The Spiritual Roots Of The Holy Land:

The Spiritual Roots of the Holy Land Michael Laitman, 2012-01-01 The Spiritual Roots of the Holy Land takes you on a wondrous journey through the land of Israel As you take in the breathtaking pictures another layer of the age old country is revealed the ebb and flow of spiritual forces that have shaped the curvy landscape that is sacred to billions of people around the world Also included are Israel roadmaps to help you locate each place you visit in mind or in body The Kabbalist Semion Vinokur, 2012-01-01 At the dawn of the deadliest era in human history the 20th century a mysterious man appeared on the socio political scene carrying a stern warning for humanity and an unlikely solution to its suffering In his writings Kabbalist Yehuda Ashlag described in clarity and great detail the wars and upheavals he foresaw and even more strikingly the current economic political and social crises we are facing today His deep yearning for a united humanity has driven him to unlock The Book of Zohar and make it and the unique force contained therein accessible to all The Kabbalist is a cinematic novel that will turn on its head everything you thought you knew about Kabbalah spirituality freedom of will and our perception of reality It is the first book of its kind to try to convey the inner workings and sensations of a Kabbalist who reached the highest level of attainment a person who is in direct contact with the singular force governing all of reality The Kabbalist carries a surprising message of unity with scientific clarity and poetic depth It transcends religion nationality mysticism and the sheer fabric of space and time to show us that the only miracle is the one taking place within when we begin to act in harmony with Nature and with the entire humanity It shows us that we can all be Kabbalists The Psychology of the Integral Society Michael Laitman, Anatoly Ulianov, 2011-10-16 This book presents a revolutionary approach to education All around us we see proof that a dramatic paradigm shift is occurring within our society An interconnected and interdependent world has started to gradually emerge displacing society s current system which was built upon egoism and hubris While the world is evolving our education system has been stagnate and is based upon the needs and ideals of the 19th Century A new education must be developed to meet the needs of an integral society where all the parts work together to contribute to the well being and success of humanity The society will in turn will be responsible to provide for the well being and success of its citizens consequently forming a relationship of mutual need In a globalised integral world this is the only sensible and sustainable solution In the book a series of dialogs between professors Michael Laitman and Anatoly Ulianov we see starting to unfold a new education system Absence of competition nurturing through a social environment peer equality rewarding the givers and dynamic makeup of classrooms and instructors are only some of the new precepts introduced in this must have book *The Land, the Bible, and History* Alain Marchadour, David Neuhaus, Cardinal Carlo Maria Martini, 2009-08-25 This unique book offers a Catholic view of the Holy Land in the debate that rages among Jews Christians and Muslims Alain Marchadour and David Neuhaus two biblical scholars and priests living in Jerusalem clearly analyze the Promised Land as concept history and contested terrain in Catholic teaching and doctrine They offer an

analytical reading of the entire Christian Bible Old and New Testaments with reference to the idea of the Land promised by God They explore early and medieval attitudes especially with regard to the Holy Places and the Jewish people Moving carefully to the present day they focus on anti-Semitism the tragedy of the Shoah Western colonialism in the Middle East the creation of the State of Israel and the birth of the Palestinian refugee problem as they examine Catholic reactions to the tumultuous events of the nineteenth and twentieth centuries particularly the renewal of Catholic thought in the aftermath of the Second Vatican Council Studying the most recent Church documents Marchadour and Neuhaus confront the ongoing struggle for peace justice and reconciliation in the Middle East This illuminating book is an essential tool for all those struggling to understand the links between the Bible the Church and contemporary Middle Eastern realities especially in Israel and Palestine

Let There Be Light Yaniv C, 2012-06-06 The book of Zohar Radiance also known as The Zohar is regarded by many as the most enchanting and mysterious composition ever to be written No other literary work has provoked quite so much awe and admiration among writers thinkers and spiritual seekers The Zohar contains all the secrets of creation but until recently the wisdom of Kabbalah was locked under a thousand locks Thanks to the work of Rav Yehuda Ashlag 1884 1954 the last of the great Kabbalists The Zohar is revealed today in order to propel humanity to its next degree Ashlag's Sulam Ladder commentary has made The Zohar accessible to all Let There Be Light contains selected excerpts from the series Zohar for All a refined edition of The Book of Zohar with the Sulam commentary Each piece was carefully chosen for its beauty and depth as well as its capacity to draw the reader into The Zohar and get the most out of the reading experience The number at the beginning of each item marks the item in the portion from which it was taken More importantly as The Zohar speaks of nothing but the intricate web that connects all souls diving into its words attracts the special force that exists in that state of oneness where we are all connected The Zohar is the bridge that connects us to that source of energy and vitality that permeates all of reality

The Egotist Jesse Bogner, 2014-03-03 The Egotist tracks its author Jesse Bogner's development from a hedonistic New Yorker to a Kabbalist on a path to find the meaning of life This book offers a glimpse into the misunderstood world of Kabbalah and how the collective plea of Kabbalists has the power to correct the egos of individuals and the world at large Never before has a Kabbalah student in such excruciating detail illuminated the nature of his own spiritual development

The Secrets of the Eternal Book Semion Vinokur, 2013-06-14 The secrets of the eternal book decodes some of the Bible's most enigmatic yet oft cited epochs such as the story of Creation and the Children of Israel's exodus from Egypt The author's lively and easygoing style makes for a smooth entrance into the deepest level of reality where one changes one's world simply by contemplation and desire you will also discover the eternal love of the Creator who endowed us with the wondrous treasure of this hidden reality Page 4 of cover
