Usher Ministry Training Manual:

Ushering with a Mission VICTOR L. DAVIS, 2012-10 As we enter our church the first person we often see is the usher While many may look at the position of usher as simply a social one it can be so much more In Ushering with a Mission author Victor L Davis presents the first comprehensive guide specifically addressed to the needs of the usher The traditional approach to ushering focused on the task of meeting seating and greeting worshippers The typical training manual addressed techniques ushers should use in carrying out those duties Davis s Ushering with a Mission goes a step further and emphasizes the importance of disciplining the individual usher Ushering is viewed as a ministry rather than a committee or board activity The ministry of ushering is approached from a Christ centered biblical perspective Ushering is not something we simply do because It s our Sunday to usher We do it because it is a lifestyle resulting from the overflow of the Spirit filled life Ushering with a Mission stresses the importance of Bible study prayer and personal evangelism with nonbelievers Ushers will find fellowship with other believers in the Body of Christ as they explore ways to fulfill the great commission and commandment of our Lord and Savior Jesus Christ

The Art of Becoming Ushers and Greeters of Excellence Rick Gillespie-Mobley, 2016-12-23 The goal of this book is to produce excellence in your usher and greeter ministry if your ministry is already established If you are just starting as a church this book provides teaching and instruction for ushers and greeters as well as providing insight and solutions to problems that are going to arise in the life of the church It provides examples of how different churches handle different situations so that you can choose the method which will be most effective for you This book is helpful for any usher and greeter to read so as to become more effective in the ministry God has for them Ushers and greeters are very important in the life of the church The better trained they are the better position the church will be in to grow by retaining more of the guests who visit the church

Ushering 101 Dr. Buddy Bell, 1998-11-17 Ushering in the local church is much more than just shaking hands and passing offering plates Fulfilling your role as an usher is just as important to the body of Christ as that of a prophet teacher or evangelist This book covers both the biblical and the practical aspects of church ushering Buddy Bell founder of Ministry of Helps

The Usher's Manual Leslie Parrott, 1970 From the perspective of a veteran pastor and communicator Dr Leslie Parrott describes the function of the usher and provides practical and Scriptural guidelines on how this vital role in the church may be carried out with grace and efficiency

Ushering with a Mission Victor L. Davis, 2004-07 Although this training manual seeks to address the proper protocol to be employed while the usher carries out his or her duties Davis emphasizes the importance of ushering from a Christ centered biblical perspective Church Administration Pastoral Resources

The Ministry of Ushering Mark Moore, 1986-05 Developing the qualities that make ushering one of the most important functions in the church

The Ushers, Protocols And Greeters That Every Church Needs Albert O. Aina, 2018-05-19 I started writing this book in 1994 That was the year the LORD graciously commissioned me to raise for Him Quality leaders I started with Ministers and Pastors workshop

Training for ushers was the second assignment I handled among the three fold mandates the LORD gave me in 1994 But no book was written by me back then neither did I come across any specialized book on Ushers Greeters and Protocols in one volume 20 years ago I have been privileged to conduct Training courses across the length and breadth of Nigeria on Ushering ministry for 20 years I have interacted with over 400 churches from over 280 denominations in conferences and seminars but I never wrote a book on this topic Our outfit Christian Leadership Skills have been involved in mass training for ushers in churches that counted 120 000 on Sundays with Ushers workforce of about 4 000 I have written 36 books todate but none on Ushers Protocol and Greeters until now A particular mega church invited us to deliver training for ushers and crowd controllers twice within three months in their headquarters church Their invitation came a bit late I could not be there physically I didn t have a book on Ushers or crowd control Only a manual Churches get confused on the role of ushers as different from protocol officers I have witnessed ushers and protocols fight for territories in churches A particular church head usher insists that he must stay side by side with the protocol officer by the altar very close to the anointed There was no book to show where each belong A particular ministry scrapped the word Ushers from the list of ministries The General Overseer banned the entire ushers from officiating in the length and breadth of the church His reason Brethren have the Holy Spirit to direct them No need for Ushers and the church went on smoothly thereafter I had no book to give to the man of God No book I could give until 20 years later Who are Ushers Who are Protocol officers Who are Greeters Who are Traffic Controllers I didn t write any book to explain I only explain during workshop session Now the explanation has become handy
