A Tale of Two Truckers Rolene, 2012-08-03 *A Tale of Two Truckers* tells the story of the transition of the author from a perfectly normal life into the predominantly male operated trucking industry in the early 1980 s and the trials she endured. The story takes you back to a lifestyle and time many young people today could never imagine because there was little technology not even mobile phones. The tale reveals the relentless struggles and challenges she faced along with her partner Randy and her dog named Hooter as they ventured forth to secure a career in the trucking industry. She finds herself in unimaginable and sometimes frightful predicaments taking her readers with her into a world they never knew existed. Maintaining her sense of humor throughout the ordeal she is not afraid to tell it like it was something her trucker partner Randy never would have done. **Fairing Well** Christian Gelzer, 2011 *Ultra-Custom Semi Trucks* Bette S.
