The Song At The Scaffold:

The Song at the Scaffold Gertrude Von Le Fort, 2011 This is a classic novelette set in the time of the French Revolution an epoch that vividly demonstrated man's capacity for both heroism and brutality It is an intense and compelling drama based on the true story of the Carmelite nuns at Compeigne beheaded during the last few days of the Revolution but also encompassing the Paris mob the Reign of Terror women revolutionists etc climaxing in the heroic martyrdom of sixteen Carmelites This story unfolds around Blanche de la Force who enters the Carmelite convent amid the horror of the French Revolution Blanche is so timorous that she seems unsuited to the rigors of religious life even at the best of times and badly misplaced as the Reign of Terror begins to stain France with the blood of martyrs Sister Marie one of the leading nuns in the convent receives with joy the death threats of the revolutionaries the sisters are going to be awarded the crown of Christian martyrdom Sister Marie prepares the other nuns for this fearsome sacrifice all the while harboring doubts about Blanches ability and willingness to join them in dying for Christ Blanches life thereafter and the story of the nuns take several unexpected twists leaving you not only with the inspiring true witness of their martyrdom but also with a penetrating insight into the nature of holiness As our world is engulfed anew in terror and hatred for the Christian faith *The Song at the Scaffold* will inspire us with a renewed and fervent love for God

Gertrud von Le Fort's "The Song at the Scaffold". The Irony of Marquis' Sympathy for the French Revolution Amos Wesonga, 2018-09-17 Essay from the year 2017 in the subject American Studies Comparative Literature grade University of the West of England Bristol language English abstract The three characters Marie Marquis and Blanche have their lives in irony revealing the surprising facts of the revolution personal fears and the instances of martyrdom Marie desires salvation and works for it She sacrifices her whole life to have even the smallest level of religion dwell in her but in the end contrary to expectations she gives in and admits that maybe her desires were not in God's plan She resigns to fate Blanche on the other hand is fearfully right from birth Expectedly she will live all her life in fear not having the courage to outdo her drawbacks and to the author's surprise she overcomes her phobia to religion and is a Carmelite Marquis is a liberal thinker who supports the abstract ideologies of the revolution which he does so blindly The challenge that he faces with that is that in theory the revolution is a great deed however when it materialises it is ironical There is lots of death and breach of ideologies coupled with the double standard that hurt him deeply The truth stands that he is not for such kind of deeds even though he supported the unsanctioned approaches to the revolution

The Song at the Scaffold Gertrud Von Le Fort, 2020-04-24
The point of departure for my creation was not primarily the destiny of the sixteen Carmelites of Compiègne but the figure of the young Blanche Born in the profound horror of a time darkened by the signs of destiny this figure arose before me in some way as the embodiment of the mortal agony of an era going totally to its ruin Gertrud von le Fort Set during the French Revolution this classic novella is based on the true story of the Carmelite nuns of Compiègne who offered their lives for the

preservation of the Church in France The story unfolds around the fictional character of Blanche de la Force an excessively fearful aristocrat who enters the Carmelite convent in order to flee the dangers of the world As the Reign of Terror begins Blanche is no safer in the convent than in the streets of Paris and some of the sisters begin to doubt her ability to endure persecution and possibly martyrdom The fates of Blanche and the other Carmelites take several unexpected turns leaving the reader with an inspiring witness not only of martyrdom but of God's power being glorified in human weakness The Song at the Scaffold Gertrud von Le Fort,1933 *The Song of the Scaffold* Gertrud von Le Fort,1933 *The song at the scaffold* Gertrud Freiin von Le Fort,1961 Saints in the Limelight Siglind Bruhn,2003 Table of contents **The Song at the Scaffold** Gertrud von Le Fort,2001 Amid the horror of the French Revolution timorous Blanche de la Force enters a Carmelite convent Blanche seems horribly misplaced as the Reign of Terror begins to stain France with the blood of a new generation of Catholic martyrs Then a revolutionary threatens the sisters they are going to be awarded the crown of martyrdom As the other nuns prepare for this height of holiness Blanche's superiors doubt her ability to make this ultimate sacrifice The story takes many twists from there leaving you not only with the inspiring true example of the sisters martyrdom but also with a penetrating insight into the nature of holiness **Teacher's Manual to the Song at the Scaffold by Gertrud Von Le Fort** Martin McMurtrey (S.M.),Robert Knopp (S. Gertrud Le Fort, Song at the Scaffold Emmet Lavery,1949 It tells of sixteen Nuns of the Carmelite Community at Compiègne who went to their death at the guillotine in the days of the French Revolution In particular it tells the story of one Sister who was eager for martyrdom and the story of a younger Sister who was afraid to face the possibility of martyrdom Yet in the end the younger Sister outgrows her fears and achieves the crown of martyrdom which is denied the older Sister p 3 **Song at the Scaffold** Emmet Lavery,1949
