Craig, 2000-09-29 Is the Christian message of Jesus Christ and his resurrection true Using ten lines of historical evidence Dr Craig defends the probability that Jesus was resurrected following his crucifixion He examines the origin of the Christian movement and more provocative subjects such as the Shroud of Turin parapsychological phenomena and hallucinations

Did Jesus Really Rise from the Dead? Carl Olson, 2016-07-23 Major feature films such The Passion of the Christ and Risen and books such as Bill O Reilly s Killing Jesus raise many questions about one of the greatest controversies in history what really happened to the crucified body of Jesus of Nazareth Using a popular question and answer format this book examines the historical evidence concerning the fate of Jesus Did Jesus really die on the cross If so what became of his body Was it stolen Misplaced Is the resurrection a cleverly devised plot to found a new religion Did the disciples of Jesus hallucinate Is the Resurrection of Jesus a myth developed decades later after the original disciples experience of Jesus was distorted by a subsequent generation Or did Jesus rise from the dead as he promised and as his disciples came to believe and sacrifice their lives to proclaim Carl Olson carefully weighs the evidence with in depth analysis Whether you are a believer a skeptic or something in between be prepared to have your thinking challenged by this provocative and insightful book **Knowing**

the Truth About the Resurrection John Ankerberg, John Weldon, 2011-04-06 Throughout history people have tried to discredit Christianity by disputing the claim that Jesus Christ died and rose from the dead Is there evidence so persuasive that after careful evaluation skeptics and critics will realize the truth of the resurrection Unequivocally yes Join in this exploration of the events surrounding the resurrection including The historical and logical evidence supporting Christ s resurrection The accuracy and precision of Jesus predictions The resurrection s unequalled impact on the world This booklet provides a clear concise look at the resurrection It gives you the opportunity to understand and examine the evidence that is the foundation for biblical Christianity Did Jesus Rise From the Dead? Gary R. Habermas, Antony Flew, Terry L.

Miethe, 2003-12-04 This is the most important question regarding the claims of the Christian faith Certainly no question in modern religious history demands more attention or interest as witnessed by the vast body of literature dealing with the Resurrection James I Packer says it well in his response to this debate When Christians are asked to make good their claim that this scheme is truth they point to Jesus resurrection The Easter event so they affirm demonstrated Jesus deity validated his teaching attested to the completion of his work of atonement for sin confirms his present cosmic dominion and coming reappearance as Judge assures us that his personal pardon presence and power in people s lives today is fact and guarantees

each believer's own reembodiment by Resurrection in the world to come. The Apostle Paul considered the Resurrection to be the cornerstone of the Christian faith. If Jesus did not rise from the dead, the whole structure of Christianity collapses. Paul tells us in 1 Corinthians 15:14-17, "And if Christ has not been raised, our preaching is useless and so is your faith. More than that, we are then found to be false witnesses about God. And if Christ has not been raised, your faith is futile; emphasis added. The Christian faith and its claim to be Truth exists only if Jesus rose from the dead. The heart of Christianity is a living Christ."

The Resurrection Fact John J. Bombaro, Adam Francisco, 2016-10-31. In the first century, the resurrection fact faced both Jewish and Greek audiences with a challenge: the challenge of a new reality. Christ, the risen Lord. Since facts are by definition something that happened and this happening was witnessed, proclaimed, and recorded, the fact stands for all generations. In answering critics, a defense of the resurrection consists not only of a response by way of negation (e.g., Christianity is not this) but also through positive affirmations: this is Christianity. In this book, the reader will find both. However, it is our hope that the final word retained would be the one that stands for something rather than against something. Together, our words stand for something positive, not negative, namely the good news that the one true God has now taken charge of the world in and through Jesus and His death and resurrection. *Did the Resurrection Happen?* Gary R. Habermas, Antony Flew, 2009-04-29.

This book presents the full content of the third and final debate between philosopher Antony Flew, who was until 2004 one of the world's most prominent atheists, and Christian philosopher Gary Habermas. Included as well are transcripts of the Q&A session with the audience afterward, a 2004 conversation between Habermas and Flew shortly after Flew's much publicized change of position to theism, as well as editor David Baggett's assessment and analysis of the full history of Habermas and Flew's interactions.

Case for Christ Movie Edition Lee Strobel, 2017-02-28. The quest for the truth about history's most compelling figure. Now a major motion picture. *The Case for Christ* chronicles Lee Strobel's spiritual journey from atheism and former legal editor of the *Chicago Tribune* to faith in Jesus Christ. In this perennial classic of Christian apologetics, Strobel hunts for the truth about Jesus, his life, and resurrection, cross-examining a dozen experts and authorities in the fields of science, history, philosophy, and medicine. Strobel's tough point-blank questions are fast-paced and captivating as he attempts to find answers to the question: Is there credible evidence that Jesus of Nazareth really is the Son of God? This movie edition includes revisions and additions including updated material on archaeological and manuscript discoveries, fresh recommendations for further study, an interview with the author that tells dramatic stories about the book's impact, behind-the-scenes information, and responses to critiques of the book by skeptics. As *The Case for Christ* and its ancillary resources approach 10 million copies in print, this updated edition will prove even more valuable to contemporary readers. Not God Enough J.D. Greear, 2018-02-06. Pastor and author J.D. Greear reveals that the secret to a robust, passionate faith isn't getting all the right answers about God, but seeing God as the awesome, glorious, and infinite presence that He is. We like God small. We prefer a God who is safe, domesticated, who thinks like we think, likes what we like, and whom we can manage, predict, and

control A small God is convenient Practical Manageable For us thinking of God as so infinitely greater and wiser than we are and who would cause us to tremble in his presence is a leftover relic from an oppressive archaic view of religion But what if this small version of God we ve created is holding us back from the greatest experience of our lives from genuine confident world transforming faith In Not God Enough J D reveals how to discover a God who is big enough to handle your questions doubts and fears is not silent is worthy of worship wants to take you from boring to bold in your faith has a purpose and mission for you on earth is pursuing you right now The truth God is big Bigger than big Bigger than all the words we use to say big Only a God of infinite power wisdom and majesty can answer our deepest questions and meet our deepest longings God is not just a slightly better slightly smarter version of you God is infinite and glorious and an encounter with Him won t just change the way you think about your faith It ll change your entire life **Surprised by Faith** Dr. Don Bierle,2017-02-01

Surprised by Faith will strengthen your own faith in God in the reliability of the Bible and in the truth of Jesus Christ Billy Graham Billy Graham Evangelistic Association The world is changing so rapidly that many are shaken with uncertainties This is compounded by an erosion of confidence in absolute truth and traditional values The result is a floundering search for a reliable source of purpose and meaning in life Fear not anticipation fills some hearts as people think about the future Some contend that turning to faith is anti intellectual God is about religion they say a crutch for the weak These are mere caricatures resulting from ignorance This book confronts false stereotypes and examines the astonishing body of scientific and historical evidence supporting the truth that God exists and cares about people s future This is the Gospel with evidence As a college student amid academic success and athletic achievement Don Bierle began searching for answers to the important questions of life He found there is more to life than what can be seen touched and measured Using the scrutiny and logic of his scientific training he tested the foundations for faith and was surprised and changed by the answers he discovered Hundreds of thousands of people have now discovered these answers through his book Surprised by Faith For them the discovery has been an Ah ha experience resulting in transformation and a life of peace and hope Easter Unwrapped John W. Telman,2019-01-11 It was through tear filled eyes that I read this book captivated and encouraged by the scriptures and stories that John Telman shares throughout it Easter Unwrapped is a powerful encouragement to believers a powerful tool for those who are wavering in their faith and an anointed witness to those who don t know Jesus and the power of His Resurrection After reading this book I can t imagine anyone ever doubting God s love for them Millie Gray Kansas City police officer and Sergeant in the United States Air Force Life is so much more than merely the physical You are more than a body When life hits you between the eyes when you feel the darkness of death around you when you re faced with trouble that drains the life out of you remember Resurrection Sunday Easter Unwrapped presents eleven insights into just how significant the resurrection of Jesus is to everyone Easter is the day that changed everything and it s more than chocolate and bunny rabbits It s about life **The Dawn of Christianity** Robert J. Hutchinson,2017-03-14 Drawing upon

the most recent discoveries and scholarship in archaeology and the first century Near East The Dawn of Christianity reveals how a beleaguered group of followers of a crucified rabbi became the founders of a world changing faith How did Christianity truly come to be Where did this worldwide faith come from The Dawn of Christianity tells the story of how the first followers of Jesus survived the terror and despair of witnessing the one they knew to be the messiah God's agent for the salvation of the world suddenly arrested tried and executed Soon after Jesus death his relatives and closest followers began hearing reports that Jesus was alive again reports that even his most loyal disciples at first refused to believe Using the most recent studies by top Christian and secular scholars Robert Hutchinson known for his popular books on Christianity and Biblical Studies reconstructs all of the known accounts of these early resurrection appearances and follows the witnesses to the resurrection as they experience brutal persecution at the hands of zealots such as Saul of Tarsus and then become committed evangelists to the major population centers in Antioch Damascus Rome and Athens and ultimately across the world A riveting thriller of the most improbable history changing movement imaginable The Dawn of Christianity brings to life the compelling story of the birth of Christianity God Makes Sense Gordon Wong,2008 **Hope's Reason: A Journal of Apologetics Vol. 1 No. 1** Stephen J. Bedard (editor),2011-02-05 In an increasingly skeptical world there is now more of a need than ever for quality apologetic resources defending the Christian faith The purpose of this journal is to bridge the gap between the academy and the church equipping pastors and interested laypeople to present the Christian faith to an unbelieving world **New Testament Survey** Merrill C. for Jesus resurrection to his development of the Kalam cosmological argument for the existence of God Craig is respected among his peers on the Christian side of the religious spectrum But is that deserved What s at the core of these arguments Are they philosophically sound More importantly is this Unreasonable Faith an excellent destruction of W L Craig s entire apologetics Cogently argued and factually accurate this is required reading for anyone keen to question the soundness of anything W L Craig has argued over the decades Which makes it an invaluable resource for refuting Christian apologetics generally Richard Carrier author on the historicity of Jesus This book should be required reading for anyone who is proposing to debate William Lane Craig on the existence of God It should also be something that those who debate Craig on that topic advertise this book gives an accurate idea of the amount of material that needs to be provided to begin to address the usual panoply of arguments that Craig puts forward in a debate Professor Graham Oppy Monash James Fodor has a graduate degree in physics at the University of Melbourne and is a research assistant in structural biology at Monash University With a keen interest in philosophy he writes for the Rationalist magazine on various subjects in religion and epistemology As president of the University of Melbourne Secular Society he has engaged in numerous discussions and public debates concerning religion with a focus on secular morality and the evidence for the resurrection of Jesus He also has a keen interest in effective altruism and computational neuroscience *A Simple Guide to Experience Miracles* J.
