Tis Pity Shes A Whore New Mermaids:

The Pleasures and Horrors of Eating Marion Gymnich, Norbert Lennartz, 2010 Browsing through books and TV channels we find people pre occupied with eating cooking and competing with chefs Eating and food in today s media have become a form of entertainment and art A survey of literary history and culture shows to what extent eating used to be closely related to all areas of human life to religion eroticism and even to death In this volume early modern ideas of feasting banqueting and culinary pleasures are juxtaposed with post 18th and 19th century concepts in which the intake of food is increasingly subjected to moral theological and economic reservations In a wide range of essays various images rhetorics and poetics of plenty are not only contrasted with the horrors of gluttony they are also seen in the context of modern phenomena such as the anorexic body or the gourmandizing b te humaine It is this vexing binary approach to eating and food which this volume traces within a wide chronological framework and which is at the core not only of literature art and film but also of a flourishing popular culture

The Collected Works of John Ford Brian Vickers, 2023-07-20 Volume IV of the Collected Works of John Ford is the first of two volumes in the series to contain his sole authored plays It contains three of his most celebrated plays *Tis Pity She s a Whore* 1622 *The Lovers Melancholy* 1628 and *The Broken Heart* 1629 as well as the less well known *The Queen* 1629 The volume opens with a general introduction to Ford s work as a sole author by Sir Brian Vickers and each play is given a detailed introduction emphasizing Ford s linguistic creativity and his effective use of the indoor private theatres Authoritative old spelling texts freshly edited from the original quartos with full textual collations are accompanied by a full commentary on all aspects of the plays from archaic or obsolete words to classical allusions and historical references to people places and social customs

Tis Pity She's a Whore John Ford, 2014-05-29 Like Shakespeare s Juliet Annabella accompanied by her down to earth nurse is introduced to a series of suitors to her hand Like Juliet she finds all of them unsatisfactory and rightly so for the audience know that the nastiest of them is having an affair with her domineering aunt Like Juliet Annabella is wooed by a sensitive and passionate young man whose love she returns but this young man happens to be her own brother Giovanni When they consummate their love and she to avoid the scandal of extramarital pregnancy agrees to marry her aunt s lover the tragic outcome is inevitable John Ford writing his psychologically powerful and intellectually challenging tragedies in the early years of King Charles I s reign is a playwright of the first rank as 20th century directors have shown both in the theatre and on film

The Collected Works of John Ford Brian Vickers, 2023-06-15 Volume IV of the first collected edition since 1869 of the works of the major Jacobean author John Ford All texts have been freshly edited from the original Quarto editions which have been collated to identify press corrections

Hopkins, 2002-09-23 This book focuses on female tragic heroes in England from c 1610 to c 1645 Their sudden appearance can be linked to changing ideas about the relationships between bodies and souls men s bodies and women s marriage and mothering the law and religion Though the vast majority of these characters are closer to villainesses than heroines these plays by showing how misogyny affected the lives of their central characters did not merely reflect their culture but also changed it **A Woman Killed with Kindness and Other Domestic Plays** Martin Wiggins, 2008-05-08 This unique edition brings together four plays concerned with domestic themes Arden of Faversham Heywood s A Woman Killed with Kindness and The English Traveller and Dekker Rowley and Ford s The Witch of Edmonton Texts are in modern spelling accompanied by a critical introduction wide ranging annotation and bibliography **Renaissance Drama and a Modern Audience** Michael Scott, 1982-07-08 **Desire and Dramatic Form in Early Modern England** Judith Deborah Haber, 2009-04-09 This wide ranging study uses close readings of texts by Marlowe Shakespeare Webster Middleton and Ford to investigate the intersections of erotic desire and dramatic form in the early modern period considering to what extent disruptive desires can successfully challenge change or undermine the structures in which they are embedded *Edward II Revised* Christopher Marlowe, 2014-07-31 Dramatically compressing the reign of Edward II and enlivening the historical narrative with humour romance and horrific violence Marlowe interrogates how the transgression of accepted codes of behaviour affects even those at the highest level of society Kept off the stage for almost three hundred years because of its dramatization of explicit homosexual relationships it has become increasingly popular with modern day readers and performed on stage and film to great acclaim This student edition contains a completely new introduction by Stephen Guy Bray and offers students a useful and lively overview of recent criticism an updated performance history paying greater attention to Derek Jarman s film a background on the author and themes as well as an updated bibliography and a fully annotated version of the playtext
