National Library of Medicine Catalog National Library of Medicine (U.S.),1966 **A Demographic History of the Indonesian Archipelago** H. Gooszen,2021-12-06 The author offers a reconstruction of regional variations in the growth of the indigenous population of Indonesia from 1880 till the Japanese invasion in 1942 The demographic components of population growth migration fertility and mortality are not only presented as demographic statistics but also interpreted as the aggregate effects of major events in the lives of indigenous people Hence migration is described in relation to employment opportunities the social structure and tradition fertility is examined in the light of aspects of family formation including marriage customs and birth control practices and mortality is linked to epidemics and Western health care

Nederlands tijdschrift voor geneeskunde ,1961 **Catalogus van academische geschriften in Nederland verschenen** ,1958 **Catalogus van academische geschriften in Nederland verschenen** Rijksuniversiteit te Utrecht. Bibliotheek,1956 *A Demographic History of the Indonesian Archipelago, 1880-1942* A. J. Gooszen,2000 It is widely accepted that population growth in the final decades of colonial rule foreshadowed the accelerated growth observed in post colonial Asia Little is known however about the actual rates of growth and the considerable regional variations in demographic processes characterizing those final decades The author offers a reconstruction of regional variations in the growth of the indigenous population of Indonesia from 1880 till the Japanese invasion in 1942 The demographic components of population growth migration fertility and mortality are not only presented as demographic statistics but also interpreted as the aggregate effects of major events in the lives of indigenous people Hence migration is described in relation to employment opportunities the social structure and tradition fertility is examined in the light of aspects of family formation including marriage customs and birth control practices and mortality is linked to epidemics and Western health care
