True to Life Michael P. Lynch, 2005-08-05 Why truth is important in our everyday lives Why does truth matter when politicians so easily sidestep it and intellectuals scorn it as irrelevant Why be concerned over an abstract idea like truth when something that isn't true for example a report of Iraq's attempting to buy materials for nuclear weapons gets the desired result the invasion of Iraq In this engaging and spirited book Michael Lynch argues that truth does matter in both our personal and political lives Lynch explains that the growing cynicism over truth stems in large part from our confusion over what truth is We need to think our way past our confusion and shed our cynicism about the value of truth he writes Otherwise we will be unable to act with integrity to live authentically and to speak truth to power True to Life defends four simple claims that truth is objective that it is good to believe what is true that truth is a goal worthy of inquiry and that truth can be worth caring about for its own sake not just because it gets us other things we want In defense of these truisms about truth Lynch diagnoses the sources of our cynicism and argues that many contemporary theories of truth cannot adequately account for its value He explains why we should care about truth arguing that truth and its pursuit are part of living a happy life important in our personal relationships and for our political values

The Positive Thinking Secret Aaron Kennard, 2014-02-27 In 2011 having found success in his real estate business Aaron felt stagnant and bored in his business and life Then one night during a month long struggle with a painful sore throat he had an epiphany He found that by using each painful swallow as a reminder to express gratitude he was able to transcend emotional lethargy into a euphoric state of joy A shift occurred that night in his mind which infused him with a deep enthusiasm and passion for life Aaron discovered how to live a truly amazing life regardless of all circumstances and from then on stopped having bad days altogether Instead he woke up thrilled to be alive every day This led him to create the company Truly Amazing Life Inc with the purpose of teaching people that This Is A Truly Amazing Life and There Is No Bad Day Aaron's passion for living gave him the desire to help others learn to live a Truly Amazing Life also despite any and all circumstances they find themselves in Then on July 29 2012 triggered by the stress of his fourth child's birth the day prior Aaron's body was overtaken and progressively ravaged by the chronic bowel disease Ulcerative Colitis As he experienced massive amounts of pain and suffering every belief he had begun teaching was thrown into a furnace to be destroyed or refined Through months of painful despair and questioning everything Aaron's beliefs were put through the ultimate test He lost 50 pounds in 3 months of deterioration and weighed only 128 lbs at 6'2" tall barely able to stand and quickly starving to death Will Aaron's convictions withstand this ultimate test Can he truthfully say There Is No Bad Day
