Women's Travel Writings in Italy, Part II vol 6 Jennie Batchelor, Donatella Badin, Julia Banister, Betty Hagglund, 2024-10-28
Chawton House Library Women's Travel Writings are multi volume editions with full texts reproduced in facsimile with new scholarly apparatus. The texts have been carefully selected to illustrate various themes in women's history. Science Fiction Literature through History Gary Westfahl, 2021-07-19. This book provides students and other interested readers with a comprehensive survey of science fiction history and numerous essays addressing major science fiction topics, authors' works, and subgenres written by a distinguished scholar. This encyclopedia deals with written science fiction in all of its forms, not only novels and short stories but also mediums often ignored in other reference books, such as plays, poems, comic books, and graphic novels. Some science fiction films, television programs, and video games are also mentioned, particularly when they are relevant to written texts. Its focus is on science fiction in the English language, though due attention is given to international authors whose works have been frequently translated into English. Since science fiction became a recognized genre and greatly expanded in the 20th century, works published in the 20th and 21st centuries are most frequently discussed, though important earlier works are not neglected. The texts are designed to be helpful to numerous readers, ranging from students first encountering science fiction to experienced scholars in the field.
