The Story Of God Wesleyan Theology And Biblical Narrative:

The Story of God Michael Lodahl, 1994 The author breaks through the traditional distinction between biblical and theological studies and weaves together the concerns and issues of theology the Bible and everyday experience to present a fresh telling of the grand story of God

God of Nature and of Grace Michael E. Lodahl, 2003 Too often Wesleyan theological tradition focuses almost exclusively on soteriology and anthropology neglecting the larger context of the creation In this book Michael Lodahl explores John Wesley s preaching and ministry as resources for developing a robust theology of nature This volume constructs a dialogue between Wesley s theology of creation and the present pregnant cosmological models in astronomy and physics

The Story of God Michael Lodahl, 2008 Since its publication in 1994 *The Story of God* has played an important role in implementing and advancing the study of narrative theology One of the first books to formulate and examine Wesleyan theology using the Bible s overarching story it continues to serve as a popular text in colleges and universities and as a reliable resource for ministers and theologians Unlike other books which use a topical or systematic approach to understanding theology *The Story of God* uses the flesh and blood stories of the Bible to help readers see the complete picture of God s love for the world and in doing so gain a better understanding and appreciation for the Christian faith Updated and revised to include current language and ideologies this new edition provides readers with an even more engaging and accessible introduction to Christian theology Drawing from Scripture everyday experience and contemporary reflection Michael Lodahl weaves together the stories and themes of the Bible to present a compelling picture of the grand story of God and the amazing love He has for His people

Pentecostal Theology and Jonathan Edwards Amos Yong, Steven M. Studebaker, 2019-11-14 This volume brings America s theologian and one of the fastest growing forms of Christianity into dialogue Edwards is a fruitful source for Pentecostal investigation for historical and theological reasons Edwards and Pentecostals descend from a common historical tradition North American Evangelicalism From revivalism and religious charismatic experience to pneumatology they also share common theological interests Though sharing a common history and core theological concerns no critical conversation between Pentecostals and Edwards and their fields of scholarship has occurred This is the first volume that provides Pentecostal readings of Edwards theology that contribute to Pentecostal theology and Edwards scholarship The contributing essays offer examination of affections and the Spirit God and Salvation Church and culture and mission and witness

The Story of God Michael Lodahl, 2010-06 The Bible is filled with amazing stories but even more amazing is its overarching account of God It s a story that despite its twists and turns portrays God s mercy and love and His never ending effort to connect with His people This celebrated text is an engaging and accessible introduction to Wesleyan narrative theology Unlike other books which use a topical or systematic approach for understanding Christian theology this foundational text weaves together the events and themes of the Bible to tell God s remarkable story and present a complete picture of his enduring love for us This updated and expanded second edition will

impact your study and appreciation of Scripture and challenge you to find yourself or better yet to be found in the incredible story of God As part of the inSIGHTmedia Series this resource includes A copy of the featured book The Story of God A DVD containing 10 minute video lessons which correspond to the book s various chapters A printable leader s guide also included on the DVD which will enhance group discussion and study *Telling God's Story* John W. Wright, 2007-04-16 John W Wright presents a new model of preaching that aims to connect the biblical text with a congregation so that they are formed into a true Christian community

Theologies of Creation Thomas Jay Oord, 2014-10-02 Humans have long wondered about the origin of the universe And such questions are especially alive today as physicists offer metaphysical theories to account for the emergence of creation Theists have attributed the universe s origin to divine activity and many have said God created something from absolute nothingness The venerable doctrine of creatio ex nihilo especially emphasizes God s initial creating activity Some contributors to this book explore new reasons creatio ex nihilo should continue to be embraced today But other contributors question the viability of creation from nothing and offer alternative initial creation options in its place These new alternatives explore a variety of options in light of recent scientific work new biblical scholarship and both new and old theological traditions *Types of Pentecostal Theology* Christopher A. Stephenson, 2016-10 In this the first critical study of the major theologians of pentecostalism Christopher A Stephenson establishes four original categories that classify recent pentecostal theologians methodologies in systematic constructive theology

God as Loving Grace Barry L. Callen, 2018-06-27 This work impressively documented avoids fruitless speculation and gets down to the basics of the Christian faith In a clear writing style the author powerfully articulates the unique activity of Father Son and Holy Spirit and shows how the work of each complements the other Dr Kenneth Kinghorn Dean of the School of Theology Asbury Theological Seminary Focus is all important This book biblical throughout proceeds from the perspective of God s loving grace and maintains this perspective as the whole revelation of God is unfolded in its light The Trinity is rightly honored as this theology interacts helpfully with many other theological views and clarifies anew much that traditionally has been valued This is fresh material that serves the church fruitfully and also speaks meaningfully to contemporary culture exactly what good theology should do Rev Dr James Earl Massey Dean Emeritus Anderson University School of Theology Dr Barry L Callen is Professor of Theology and Dean Emeritus of Anderson University and School of Theology Former Editor of the Wesleyan Theological Journal and current Editor of Aldersgate Press he holds graduate degrees in theology from Anderson Asbury and Chicago Theological Seminaries and has authored numerous books on theology

[Ancient-Future Faith](#) Robert E. Webber, 1999-11 In a world marked by relativism individualism pluralism and the transition from a modern to a postmodern worldview evangelical Christians must find ways to re present the historic faith In his provocative new work Ancient Future Faith Robert E Webber contends that present day evangelicalism is a product of modernity Allegiance to modernity he argues must be relinquished to free evangelicals to become more consistently historic Empowerment to function in our changing

culture will be found by adapting the classical tradition to our postmodern time Webber demonstrates the implications in the key areas of church worship spirituality evangelism nurture and mission Webber writes The fundamental concern of Ancient Future Faith is to find points of contact between classical Christianity and postmodern thought Classical Christianity was shaped in a pagan and relativistic society much like our own Classical Christianity was not an accommodation to paganism but an alternative practice of life Christians in a postmodern world will succeed not by watering down the faith but by being a counter cultural community that invites people to be shaped by the story of Israel and Jesus A substantial appendix explores the development of authority in the early church an important issue for evangelicals in a society that shares many features with the Roman world of early Christians Students professors pastors and laypeople concerned with the church's effective response to a postmodern world will benefit from this paradigmatic volume Informative tables and extensive bibliographies enhance the book's educational value Amazon [Missio Dei and the Means of Grace](#) David Martin Whitworth, 2019-04-16 The missio Dei concept has shifted missiological thinking from an anthropocentric view of mission to the understanding that the church and persons are participants in the missio Dei A Wesleyan perspective of grace and the means of grace inform the development of a theology of participation in the missio Dei that overcomes the repetitive articulations of mission as simply being human action or divine action Through the means of grace Christian disciples participate in the missio Dei as those transformed by God's love and those through whom that love embraces and transforms the world Missio Dei and the Means of Grace A Theology of Participation offers a profoundly simple approach and understanding to twenty first century missiology that is applicable for all persons all ages and all ecclesial expressions of the Christian church as participation in the missio Dei through the means of grace is understood to be a holistic way of life where spiritual formation is understood as inseparable from justice ministries **Show Them No Mercy** C. S. Cowles, Eugene H. Merrill, Daniel L. Gard, Tremper Longman III, 2010-06-01 Did God condone genocide in the Old Testament How do Christians harmonize the warrior God of Israel with the God of love incarnate in Jesus Christians are often shocked to read that Yahweh the God of the Israelites commanded the total destruction all men women and children of the ethnic group known as the Canaanites This seems to contradict Jesus' command in the New Testament to love your enemies and do good to all people How can Yahweh be the same God as the Father of our Lord Jesus Christ What does genocide in the Bible have to do with the politics of the 21st century Show Them No Mercy explores the Old Testament command of God to exterminate the Canaanite population and what that implies about continuity between the Old and New Testaments The four views presented are Strong Discontinuity emphasizes the strong tension regarding violence between the two main texts of the Bible C. S. Cowles Moderate Discontinuity provides a justification of God's actions in the Old Testament with strong emphasis on exegesis Eugene H. Merrill Eschatological Continuity a reading of the warfare narratives that ties them contextually to the book of Revelation and the Second Coming Daniel L. Gard Spiritual Continuity incorporates the genocidal account into the full picture

of the Old and New Testaments Tremper Longman III The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion

The Dialogical Spirit Amos Yong,2015-04-30 Contemporary proposals for Christian theology from post liberalism to Radical Orthodoxy and beyond have espoused their own methodological paradigms Those who have ventured into this domain of theological method however have usually had to stake their claims vis a vis trends in what may be called the contemporary post al age whether of the post modern post Christendom post Enlightenment post Western or post colonial varieties This volume is unique among offerings in this arena in suggesting a way forward that engages on each of these fronts and does so from a particularistic Christian perspective without giving up on Christian theology s traditional claims to universality This is accomplished through the articulation of a distinctive dialogical methodology informed by both Pentecostalism and Evangelicalism one rooted in the Christian salvation history narrative of Incarnation and Pentecost that is yet open to the world in its many and various cultural ethnic religious and disciplinary discourses Amos Yong here engages with twelve different interlocutors representing different ecumenical religious and disciplinary perspectives The Dialogical Spirit thus not only proffers a model for Christian theological method suitable for the twenty first century global context but also exemplifies this methodological approach through its interactions across the contemporary scholarly inter religious and theological landscape

The Divine Embrace Robert E. Webber,2006-10 What is true Christian spirituality Rediscover spirituality s biblical roots and how you can live out your response to God s story today **Getting to Know God** Elisheva Mechanic,2021-07-15 This book is a journey of discovery into the fascinating world of Christian theology Elisheva Mechanic begins an exploration into the question of what theology is and how we do theology She introduces some of the early church fathers and tells their stories and what contribution they made to the development of theology and the great tradition This book gives a wide ranging survey of Christian theology and encourages us all to get to know God better

Discerning the Spirit(s) Amos Yong,2019-03-08 Efforts to construct a Christian theology of religions have inevitably stumbled on the Christian scandal of particularity the historical Jesus of Nazareth What however if we began by focusing on the universal presence and activity of God in the world as symbolized by the Holy Spirit Yong develops just such a pneumatological approach to religions drawing by way of resource on the Pentecostal charismatic experience of the Spirit This book thus invites Pentecostals charismatics and other Christians to conceive of how a pneumatological approach to religions can invigorate the wider ecumenical conversation At the same time it also brings recent Pentecostal charismatic scholarship into dialogue with a broader audience including those interested in philosophical theology world religions global spiritualities and comparative religion and theology

Cross Covenant R. Larry Shelton,2006-10-01 Seeking a fresh missionally relevant account of Christ s work Larry Shelton analyzes the biblical notion of sacrifice as a gift alongside other theories of atonement

He attempts to show a historical movement away from penal substitutionary theologies toward a Trinitarian relational model

African Contextual Realities Rodney L. Reed, 2018-08-14 Everyone who has eyes to see acknowledges the growing importance of the African church to the future of global Christianity But what does it mean for the church to take root in Africa How should the message of the gospel and the practice of Christianity be contextualized for Africa African Contextual Realities addresses many of the questions surrounding contextualization from a practical point of view and is the fruit of the 6th Annual Conference of the Africa Society of Evangelical Theology held in Nairobi in 2016 The book explores such questions as In what ways should the mission of God be universally recognizable in every cultural context In our efforts to contextualize how do we avoid compromising the very gospel we are to proclaim How can the African church wean itself away from dependency on the Western church How does Christianity speak into some of the cultural and social issues arising out of contemporary African settings issues like widow cleansing Christian Muslim relations and peace building All those who are interested to learn more about the contextualization of African Christianity will find this volume to be an important resource

God, Purpose, and Reality John Christopher Bishop, Kenneth J. Perszyk, 2023 John Bishop and Ken Perszyk argue that it is reasonable to reject the standard conception of a personal omniGod They present an alternative view euteleology reality is inherently purposive and the universe exists ultimately because its overall end which is the supreme good is made concretely real within it

The Living Dead Barry L. Callen, 2023-02-14 People readily form religious beliefs out of their imaginations fears fantasies and bloated egos The paranormal is now nearly the norm in the world of popular entertainment threatening traditional systems of belief Are today's walking dead real zombies Are the aliens actually here What's keeping you awake at night Are masses of overscheduled and frustrated people spiritually deceased even though still breathing Who's lurking in the shadows demons of destruction a loving God seeking our highest well being or nothing but our twisted imaginations How we fragile humans long for safety ecstasy community meaning and salvation We must beware however Numerous charlatans have it all for sale By contrast there still is the man Jesus who has paid the highest of prices and is offering all we need as a free gift In him insists the Christian faith death has died and we've been set free to be possessed by the Spirit of Jesus thus becoming the living dead Receiving this gift takes faith of course but faith not contrary to reason In fact it may be the most reasonable and satisfying thing we could ever do
