**Tigger: Memoirs of a Cosmopolitan Cat** Susanne Haywood, 2015-01-28 We are all familiar with human responses to change but what about the animal's perspective Globetrotting Tigger the ginger tomcat with attitude is born into the sunshine and easy lifestyle of Western Australia but is forced to follow his family of restless humans to the USA for an adventurous two years in the forests and fields of Maryland He returns to Australia and life on a small farm in the bush with all its associated excitements and perils before he is whisked off yet again to a damp green country called England What matters to Tigger when he leaves home And how does he cope with the unfamiliar Tigger's story is told through the sharply observant eyes of a cat in charge of his band of endearingly naive humans whose ideas he often finds puzzling but accepts with good grace In the background of the story Tigger's humans face their own struggles as they learn to adjust to their new surroundings but they really aren't that important Tigger's experience is what really counts Tigger Memoirs of a Cosmopolitan Cat is a tale for all who like animals and respect them for who they are embracing their individualities but also for those who recognise the benefits of a happy harmonious family life for the wellbeing of all creatures *Tiger, the Autobiography of a Cat* Nelda Rife Knelson, 1975 Tiger the cat recounts the love of his family and the events which led to his passing at age seventeen **Unlikely Cat Lady** Nina Malkin, 2007-01-01 A Brooklyn woman who has it all gets a lot more than she bargained for when a family of wild cats moves into her backyard This hilarious and heartwarming memoir follows author Nina Malkin's obsessive attempts to serve protect and befriend the feral colony as she reluctantly comes to terms with being a crazy cat lady Packed with insights and information on feline behavior and the nuts and bolts of cat caretaking this book brings the feral cat epidemic home in all too human terms **The Cat with Three Passports** CJ Fentiman, 2020-11-02 A girl struggling to fit in A homeless kitten An unexpected job offer in an unfamiliar country that changes everything CJ had a long history of escaping places and people she wasn't fond of But for the sake of a silver tabby she decided to stay in Japan for a while This decision helped her open up her heart and mind revisit her way of thinking and reconnect with her estranged family Let this heartwarming memoir take you to the land of cats and cherry trees as you read about CJ's adventures from the craziness of the naked men festival the experience of forest bathing and the significance of finding a life purpose or ikigai to the temples of Takayama and wonders of Cat Island you'll see what a homeless kitten found outside a temple in Japan taught her about an old culture and new beginnings Memoirs of a Ginger Cat Curt Scarborough, 2024-12-12 This book written by Leonardo De Cattio as told to Curt Scarborough contains 21 humorous short stories describing the adventures and reflections of a loquacious cat from North Dakota who migrates to Missouri via Florida The Autobiography of Foudini M. Cat Susan Fromberg Schaeffer, 2011-08-24 I came into the world like everything else that is born willy nilly So the wise old housecat Foudini begins the delightful story of his life It is the tale of his orphaned kittenhood of how he was rescued cowering and spitting and hissing from a damp city basement and lured into the lives of the couple he came to call Warm and

Pest All cats like to make up strange names for things It is the story of how Warm and Pest became his people Human beings must be excellent mousers they have such patience of how he learned to tolerate and then to love his dog Sam and of his adventures at Cold House in the city and Mouse House in the country he prefers Mouse House for obvious reasons With feline equanimity he tells how he was saved from a racing swollen river of how he lost the most unlikely and dearest friend he had and of how he gained a cat family of his own And he regales us with news of the ghost cats who visit him in his dreams the cats of Cleopatra and Freud among them bringing him their ancient cat wisdom which Foudini tries none too successfully at first to impart to Grace the sleek and beautiful gray country cat new to the household As Foudini sees it Grace is desperately in need of his guidance but being young and willful she has other things on her mind Yet even Grace comes to understand that Foudini M Cat is well worth listening to Warm and witty and possessed of a surprisingly sophisticated narrative manner Foudini is a cat with truly irrepressible and irresistible feline flair *The Black Cat* Adrian Bury,1947
