The Tale Of Hun Shim And Sun Mung:

The Tale of Hun Shim & Sun Mung Michele Maleville, 2014-01-16 The Tale of Hun Shim Sun Mung begins as Mother Nature declares a grand new plan devised to bring the world's people closer together beyond their differences to a very confused and skeptical crane Hun Shim Sun Mung both born in Korea are destined to travel to America where they will find their true parents according to Mother Nature's design With each trial and tribulation the girls face the crane questions Mother Nature's decision to have them move so far away to a family and community where so few people look like the girls Each time the curious crane questions her decision Mother Nature reassures the crane that all of the difficulties the girls face will ultimately mold them into their true selves As Mother Nature foretells Hun Shim and Sun Mung grow to be great peacemakers spreading charity throughout the world which ultimately teaches the questioning crane to have faith in the ways of Nature

The Changing Face of Korean Cinema Brian Yecies, Aegyung Shim, 2015-12-22 The rapid development of Korean cinema during the decades of the 1960s and 2000s reveals a dynamic cinematic history which runs parallel to the nation's political social economic and cultural transformation during these formative periods This book examines the ways in which South Korean cinema has undergone a transformation from an antiquated local industry in the 1960s into a thriving international cinema in the 21st century It investigates the circumstances that allowed these two eras to emerge as creative watersheds and demonstrates the forces behind Korea's positioning of itself as an important contributor to regional and global culture and especially its interplay with Japan Greater China and the United States Beginning with an explanation of the understudied operations of the film industry during its 1960s take off it then offers insight into the challenges that producers directors and policy makers faced in the 1970s and 1980s during the most volatile part of Park Chung hee's authoritarian rule and the subsequent Chun Doo hwan military government It moves on to explore the film industry's professionalization in the 1990s and subsequent international expansion in the 2000s In doing so it explores the nexus and tensions between film policy producing directing genre and the internationalization of Korean cinema over half a century By highlighting the recent transnational turn in national cinemas this book underscores the impact of developments pioneered by Korean cinema on the transformation of Planet Hallyuwood It will be of particular interest to students and scholars of Korean Studies and Film Studies

The Korean Singer of Tales Marshall R. Pihl, 2024-11-01 Pansori the traditional oral narrative of Korea is sung by a highly trained soloist to the accompaniment of complex drumming The singer both narrates the story and dramatizes all the characters male and female Performances require as long as six hours and make extraordinary vocal demands In the first book length treatment in English of this remarkable art form Pihl traces the history of pansori from its roots in shamanism and folktales through its nineteenth century heyday under highly acclaimed masters and discusses its evolution in the twentieth century After examining the place of pansori in popular entertainment and its textual tradition he analyzes the nature of texts in the repertoire and explains the vocal and rhythmic techniques required to

perform them Pihl's superb translation of the alternately touching and comic Song of Shim Ch ong the first annotated English translation of a full p ansori performance text illustrates the emotional range narrative variety and technical complexity of p ansori literature The Korean Singer of Tales will interest not only Korean specialists but also students of comparative literature folklore anthropology and music The South Korean Film Renaissance Jinhee Choi,2011-07-21 For the past decade the Korean film industry has enjoyed a renaissance With innovative storytelling and visceral effects Korean films not only have been commercially viable in the domestic and regional markets but also have appealed to cinephiles everywhere on the international festival circuit This book provides both an industrial and an aesthetic account of how the Korean film industry managed to turn an economic crisis triggered in part by globalizing processes in the world film industry into a fiscal and cultural boom Jinhee Choi examines the ways in which Korean film production companies backed by affluent corporations and venture capitalists concocted a variety of winning production trends Through close analyses of key films Choi demonstrates how contemporary Korean cinema portrays issues immediate to its own Korean audiences while incorporating the transnational aesthetics of Hollywood and other national cinemas such as Hong Kong and Japan Appendices include data on box office rankings numbers of films produced and released market shares and film festival showings **Sight and Sound** ,2003 *South Korea at the Crossroads* Scott A. Snyder,2018-01-02 Against the backdrop of China's mounting influence and North Korea's growing nuclear capability and expanding missile arsenal South Korea faces a set of strategic choices that will shape its economic prospects and national security In *South Korea at the Crossroads* Scott A. Snyder examines the trajectory of fifty years of South Korean foreign policy and offers predictions and a prescription for the future Pairing a historical perspective with a shrewd understanding of today's political landscape Snyder contends that South Korea's best strategy remains investing in a robust alliance with the United States Snyder begins with South Korea's effort in the 1960s to offset the risk of abandonment by the United States during the Vietnam War and the subsequent crisis in the alliance during the 1970s A series of shifts in South Korean foreign relations followed the Nordpolitik engagement with the Soviet Union and China at the end of the Cold War Kim Dae Jung's Sunshine Policy designed to bring North Korea into the international community trustpolitik which sought to foster diplomacy with North Korea and Japan and changes in South Korea's relationship with the United States Despite its rise as a leader in international financial development and climate change forums South Korea will likely still require the commitment of the United States to guarantee its security Although China is a tempting option Snyder argues that only the United States is both credible and capable in this role South Korea remains vulnerable relative to other regional powers in northeast Asia despite its rising profile as a middle power and it must balance the contradiction of desirable autonomy and necessary alliance A Comprehensive Encyclopedia of Film Noir John Grant,2023-09-21 Featuring rumpled PIs shyster lawyers corrupt politicians double crossers femmes fatales and of course losers who find themselves down on their luck yet again film noir is a perennially popular cinematic genre This extensive

encyclopedia describes movies from noir's earliest days and even before looking at some of noir's ancestors in US and European cinema as well as noir's more recent offshoots from neonoirs to erotic thrillers Entries are arranged alphabetically covering movies from all over the world from every continent save Antarctica with briefer details provided for several hundred additional movies within those entries A copious appendix contains filmographies of prominent directors actors and writers With coverage of blockbusters and program fillers from *Going Straight* US 1916 to *Broken City* US 2013 via *Nora Inu* Japan 1949 *O Anthropos tou Trainou* Greece 1958 *El Less Wal Kilab* Egypt 1962 *Reportaje a la Muerte* Peru 1993 *Zift* Bulgaria 2008 and thousands more A Comprehensive Encyclopedia of Film Noir is an engrossing and essential reference work that should be on the shelves of every cinephile *The International Relations of the Chinese Empire* Hosea Ballou Morse,1918 *Official Gazette of the United States Patent and Trademark Office* ,1996 *Korean Film Guide* ,2007
