Experiencing the Spirit Henry Blackaby,Mel Blackaby,2009-02-17 The first Christians turned the world upside down Acts 17 6 shaking the gates of hell even in the face of severe persecution The result People all around were filled with wonder and amazement Acts 3 10 What can give Christians today the same impact God s Holy Spirit is ready to answer that for us in an awesome way as Henry Blackaby and his son Mel Blackaby make clear in Experiencing the Spirit You ll see how the proof of the Spirit s presence is our awareness of God s personal assignments for us plus our supernatural enablement to carry out those assignments You ll find essential clarification on the difference between natural talents and spiritual gifts You ll explore the dynamics of being filled with the Spirit through intimate relationship with Him committed obedience and radical departure from sin Instead of considering what you can do for God with your abilities and talents you ll be encouraged here to seek what God wants to do through you supernaturally by His Spirit empowering you beyond your personal competence and capacities Release the Holy Spirit s work at the very core of your experience of the Christian life as He releases you to serve God as never before Living in the Spirit and Power of Pentecost Tim Hill,2018-08-08 The Spirit of Atonement Steven M. Studebaker,2021-01-14 Steven M Studebaker proposes a Pentecostal approach to a major Christian doctrine the atonement The book moves Pentecostal theology of the atonement from a primarily Christocentric and crucicentric register to one that articulates the pneumatological and holistic nature of Pentecostal praxis Studebaker examines the irony of Classical Pentecostalism relying on the Christocentrism of Protestantism evangelical atonement theology to articulate its experience of the Holy Spirit as well as the Pneumatological nature of Pentecostal praxis He then develops a Pentecostal theology of atonement based on the biblical narrative of the Spirit of Pentecost and returns to re imagine an expanded vision of Pentecostal praxis based on the theological formation of the biblical narrative The result is a Pentecostal atonement theology that shows the integrated nature of pneumatology creation and Christology in the biblical narrative of redemption It gives theological expression to not only the pneumatological nature of Pentecostal praxis but also

the fundamental role of the Holy Spirit in the biblical narrative of redemption The book challenges popular western atonement theologies to re think their Christocentrism and crucicentrism as well as their atomistic tendency to separate soteriology into objective Christological and subjective pneumatolgical categories **Spirit Hermeneutics** Keener,2016 How do we hear the Spirit s voice in Scripture Once we have done responsible exegesis how may we expect the Spirit to apply the text to our lives and communities In Spirit Hermeneutics biblical scholar Craig Keener addresses these questions carefully articulating how the experience of the Spirit that empowered the church on the day of Pentecost can and should dynamically shape our reading of Scripture today Keener considers what Spirit guided interpretation means explores implications of an epistemology of Word and Spirit for biblical hermeneutics and shows how Scripture itself models an experiential appropriation of its message Bridging the Word Spirit gap between academic and experiential Christian approaches Spirit Hermeneutics narrates a way of reading the Bible that is faithful both to the Spirit inspired biblical text and the experience of the Spirit among believers from book flap The Full Blessing of Pentecost Andrew Murray,2005-01-01 We believe it we preach it we strive for it but still for many the kind of free flowing life in the fullness of the Spirit is more dream like than reality *Plain Papers on the Doctrine of the Holy Spirit* C. I. Scofield,2006-06-01 Until the day of Pentecost the disciples who had received by the outbreathing of Christ the indwelling Spirit waited for His coming upon them and when that day was fully come with the outward manifestations of sound and flame He came They were baptized with the Holy Ghost and not only baptized but filled with the Holy Ghost from Plain Papers on the Doctrine of the Holy SpiritIn the late 19th century a new fascination with Pentecostalism gripped American Christianity one that continues to this day to influence fundamentalist interpretations of the Bible This 1899 book a literal reading of Scripture offers Christians the path to a direct relationship with the Holy Spirit From the nature of this being to the absolute necessity of all Christians to commune with it this is a vital historical work that all students of the Bible will want to read OF INTEREST TO Bible study groups seekers after wisdomAUTHOR BIO American clergyman CYRUS INGERSOLL SCOFIELD 1843 1921 a Civil War veteran who fought for the Confederacy was a lawyer until his evangelical conversion in 1879 after which his life was consumed with preaching and missionary work In 1890 he founded the Scofield Bible Correspondence Course and he wrote numerous works of Biblical analysis and other fundamentalist issues The Way to Pentecost Samuel Chadwick,2007-01-01 As the young pastor of a self satisfied English congregation in the 1880s Samuel Chadwick was so frustrated over his lack of power in the pulpit that he collected his sermons in a pile and set fire to them The result was immediate The Holy Spirit fell on him The Full Blessing of Pentecost: the One Thing Needed Andrew Murray,2010-01-31 The life the disciples and early Christians lived after Pentecost is the life promised to all Christians In The Full Blessing of Pentecost Andrew Murray shows what we can learn from their example Discover the power of denying the ego and its wordliness so that you and your church may be filled by the Holy Spirit Learn the one great obstacle to the blessing and how to deal with it Andrew Murray reveals

how the Spirit of Pentecost may be kept increased and maintained until it comes to its full manifestation This he shows from Scripture is God s promise to all believers **The Mystery of Pentecost** Raniero Cantalamessa,2001 These meditations present the mystery of Pentecost from Luke in Acts John in his Gospel and Paul in his Letters By placing these diverse but complementary points of view together Cantalamessa provides priests students and interested lay people with a three dimensional image of the coming of the Spirit particularly suited to promote catechesis and devotion Fr Cantalamessa originally presented these meditations in his capacity as preacher to the papal household Chapters are And They Began to Speak in Different Tongues The Lukan Pentecost and the Spirit of Unity You Will Receive Power When the Holy Spirit Comes Upon You The Lukan Pentecost and the Spirit of Prophecy He Breathed on Them and Said Receive the Holy Spirit The Johannine Pentecost and the Spirit of Truth But One and the Same Spirit Produces all of These The Pauline Pentecost and the Person of the Holy Spirit **Transmitting the Spirit in Missions** Amos Jimmy Markin,2019-02-05 Transmitting the Spirit in Missions The History and Growth of the Church of Pentecost discourses on how Pentecostalism in general has been involved in the current growth mission and changing face of global Christianity It argues that African Pentecostals particularly are an integral part of the global expansion of Christianity in this century Specifically this book engages the history and growth of the Church of Pentecost an African Pentecostal denomination from Ghana to demonstrate how African Pentecostals have taken their spirituality into their own hands and planted churches in their home country as well as other parts of the globe The focus of this book is that African Pentecostals have achieved this feat through the experiential power and reliance of the Holy Spirit and the indigenous factor The specific highlight is that this book is an updated analysis of the history growth and missions of the Church of Pentecost Although this work is transformed from a PhD thesis the content is presented accessibly to both the academia and general church populace both pastors and the laity The Spirit Bade Me Go Duplessis David,2004-11 He was called Mr Pentecost Davis du Plessis was a man raised up by God for a specific mission That mission was to boldly give testimony of the power of the baptism in the Holy Spirit to the leaders of the World Council of Churches at the height of the Pentecostal Movement The Spirit Bade Me Go contains the transcribed talks and messages given by brother du Plessis as he ministered in conferences and services around the world As you turn the pages of this priritual classic you will feel the breath of God s Spirit bringing renewal to your heart The Origins and Development of the Pentecostal Movement in Australia, 1870-1939 Barry Chant,2011 This monograph shows that Australian Pentecostalism exhibits distinctive elements that do not fit accepted historical and sociological theories Chant shows that the movement s major contribution to Australian Christianity lies in its rekindling of an openness to experiential religion specifically through the baptism in the Holy Spirit accompanied by speaking in tongues and that this has been both a strength and a weakness

Pictures of the Spirit David T. Williams,2003-06-09 On the day of Pentecost there was the sound as of a great wind and what appeared to be tongues of fire appeared Particularly since the start of the twentieth century the Christian world has

been in turmoil over the experiences that the Holy Spirit has given to many Christians But few understand who it is who is producing such a tremendous effect after all unlike Jesus we cannot see the Spirit Here the Bible does give a lot of help by describing the Spirit in ways that we understand such as wind fire or a dove These illustrations are explained and suggestions are made for a number of others both from the ancient and modern worlds To better understand what the Spirit does we need to better understand who he is this book does just that **Empowering Flames: Unveiling the Ancient Wisdom of Pentecost** Lola Torres, Delve into the transformative journey of Pentecost through this insightful exploration of the Christian Day of the Holy Spirit Drawing upon the rich traditions and teachings of Christianity this book offers a deep dive into the profound symbolism and rituals associated with Pentecost inviting readers to embrace the divine presence of the Holy Spirit Through poignant stories contemplative reflections and thought provoking insights Empowering Flamesprovides a space for readers to connect with the essence of Pentecost and open their hearts to the divine guidance of the Holy Spirit Exploring themes of renewal empowerment and spiritual awakening this book offers a fresh perspective on the transformative potential of Pentecost in our modern lives From the miraculous outpouring of the Holy Spirit on the apostles to the enduring legacy of Pentecost in the Christian faith readers will be inspired to deepen their understanding of this sacred day and its profound implications for personal growth and spiritual evolution E mpowering Flamesserves as a guide for individuals seeking to enhance their spiritual practice cultivate a deeper connection to their faith and experience the transformative power of the Holy Spirit in their lives Whether you are a longtime follower of Christian traditions or a newcomer to the teachings of Pentecost this book offers a wealth of valuable insights and practices to help you embrace the spirit of Pentecost and awaken to the divine presence within Join us on a journey of discovery and empowerment as we unlock the ancient wisdom of Pentecost and invite the Holy Spirit to ignite our souls with renewed faith hope and love

From Pentecost to the Triune God Steven M. Studebaker,2012-12-19 In From Pentecost to the Triune God Steven Studebaker puts forth a provocative Pentecostal Trinitarian theology arguing that the Holy Spirit completes the fellowship of the triune God and therefore shapes the identities of the Father and the Son The Holy Spirit Studebaker maintains is not simply a passive end product of a procession from the Father and Son but rather a dynamic person who plays an active role in the Trinity and a constitutional consummational role in the history of redemption In the course of his study Studebaker shows the theological yield of the Pentecostal experience of the Holy Spirit and uncovers the biblical narratives of the Spirit from creation to Pentecost A constructive and ecumenical contribution to Trinitarian theology From Pentecost to the Triune God also engages major historical and contemporary figures such as Augustine the Cappadocians Weinandy and Zizioulas as well as representatives from the evangelical and charismatic traditions Finally Studebaker applies his Pentecostal Trinitarian theology to the theology of religions and creation care proposing that Christians embrace an inclusive posture toward people of other religious traditions and have an earth orientation that sees creation care as Christian formation
