From the New York Times bestselling authors of *THE PACT*, Drs. Sampson Davis, George Jenkins and Rameck Hunt discovered early in their friendship that they shared a disturbing trait: as children they navigated dangerous inner city life without a father's guidance. In spite of this, they escaped delinquency and crime to form the Pact, dedicated to putting themselves on the road to success. Now the Three Doctors make a new promise to set aside their resentment and rebuild the relationships with their fathers; men they barely recognize. Told in alternating voices between father and son, *The Bond* explores the hard lessons of growing up without a father and suggests ways to stem the tide of fatherlessness in communities across the country. Honest, brave and poignant, *The Bond* is a book for every child and every family. **The Autocar**, 1988.
