Popular Pleasures Paul Duncum,2021-08-26 Today s many popular aesthetic pleasures have a very long history Paul Duncum considers the historical critical discourses and socio political issues raised by aesthetic pleasures in fifteen thematic chapters Using illustrative examples from the past present and across cultures he challenges the idea of any decline of cultural standards and argues that no grounds exist for cultural pessimism Refusing to condemn popular culture on the basis of taste he reserves critique for the socio political ideologies aesthetics invariably serve Art history film cultural studies and philosophical aesthetics are each employed to show that the sensory emotional lures of today s popular culture are mostly identical to those of premodern fine art They include the violent the horrific the sentimental the exotic the erotic and the humorous Some of these pleasures derive from our evolutionary biology they are all an important part of what it means to be human and central to understanding contemporary society Examples are wide ranging including British seaside postcards Disney films Nazi propaganda burlesque modern advertising as well as many exemplars of fine art The book reveals fresh insights for all those studying visual culture art history aesthetics media studies and media and art education **Queering the Middle Ages** Glenn Burger,Steven F. Kruger,2001 The essays in this volume present new work that in one way or another queers stabilized conceptions of the Middle Ages allowing us to see the period and its systems of sexuality in radically different off center and revealing ways While not denying the force of gender and sexual norms the authors consider how historical work has written out or over what might have been non normative in medieval sex and culture and they work to restore a sense of such instabilities At the same time they ask how this pursuit might allow us not only to re envision medieval studies but also to rethink how we study culture from our current set of vantage points within

postmodernity The authors focus on particular medieval moments Christine de Pizan's representation of female sexuality chastity in the Grail romances the illustration of the sodomite in manuscript commentaries on Dante's Commedia the complex ways that sexuality inflected English national politics at the time of Edward II's deposition the construction of the sodomitic Moor by Reconquista Spain Throughout their work seeks to disturb a logic that sees the past as significant only insofar as it may make sense for and of a stabilized present

**Unbuilt Utopian Cities 1460 to 1900: Reconstructing their Architecture and Political Philosophy** Tessa Morrison, 2016-03-09 Bringing together ten utopian works that mark important points in the history and an evolution in social and political philosophies this book not only reflects on the texts and their political philosophy and implications but also their architecture and how that architecture informs the political philosophy or social agenda that the author intended Each of the ten authors expressed their theory through concepts of community and utopian architecture but each featured an architectural solution at the centre of their social and political philosophy as none of the cities were ever built they have remained as utopian literature Some of the works examined are very well known such as Tommaso Campanella's *Civitas Solis* while others such as Joseph Michael Gandy's *Designs for Cottages* are relatively obscure However even with the best known works this volume offers new insights by focusing on the architecture of the cities and how that architecture represents the author's political philosophy It reconstructs the cities through a 3 D computer program ArchiCAD using Artlantis to render Plans sections elevations and perspectives are presented for each of the cities The ten cities are Filarete Sforzina Albrecht Dürer Fortified Utopia Tommaso Campanella The City of the Sun Johann Valentin Andreae Christianopolis Joseph Michael Gandy An Agricultural Village Robert Owen Villages of Unity and Cooperation James Silk Buckingham Victoria Robert Pemberton Queen Victoria Town King Camp Gillette Metropolis and Bradford Peck The World a Department Store Each chapter considers the work in conjunction with contemporary thought the political philosophy and the reconstruction of the city Although these ten cities represent over 500 years of utopian and political thought they are an interlinked thread that had been drawn from literature of the past and informed by contemporary thought and society The book is structured in two parts

*The Temple of Fame and Friendship* Annette Richards, 2022-09-20 This book examines the renowned portrait collection assembled by C P E Bach J S Bach's second son One of the most celebrated German composers of the eighteenth century C P E Bach spent decades assembling an extensive

portrait collection of some four hundred music related items from oil paintings to engraved prints The collection was dispersed after Bach's death in 1788 but with Annette Richards's painstaking reconstruction the portraits once again present a vivid panorama of music history and culture reanimating the sensibility and humor of Bach's time Far more than a mere multitude of faces Richards argues the collection was a major part of the composer's work that sought to establish music as an object of aesthetic philosophical and historical study The Temple of Fame and Friendship brings C P E Bach's collection to life giving readers a sense of what it was like for visitors to tour the portrait gallery and experience music in rooms thick with the faces of friends colleagues and forebears She uses the collection to analyze the portraiture aspect of Bach's music engaging with the influential theories of Swiss physiognomist Johann Caspar Lavater She also explores the collection as a mode of cultivating and preserving friendship connecting this to the culture of remembrance that resonates in Bach's domestic music Richards shows how the new music historiography of the late eighteenth century rich in anecdote memoir and verbal portrait was deeply indebted to portrait collecting and its negotiation between presence and detachment fact and feeling *Library Journal* Melvil Dewey, Richard Rogers Bowker, L.
