The Suffering And Victorious Christ Toward A More Compassionate Christology:

The Suffering and Victorious Christ Richard J. Mouw, Douglas A. Sweeney, 2013-10-15 American theologians tend to focus on the great hope Christians have through Christ's resurrection emphasizing Christ's victory while minimizing or ignoring his suffering Through their engagements with Japanese Christians and African American Christians on the topic of Christology Richard Mouw and Douglas Sweeney have come to recognize and underscore that Christ offers hope not only through his resurrection but also through his incarnation The authors articulate a more compassionate and orthodox Christology that answers the experience of the global church offering a corrective to what passes for American Christology today The book includes an afterword by Willie James Jennings of Duke Divinity School *Themelios*, Volume 39, Issue 1 D. Explorations in Interdisciplinary Reading Robbie F. Castleman, Darian R. Lockett, Stephen O. Presley, 2017-05-31 The tension between reading Scripture as primarily a historically situated text on one hand and binding canon addressed to a

community of faith on the other constitutes a crucial issue for biblical interpretation. Considering the ways the disciplines of Biblical Studies, Biblical Theology, Patristics and Systematic Theology approach Scripture and biblical interpretation, the Biblical Theology Hermeneutics and Theological Disciplines study group within the Institute of Biblical Research established a four year project aimed at clarifying the relationships between these diverse lines of inquiry into scriptural interpretation found in each of these disciplines. The goal of this project was to foster a sustained discussion where exploratory papers might be proposed, composed and rewritten for final form using a collaborative process. This research project and the present volume resulting from it offers valuable insights into the integration of Biblical Studies and Theology as subdisciplines within the academy. The essays collected here fall naturally into the following sections: Exegetical Explorations, Reception Historical Explorations and finally Theological Practical Explorations.

Foundations of Pastoral Counselling Neil Pembroke, 2017-04-30. Foundations of Pastoral Counselling offers a completely new approach to its subject through an integration of philosophical ideas, theological thought and psychotherapeutic psychology. Using the work of philosophers including Martin Buber, Simone Weil and Søren Kierkegaard to begin the conversation in each chapter, the author then draws on relevant theologians and psychotherapeutic thinkers to enrich the dialogue. The result is a rich, multi-faceted and often surprising round table discussion about the fundamental issues in pastoral counselling.

One for the Other Andrew P. Campbell, 2025-06-24. For two thousand years the cross of Christ has been the central point of Christian theologies of salvation. However, in recent years a variety of theologians such as Rosemary Radford Ruether, Rita Nakashima Brock, J. Denny Weaver and René Girard, united in their disdain for violence, have abandoned any divine sanction or salvific significance for the cross of Christ. Instead, they frame atonement not in terms of Christ's death but his life, formulating atonement theologies that address the need for an ethical concern for the oppressed and powerless Other. This volume is dedicated to offering a fair account of their revisions, identifying the ethical undertones that lead nonviolent theologians and thinkers to reform atonement theology, examining their claims in light of those ethical foundations and exploring P. T. Forsyth as a viable alternative for contemporary theology.

Smith Ph.D. Chair and Graduate Program Director Department of History Liberty University In order to understand why so many evangelicals recently support left-leaning political causes it is important to know a little history In the 1970s many campus radicals raised

in Christian homes brought neo Marxist ideas from college back to church with them At first figures like Jim Wallis Ron Sider and Richard Mouw made great gains for their progressive evangelical cause But after the defeat of Jimmy Carter the religious right stole the headlines Today a new crop of mainstream evangelicals has taken up the cause of the New Left whether they know it or not As pro life evangelicals rush to support movements like BlackLivesMatter and MeToo it is important to realize they are walking in footprints already laid down Their mission may be more successful but it is not new To understand where the evangelical social justice movement is heading it is vital to understand the origins of the movement Social Justice Goes to Church The New Left in Modern American Evangelicalism answers from a historical perspective the vital question Why are American evangelicals moving Left The great injunction to the Church was to preach the Gospel to the world while not being of the world Social justice neatly reverses this trend preaching the ways of the world into the church That is not its only critical reversal The Gospel is about freedom from guilt and sin and bondage Social justice seeks above all to apportion guilt and sin and bondage enslaving entire demographics and requiring that they kneel before man in attrition How important that a book of this nature should enter the fray right now I applaud Mr Harris for his excellent work in providing the practical means of identifying and repelling this fraudulent force this ideological interloper this dangerous false teaching Douglas Kruger Author of Political Correctness Does More Harm Than Good How to Identify Debunk and Dismantle Dangerous Ideas
