MORAL PANICS IN THEORY AND PRACTICE

The State

Edited by Vivienne E. Cree

The State Moral Panics In Theory And Practice

**Julian Petley, Chas Critcher, Jason
Hughes, Amanda Rohloff**

The State Moral Panics In Theory And Practice:

Social Work Theory and Methods Neil Thompson, Paul Stepney, 2017-10-23 This gateway text lays the foundations for a thorough knowledge of the theory and methods that social workers need Pulling together the work of a team of experts this book uses the innovative theorizing practice approach rather than the traditional applying theory to practice approach thereby providing a much more satisfactory basis for understanding the relationship between theory and practice and making it easier for practitioners to employ theory in practice Part I sets the scene by examining the relationship between theory and practice how research can be used to inform practice and the important role of policy and organizational factors Part II provides 14 chapters each exploring a different theoretical approach All in all this book provides the ideal introduction to using social work theory and methods in practice

The Ashgate Research Companion to Moral Panics Charles Krinsky, 2016-03-23 The Ashgate Research Companion to Moral Panics offers a comprehensive assemblage of cutting edge critical and theoretical perspectives on the concept of moral panic All chapters represent original research by many of the most influential theorists and researchers now working in the area of moral panic including Nachman Ben Yehuda and Erich Goode Joel Best Chas Critcher Mary deYoung Alan Hunt Toby Miller Willem Schinkel Kenneth Thompson Sheldon Ungar and Grazyna Zajdow Chapters come from a range of disciplines including media studies literary studies history legal studies and sociology with significant new elaborations on the concept of moral panic and its future informed and powerful critiques and detailed empirical studies from several continents A clear and comprehensive survey of a concept that is increasingly influential in a number of disciplines as well as in popular culture this collection of the latest research in the field addresses themes including the evolution of the moral panic concept sex panics media panics moral panics over children and youth and the future of the moral panic concept

The Myth of Moral Panics Bill Thompson, Andy Williams, 2013-09-11 This study provides a comprehensive critique forensic historical and theoretical of the moral panic paradigm using empirically grounded ethnographic research to argue that the panic paradigm suffers from fundamental flaws that make it a myth rather than a viable academic perspective

Beyond the Risk Paradigm in Child Protection Marie Connolly, 2017-09-16 For decades child protection systems have striven to provide responsive services to vulnerable children and families in the face of the constant change and instability caused by the bureaucratization of child protection This book lends a strident voice to the argument for a shift beyond the current risk paradigm towards genuine cultural change

Moral Panics in the Contemporary World Julian Petley, Chas Critcher, Jason Hughes, Amanda Rohloff, 2016-05-19 Moral Panics in the Contemporary World represents the best current theoretical and empirical work on the topic taken from the international conference on moral panics held at Brunel University The range of contributors from established scholars to emerging ones in the field and from a working journalist as well helps to cover a wide range of moral panics both old and new and extend the geographical scope of moral panic analysis to previously underrepresented areas Designed from the outset to comprise a

coherent and integrated set of viewpoints which share a common engagement with critically exploring moral panics in the contemporary world it contains case studies instantly recognisable and familiar to a student readership drugs alcohol sexual abuse and racism The collection brings a fresh approach to analysis and argument by testing and extending the concept of moral panic and analyzing a range of topics and geographical contexts accurately reflecting the state of the art moral panics research today

The State Vivienne E. Cree, 2015-06-30 Many of the individual and social problems that are characterized as moral panics are in reality illustrations of a breakdown in the legitimacy of the state Drawing on an appraisal of the work of Stuart Hall one of the key thinkers in moral panics this instalment in the Moral Panics in Theory and Practice series gathers together a number of examples of the dissolution of the state from internet pornography to internet radicalization the 2011 Tottenham riots and patient safety and explores these case studies through the lens of moral panic ideas

Practices of Freedom Simon Watney, 1994 Since the mid 1980s Britain's Simon Watney has been one of the leading voices in the international field of HIV AIDS education Practices of Freedom demonstrates the failure of national institutions from the government to the press to understand and effectively fight this epidemic Watney directs attention of the most urgent needs in American and international AIDS work

Mapping Lies in the Global Media Sphere Tirşe Erbayal Filibeli, Melis Öneren Özbek, 2023-11-10 This volume addresses the concept of innocent lies in the media beyond the concept of misleading information online this extends to a deliberate effort to spread misinformation disinformation and conspiracy theories and proposes a critical approach to tackle the issue in related interdisciplinary fields The book takes a multidisciplinary and international approach addressing the digital divide and global inequality as well as algorithmic bias how misinformation harms vulnerable groups social lynching and the effect of misinformation on certain social political and cultural agendas among other topics Arranged thematically the chapters paint a nuanced and original picture of this issue This book will be of interest to students and academics in the areas of digital media media and politics journalism development studies gender and race

Revisiting Moral Panics Vivienne E. Cree, Gary Clapton, Mark Smith, 2016-06-15 We live in a world that is increasingly characterized as risky dangerous and threatening Every day a new social issue emerges seemingly designed to provoke a shared sense of panic Drawing on the popular UK Economic Social and Research Council seminar series this book uses the concept of moral panic to examine these social issues and anxieties and the solutions to them With an introduction by Charles Critcher coeditor of Moral Panics in the Contemporary World and contributions from both well known and up and coming researchers and practitioners this book offers a stimulating and innovative overview of moral panic ideas for students and practitioners and an accessible introduction to the concept for a wider general public

Moral Panics and School Educational Policy Grant Rodwell, 2017-07-06 How do the moral panics that have plagued school education since its nineteenth century beginnings impact current school education policy Research has shown young people to be particularly vulnerable to moral panics and with the rise of social media the impact of moral panics on school education is growing

exponentially Increasingly they are reaching into the highest levels of national governments and so powerful are their effects some politicians choose to orchestrate them for their own political ends For many educational administrators the management of the fallout of moral panics has become a time consuming part of their day as well as being a problematic time for parents teachers and students First developed by British and Canadian sociologists such as Stanley Cohen 1972 moral panic theory has evolved substantially since its early focus on adolescent deviant behaviour and is now a part of common media talk This book addresses the need for a single monograph on the topic with reference to historical moral panics such as those associated with sexuality education but also wider societal moral panics such as those associated with obesity Teachers students indeed all members of school communities along with educational administrators and politicians can learn from this study of the impact of moral panics on school educational policy

Moral Panic in Physical Education and Coaching Heather Piper, Dean Garratt, Bill Taylor, 2017-10-02 This book focuses on sports coaching and sports teaching and how touching young sports participants has been redefined as dubious and dangerous Coaches are constrained by a framework of regulations and guidelines which create anxiety and many coaches now question the risks and benefits of their continuing involvement The book includes some data from a recently completed ESRC project Hands off sports coaching the politics of touch and builds on previous ESRC research Touchlines the problematic of touching between children and professionals which illuminated tensions in touching behaviours between professionals and children in education and care settings It considers the negative effects of particular understandings of risk and moral panic around touching and related behaviours where adults children and young people interact and makes a significant contribution to critical discussions around related practice pedagogy politics and policy While focussed on sports coaching and teaching it is germane to the situation of all those acting in loco parentis This book was originally published as a special issue of Sport Education and Society

Moral Panics in the Contemporary World Julian Petley, Chas Critcher, Jason Hughes, Amanda Rohloff, 2013-06-18 Moral Panics in the Contemporary World represents the best current theoretical and empirical work on the topic taken from the international conference on moral panics held at Brunel University The range of contributors from established scholars to emerging ones in the field and from a working journalist as well helps to cover a wide range of moral panics both old and new and extend the geographical scope of moral panic analysis to previously underrepresented areas Designed from the outset to comprise a coherent and integrated set of viewpoints which share a common engagement with critically exploring moral panics in the contemporary world it contains case studies instantly recognisable and familiar to a student readership drugs alcohol sexual abuse and racism The collection brings a fresh approach to analysis and argument by testing and extending the concept of moral panic and analyzing a range of topics and geographical contexts accurately reflecting the state of the art moral panics research today

Racialized Protest and the State Hank Johnston, Pamela Oliver, 2020-07-07 Bringing together leading scholars of social movements and protest this volume offers an up to date overview of several of

the key ethnic and racial movements in the contemporary United States The organizations strategies and challenges of the Black Lives movement mainstream Black organizations the Mexican American Dreamer groups immigrant rights mobilizations Arab American resistance and White nationalism are all examined by situating them in a rapidly evolving and in many ways increasingly unfavorable state context With empirical studies linked by their dialogue with theories of social movement and protest and in particular recent trends that emphasize the dynamic relations among social movement groups and organizations Racialized Protest and the State also considers the multiplicity of state players and the roles of hostile civic actors who oppose the movements challenges A cutting edge analysis of an increasingly important dimension of contentious politics in complex and diverse Western societies this book will appeal to scholars of sociology and politics with interests in social movements nonviolent resistance protest campaigns and ethnic mobilization

The SAGE Dictionary of Criminology Eugene McLaughlin, John Muncie, 2005-11-15 If the First Edition was an invaluable guide for students the Second is well nigh indispensable I can think of no better starting point for those wanting a quick fix on any given criminological topic Professor Tony Jefferson Keele University Since its initial publication in 2001 I've steadfastly kept The SAGE Dictionary of Criminology within easy reach of my desk referring to it countless times in writing articles books and lectures I've found it to be a remarkable book a comprehensive dictionary certainly but as much so a significant achievement in intellectual inquiry It may seem odd to say of a dictionary but it really is one of my favourite books the only book that can replace it on my deskside bookshelf is this Second Edition whose new entries confirm the editors grasp of contemporary criminology in all its excitement and complexity Professor Jeff Ferrell Texas Christian University The welcome inclusion of entries on contemporary theoretical and policy concerns ranging from Anti Social Behaviour Eco crime and Emotions through Forensic Anthropology Globalisation Governance and Mentoring to Sex Crime Virtual Criminology and What Works adds to the well established strengths of the first edition The entries all written by established scholars provide a clear concise and critical introduction to criminological concepts and constitute an invaluable resource for all criminology students and academics Professor Hazel Croall Glasgow Caledonian University It is unusual for a dictionary to be interesting but this one manages to be both compelling and useful for faculty and students across a range of disciplines and orientations who are commonly interested in criminology The SAGE Dictionary of Criminology is also distinctive in providing a literally encyclopaedic compendium of information that has been carefully placed in social cultural and political contexts Professor Lynn Chancer Hunter College City University of New York The list of new entries is quite impressive Once you've read them you start to wonder how come that the First Edition of The SAGE Dictionary of Criminology already felt so complete Dr Ren van Swaaningen Erasmus University Rotterdam Thoughtful evaluations of the key concepts criminologists must think about by quality contributors who include many of the world's leading criminologists Professor John Braithwaite Australian National University The Second Edition of the bestselling SAGE Dictionary of Criminology is the ultimate reference tool for

students of criminology and criminal justice It provides an accessible introduction to key theories concepts and topics offering comprehensive guidance through the field The editors have brought together a group of internationally prominent academics and practitioners to produce this definitive reference and research tool Each entry contains a definition of the concept or topic distinctive features offering detailed comment on the concept s origins development and general significance evaluation of those concepts considered to have greatest theoretical weight and lasting legacy associated concepts for cross referencing and mapping connections across various fields and issues key readings to enable the student to take their knowledge further The new edition contains thirty six new entries covering subjects such as anti social behaviour globalization human trafficking and terrorism Selected entries have been revised and updated This comprehensive text is the essential reference point for all students of criminology and criminal justice at all levels Praise for the First Edition The compilers have done criminology a tremendous service This dictionary is an invaluable resource for students and teachers and I m certain will be a key reference work for years to come Professor Tim Newburn London School of Economics Great dictionaries inform intrigue and investigate McLaughlin and Muncie s perceptive collection does all three The SAGE Dictionary of Criminology is wide and accessible enough to interest anyone concerned with crime the law and the panoply of issues and explanations that surround them This admirable volume will inform guide and contribute to debates in the years ahead Ellis Cashmore Professor of Culture Media and Sport Staffordshire University author of Dictionary of Race and Ethnic Relations and co editor of Dictionary of Cultural Theorists McLaughlin and Muncie have assembled an impressive list of international contributors and have succeeded in putting together a wonderfully entertaining book the Dictionary belongs on every criminologist s bookshelf Professor George Mair Liverpool John Moores University Criminal Justice An International Journal 2 2 The main strength of the project lies in its attempts at integration of a wide range of themes and theoretical perspectives under one set of covers Professor John Raine University of Birmingham Youth Justice 2 1 There is a genuine international feel to the compilation as a whole Nowadays such has criminology grown it is barely possible to keep up even in a narrowly defined sub field and a new dictionary is essential Anyway we will all have to read it because our students will What a relief that it is such a pleasure to do so Jason Ditton University of Sheffield British Journal of Criminology 43 2

The Routledge Companion to Popular Music Analysis Ciro Scotto, Kenneth M. Smith, John Brackett, 2018-09-28 The Routledge Companion to Popular Music Analysis Expanding Approaches widens the scope of analytical approaches for popular music by incorporating methods developed for analyzing contemporary art music This study endeavors to create a new analytical paradigm for examining popular music from the perspective of developments in contemporary art music Expanded approaches for popular music analysis is broadly defined as as exploring the pitch class structures form timbre rhythm or aesthetics of various forms of popular music in a conceptual space not limited to the domain of common practice tonality but broadened to include any applicable compositional analytical or theoretical concept that illuminates the music

The essays in this collection investigate a variety of analytical theoretical historical and aesthetic commonalities popular music shares with 20th and 21st century art music From rock and pop to hip hop and rap dance and electronica from the 1930s to present day this companion explores these connections in five parts Establishing and Expanding Analytical Frameworks Technology and Timbre Rhythm Pitch and Harmony Form and Structure Critical Frameworks Analytical Formal Structural and Political With contributions by established scholars and promising emerging scholars in music theory and historical musicology from North America Europe and Australia The Routledge Companion to Popular Music Analysis Expanding Approaches offers nuanced and detailed perspectives that address the relationships between concert and popular music

[The Moral Panics of Sexuality](#) B. Fahs, M. Dudy, S. Stage, 2013-09-12 A provocative feminist analysis of the moral panics of sexuality this interdisciplinary edited collection showcases the range of historical and contemporary crises we too often suppress including vagina dentata vampires cannibalism age appropriateness breast cancer menstrual panics and sex education

The ethics of researching the far right Antonia Vaughan, Joan Braune, Meghan Tinsley, Aurelien Mondon, 2024-05-07 At a time when far radical and extreme right politics are becoming increasingly mainstream globally sometimes with deadly consequences research in these fields is essential to understand the most effective ways to combat these dangerous ideologies Yet engaging with texts and movements that do physical and verbal violence raises a number of urgent ethical issues Until recently this has remained understudied as scholarship on the far right rarely delves explicitly and critically into the ethics of research This book seeks to remedy this significant gap in an otherwise extensive and growing literature Originating from a workshop series in 2020 in which an international group of academics at various career stages shared the ethical challenges and best practices they had developed in their research this edited collection draws together insights from these ongoing conversations offering urgent critical reflections on key ethical issues

Social Work and Child Abuse Dave Merrick, 2006-09-08 While social work practice with child abuse is a well documented topic this revised edition of *Social Work and Child Abuse* actually challenges and changes the focus of existing literature Instead of concerning itself with the ways in which the task of preventing and detecting child abuse can be more effectively undertaken it presents a critical analysis of the task itself There has been much new guidance and regulation since the first edition of *Social Work and Child Abuse* was published in 1996 making this a timely new edition With a brand new introduction and conclusion this fully revised text discusses the implications of the Victoria Climbi Inquiry the Laming Report the Green Paper Every Child Matters and the 2004 Children Act the 1989 Children Act and the conflicting duties of the social worker to prevent and intervene in child abuse and also to promote the family the emergence of official discourses of prevention treatment and punishment the 1975 Children Act and the role of moral panic Concluding with a call for the full implementation of the UN Convention on the Rights of the Child to strengthen the child protection system by giving children and young people a much stronger voice this book is essential reading for all professionals in social and probation work and for students in social work social policy and

criminology **Psychosocial Approaches to Child and Adolescent Health and Wellbeing** Jennifer M.

Waite-Jones, Alison M. Rodriguez, 2022-07-07 This textbook provides an engaging guide to psychosocial theories of child and adolescents wellbeing demonstrating how psychology and sociology can be used to address key contemporary issues for those working with children and adolescents It begins with an examination of the socially constructed nature of childhood and adolescence and impact of cultural context on the conditions for well being before outlining core psychological and sociological theories of childhood and adolescence It adopts a psychosocial approach to illustrate the influence of social context on biologically based development in relation to topics including attachment learning play parenting family life deviance medicalisation long term conditions vulnerability and resilience Through encouraging analysis of a practice oriented case study and offering reflective questions it provides a robust introduction to how psychosocial perspectives may be applied within health social care and education contexts It offers students of Social Work Nursing Education Psychology and Child and Adolescent Studies the critical and theoretical tools to evaluate the interlocking psychosocial factors influencing the lives of those who will be in their care *Discourses and Practices of Terrorism* Bob Brecher, Mark Devenney, Aaron Winter, 2010-02-25 This interdisciplinary book investigates the consequences of the language of terror for our lives in democratic societies The approach of this book is in direct contrast with those that either view terrorism simplistically as a clear reality threatening democratic society and thus requiring certain sorts of response or argue equally simplistically that the invocation of terror is merely the ideological veil for continued capitalist exploitation While closer in spirit to the second of these this work does not simply dismiss the discourse on terror but rather investigates the consequences of this discourse for the organisation of life in democratic societies In interrogating the discourse of terror from a variety of viewpoints this interdisciplinary text builds upon the understanding of the importance of the language of terror from a new perspective the interconnections between discourses of terror the material realities they at once reflect and help produce and the specificities of particular historical circumstances In offering an integrated approach of this sort and founded on a base of applied philosophy broadly conceived the contributors offer a new contribution to both public and academic debate and at the same time initiate a series of further interventions in Critical Terrorism Studies This book will be of interest to students of critical terrorism studies terrorism studies security studies philosophy and discourse theory Bob Brecher is Director of the Centre for Applied Philosophy Politics Ethics at Brighton University He has published widely in moral political and applied philosophy and the politics of higher education Mark Devenney is Academic Programme Leader in Humanities at the University of Brighton He has published in the areas of critical theory post Marxism and post Colonial politics Aaron Winter is Lecturer in Sociology at the University of Abertay Dundee His research focuses on terrorism and the concept of extremism whiteness masculinity and violence and the extreme right organised racism and the religious right in the United States

Reviewing **The State Moral Panics In Theory And Practice**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence. Its capacity to evoke emotions, stimulate contemplation, and stimulate metamorphosis is really astonishing. Within the pages of "**The State Moral Panics In Theory And Practice**," an enthralling opus penned by a highly acclaimed wordsmith, readers set about an immersive expedition to unravel the intricate significance of language and its indelible imprint on our lives. Throughout this assessment, we shall delve to the book is central motifs, appraise its distinctive narrative style, and gauge its overarching influence on the minds of its readers.
