The Spirit of the Age: Or, Contemporary Portraits William Hazlitt, 1825 **The Spirit of the Age** William Hazlitt, 2015-07-10 Excerpt from *The Spirit of the Age Or Contemporary Portraits* Mr Bentham is one of those persons who verify the old adage that A prophet has most honour out of his own country His reputation lies at the circumference and the lights of his understanding are reflected with increasing lustre on the other side of the globe His name is little known in England better in Europe best of all in the plains of Chili and the mines of Mexico He has offered constitutions for the New World and legislated for future times The people of Westminster where he lives hardly dream of such a person but the Siberian savage has received cold comfort from his lunar aspect and may say to him with Caliban I know thee and thy dog and thy bush The tawny Indian may hold out the hand of fellowship to him across the Great Pacific We believe that the Empress Catherine corresponded with him and we know that the Emperor Alexander called upon him and presented him with his miniature in a gold snuff box which the philosopher to his eternal honour returned Mr Hobhouse is a greater man at the hustings Lord Rolle at Plymouth Dock but Mr Bentham would carry it hollow on the score of popularity at Paris or Pegu The reason is that our author s influence is purely intellectual About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **The Spirit of the Age, Or Contemporary Portraits, Vol. 1 (Classic Reprint)** William Hazlitt, 2017-11-27 Excerpt from *The Spirit of the Age or Contemporary Portraits Vol 1* As if a man were author of himself And owned no other kin He is like a solitary peak all access to which is cut off not more by elevation than distance He is seated On a lofty eminence cloud capt or re ecting the last rays of setting suns and in his poetical moods reminds us of the fabled Titans retired to a ridgy steep play About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **The Spirit of the Age Or Contemporary Portraits...** William Hazlitt, 1966 **The Spirit of the Age, Or, Contemporary Portraits** William Hazlitt, 1825 *Essays selected from The spirit of the age, or Contemporary portraits, with an intr. by R.B. Johnson* William Hazlitt, 1894 *The Spirit of the Age; Or, Contemporary Portraits* William

Hazlitt, 2019-11-25 In *The Spirit of the Age Or Contemporary Portraits* William Hazlitt presents an astute and incisive critique of early 19th century Britain through a series of biographical sketches of his contemporaries. Employing a distinctive blend of essayistic prose and sharp observation, Hazlitt delineates the philosophical, political, and artistic climates of his time, portraying figures such as Wordsworth, Coleridge, and Napoleon with both admiration and skepticism. His literary style is marked by a passion for realism and a commitment to examining the intersection of personal character with broader societal trends, embedding the portraits within the rich context of Romanticism and the emerging modern age. William Hazlitt, a central figure in Romantic literature and criticism, often grappled with the tension between individualism and the societal forces that shape it. Influenced by his own varied experiences as a painter, critic, and political thinker, Hazlitt produced this work as a means to confront the failures and triumphs of his age, offering an introspective lens on the evolving human condition. His deep engagement with contemporary thought and the complexities of human nature informs each portrait, making it a reflective commentary on the pursuit of truth in a rapidly changing world. For readers interested in the interplay of biography and criticism, *The Spirit of the Age* is an essential read. Hazlitt's keen insights and vivid descriptions allow readers to grasp the essence of a transformative era. This work not only enriches one's understanding of key historical figures but also provides a mirror to the prevailing attitudes and aspirations of early 19th century society.
