The Story Of Gisli The Outlaw Gisli Saga:

The Story of Gisli the Outlaw George Webbe Dasent, 1866 *The Story of Gisli the Outlaw* Sir George Webbe Dasent, 1866 **The Saga of Gisli the Outlaw** George Johnston, Peter Foote, 1973-01-01 The Saga of Gisli was written early in the thirteenth century It offers an imaginative reconstruction of the story of a man and his family who came to Iceland from Norway about AD 960 Soon after 960 Gisli the central figure was outlawed for killing his brother in law and then for thirteen years or more he lived in hiding in remote parts of the northwest of Iceland until he was finally caught and killed by his enemies Around this imaginative core the author has spun a web of conflicting passions love hate and jealousy between man and wife brother and sister brother in law intricate emotional bonds which are here seen ironically patterned against a background of inevitable fate Gisli the hero is portrayed not only as a man of strength and courage but also a poet and dreamer tormented in his outlawry by nightmarish visions which seem gradually to sap his will to resist The author's probing into the emotional depths of his characters the superbly effective architecture of his narrative leading to the central climax his sense of the dramatic and his cool compelling style all combine to make this one of the most memorable of all the Icelandic sagas **The Story of Gisli the Outlaw. From the Icelandic by G. W. Dasent ... With Illustrations by C. E. St. John Mildmay**, 1866 **THE SAGA OF GISLI THE OUTLAW** Anon E. Mouse, 2010-03-01 THE EVENTS described in the saga of Gisli the Soursop reach from about the year AD930 to AD980 In a time when the law of Iceland had not yet been established and when men were ruled by their conscience Gisli a champion of Iceland was outlawed for murder by the Chieftain Bork at the Thorsness Thing council But besides his sentence he was doomed even before his birth He and his kin were under a curse for they had kept the broken bits of Graysteel the thrall's good sword which came with a withering speedom spell So under sentence and under a curse Gisli went on the run For fourteen years with the help of family friends and those who really knew the truth he managed to evade Bork's men and bounty hunters alike As with many champions through the ages Gisli was also a true poet and his verses have genuine thought and feeling lying underneath as you will frequently find in this volume To the end Gisli fought hard taking with him eight of the fourteen who eventually cornered him one snowy night on the crags It has been said by many that there never was a more famous and honourable defence made by one man in times of which the truth is known Even as death approached Gisli managed to compose and sing one final verse to his wife who stood nearby It has also been said that this is one of the finest if it be not the very finest of the lesser Sagas When translating it is difficult to grasp the full spirit of the story but here it has been accomplished with the detail of scenery and costume thoroughly mastered 33% of the net profit will be donated to charities schools and special causes
