The Stargazers Sister A Novel:

The Stargazer's Sister Carrie Brown, 2016-12-13 Caroline known as Lina to her family has always lived in the shadow of her older brother William Herschel's accomplishments. And yet when William invites Lina to join him in England to assist in his musical and astronomical pursuits not to mention to run his bachelor household she accepts finding a new sense of purpose. William may be an obsessive genius but Lina adores him and aids him with the same fervency as a beloved wife. When William decides to marry however Lina's world collapses. As she attempts to rebuild a future we witness the dawning of an early feminist consciousness a woman struggling to find her own place among the stars. *The Stargazer's Sister* Carrie Brown, 2016-01-19 From the acclaimed author of *The Last First Day* here is a beautiful new period novel a nineteenth century story of female empowerment before its time based on the life of Caroline Herschel sister of the great composer and astronomer William Herschel and an astronomer in her own right. This exquisitely imagined novel opens as William rescues Caroline from a life of drudgery in Germany and brings her to England and a world of music making and stargazing. Lina as Caroline is known serves as William's assistant and the captain of his exhilaratingly busy household. William is generous wise and charismatic an obsessive genius whom Lina adores and serves with the fervency of a beloved wife. When William suddenly announces that he will be married Lina watches her world collapse. With her characteristically elegant prose Carrie Brown creates from history a compelling story that interweaves familial collaboration and conflict with a haunting exploration of the sublime beauty of astronomy and our small but essential place within a vast and astonishing cosmos. Through Lina's trials and successes we witness the dawning of an early feminist consciousness a woman struggling to find her own place among the stars. **The Stargazers** Barbara Susan Lefever, 1997 *The Rainbow Serpent (A Kulipari Novel #2)* Trevor Pryce, Joel Naftali, 2014-10-14 Watch the Netflix original series based on the books starting September 4 2016. Thomas Jefferson Dreams of Sally Hemings Stephen O'Connor, 2017-05-02 Dazzling The most revolutionary reimagining of Jefferson's life ever Ron Charles Washington Post Winner of the Crook's Corner Book Prize Longlisted for the 2016 Center for Fiction First Novel Prize A debut novel about Thomas Jefferson and Sally Hemings in whose story the conflict between the American ideal of equality and the realities of slavery and racism played out in the most tragic of terms Novels such as Toni Morrison's *Beloved* The Known World by Edward P. Jones James McBride's *The Good Lord Bird* and *Cloudsplitter* by Russell Banks are a part of a long tradition of American fiction that plumbs the moral and human costs of history in ways that nonfiction simply can't Now Stephen O'Connor joins this company with a profoundly original exploration of the many ways that the institution of slavery warped the human soul as seen through the story of Thomas Jefferson and Sally Hemings O'Connor's protagonists are rendered via scrupulously researched scenes of their lives in Paris and at Monticello that alternate with a harrowing memoir written by Hemings after Jefferson's death as well as with dreamlike sequences in which Jefferson watches a movie about his life Hemings fabricates an invention that becomes the whole world and they run into each other after an unimaginable length of time on the New York City subway O'Connor is unsparing in his rendition of the hypocrisy of the Founding Father and slaveholder who wrote all men are created equal while enabling Hemings to tell her story in a way history has not allowed her to His important and beautifully written novel is a deep moral reckoning a story about the search for justice freedom and an ideal world and about the survival of hope even in the midst of catastrophe **Sister of Mine**
