throughout his life Consequently this study addresses the wider methodological question of how we should construct the biography of an individual who was consistently preoccupied with telling his own story The Century Dictionary and Cyclopedia: Cyclopedia of names ,1906 The Century Dictionary and Cyclopedia: Cyclopedia of names William Dwight Whitney,1904 The Musical Leader ,1932 The Annual American Catalog, 1900-1909 ,1906 *The Yale Alumni Weekly* ,1925 Yale Alumni Magazine ,1939 **Resting Places** Scott Wilson,2016-08-19 In its third edition this massive reference work lists the final resting places of more than 14 000 people from a wide range of fields including politics the military the arts crime sports and popular culture Many entries are new to this edition Each listing provides birth and death dates a brief summary of the subject s claim to fame and their burial site location or as much as is known Grave location within a cemetery is provided in many cases as well as places of cremation and sites where ashes were scattered Source information is provided **Who's who in America** John W.
