DESCRIPTION

COPY LINK: <https://pdf.bookcenterapp.com/slide/0452266033> From the bestselling author of *The Mind Map Book*, proven mind mapping techniques to help you raise all levels of your intelligence and creativity, based on the latest discoveries about the human brain.

Using the latest research on the workings of the human brain, Tony Buzan, one of the world's leading authorities on learning techniques, provides step-by-step exercises for discovering the powers of the right side of the brain and learning to use the left side more effectively. By increasing our understanding of how the mind works, he teaches us:

- How to read faster and more effectively
- How to study more efficiently and increase overall memory
- How language and imagery can be used for recording, organizing, remembering, creative thinking and problem solving.

This completely updated Third Edition of a classic work provides a proven way of using our brains to their fullest potential and to our best advantage.
