INEZ BRAIN SHE WAS NO LONGER IN THE PRESENT SHE WAS A WOMAN OF ITALY OF FOUR CENTURIES BACK It has actually happened at last the letter began and your favorite wager of a thousand to one on the unexpected has
