Chuck McCutcheon,David Mark,2016-02-02 The only time most Americans care anything about politics is during the presidential election cycle This quadrennial flood of posturing and blame once confined to the July conventions and the November election has spread like a greasy lake across the landscape and calendar of our politics From the first exploratory rumblings of the hopefuls sometime after the midterm elections to the tsunami of Super Tuesday the political language of the presidential election has become a reflecting pool of our polity Doubletalk casts a warm ray of sunlight on the campaign trail as an add on to last year s Dog Whistles Walk backs and Washington Handshakes with over 100 new terms phrases and epithets combining wit humor truth and dubious taste and propriety *Tales from the Crib* DeeDee Filiatreault,2016-11-01

Tales from the Crib will make all parental units feel better about themselves no vegetables required Let s be honest Nobody wants to sit next to that chipper mom at playgroup who knows everything Please You want to plop down by the mom who s just as clueless and cranky as you are and have a good hearty conspiratorial laugh together Because that mom gets it That mom makes you feel better That mom isn t afraid to admit that chicken nuggets are one of her household s major food groups though she is fraught with guilt over it That mom is just like you That mom is DeeDee Filiatreault a regular housewife with fairly normal kids if there is such a thing But unlike you she writes all her ridiculous family stuff down for her newspaper column and blog with wit snark heart faith and far fewer swear words than she s probably thinking Her writings have yet to appear in the New Yorker or HuffPo she doesn t go on morning shows to dole out parenting advice mainly because she doesn t really have any and she doesn t have a weird new hook for a mom oir like how she survived a year of family dumpster diving

or co parenting her children with wolves She doesn't have eighteen kids either just two And oh yeah only one husband as required by state law This collection of DeeDee's favorite columns and writings spans her first near decade in the mom business Reading it is like plunking down next to that funny mom at playgroup You'll laugh You'll cry You'll feel less lonely in this thing And you may even feel a little superior That alone might be worth the price tag Just come and sit down next to her

[Rooted Leadership](#) John Johnson, 2022-06-14 Behind many of the challenges facing us today is a failure of leadership This is not a new problem Yearning for wise guidance and effective authority is a perennial human longing We need leaders who are credible competent and committed But many leaders seem to be caught up even consumed with their own power and agendas Some see the leadership crisis as an intellectual problem believing we lack a clear theory of leadership Others view the breakdown of leadership as a result of increasing deficiency in moral character Most leadership books today revolve around the concepts of motivation inspiration empowerment and teamwork Helpful as these themes might be they miss something more

fundamental Leadership needs a theological foundation that will be useful for shaping the undergirding principles and evaluating current leadership theories and practices We need to view leadership from the vantage point of God In Rooted Leadership John E Johnson explores how Christian theology provides an overarching leadership framework and applies that theory to leadership practices Spiritual reflection guided by scripture points us to the very center of leadership God and the purpose of leadership that we might display his glory All the best forms of leading take their cues from who God is his purposes and his ways of working with people that he has progressively revealed Building on three decades of research study and experience as a global leader Johnson surveys the landscape of contemporary leadership theory unpacks the assumptions and beliefs that underly current trends and responds by offering a robust approach to leadership founded on the character work and words of God
