Keys to Overcoming the Enemy Christian do you suffer from an unbridled temper overpowering sinful habits overwhelming sadness or any number of other spiritually defeating issues Are you seemingly unable to establish and maintain positive meaningful relationships with others Counselor or Pastor do you sometimes wonder why you have such limited authority over evil spirits and why after evicting them one week the same spirits show up again the next week In *Delivering the Captives* Alice Smith draws on her thirty five years of deliverance ministry around the world to expose some of Satan's slickest strategies She explains how he deceives us into building spiritual strongholds in our own lives through willful sin so his demons can operate develop into strongmen and access levels of dominion over us Let Alice show you how to detect and defeat strongmen and precisely why Jesus said we must bind the strongmen before we dismantle their strongholds and permanently dismiss them Here are your guidelines including Alice's much sought after list of Apparent Demonic Groupings which reveals how demons work together Here are your biblical tools including prayers proclamations and pronouncements to renounce evil spirits and remove them from your life and from the lives of others **Theological Wordbook** John F. Walvoord, Donald Cambell, John A. Witmer, 2000-10-17

Stimulating theology is an oxymoron for most people Theology sounds like something for the severely intellectual full of complicated ideas that escape the typical Christian reader In reality theology is meant to enhance our understanding of God Most of the words that make up the Christian vocabulary are common words drawn from the realities of life and therefore are easily applicable to real life Based on this premise four leading authors have come together to create this excellent volume *The Theological Wordbook* tackles tough words such as propitiation regeneration righteousness and predestination but it does so in a natural plain spoken manner designed to be enlightening rather than evasive Also literally dozens of words you are likely to use every day such as forgiveness mind peace rest family truth and guilt have profound biblical value Using *The Theological Wordbook* can enable you to more fully appreciate what the Bible teaches on these crucial topics and how each of these terms is relevant for life today As this happens your understanding of God will expand And as the words you use speak and hear in the community of faith become more familiar you will become more connected to your own spiritual heritage *The Theological Wordbook* is the link between understanding God's Word in your head and accepting it in your heart **Spiritual Advocates** Alice Smith, 2013-01-29
