Woodacre**

The Subject Of Elizabeth Authority Gender And Representation:

The Subject of Elizabeth Louis Montrose, 2006-06-15 As a woman wielding public authority Elizabeth I embodied a paradox at the very center of 16th century patriarchal English society This text illuminates the ways in which the Queen and her subjects variously exploited or obfuscated this contradiction

The Subject of Elizabeth Louis Montrose, 2006-06-01 As a woman wielding public authority Elizabeth I embodied a paradox at the very center of sixteenth century patriarchal English society Louis Montrose's long awaited book *The Subject of Elizabeth* illuminates the ways in which the Queen and her subjects variously exploited or obfuscated this contradiction Montrose offers a masterful account of the texts pictures and performances in which the Queen was represented to her people to her court to foreign powers and to Elizabeth herself Retrieving this Elizabethan imaginary in all its richness and fascination Montrose presents a sweeping new account of Elizabethan political culture Along the way he explores the representation of Elizabeth within the traditions of Tudor dynastic portraiture explains the symbolic manipulation of Elizabeth's body by both supporters and enemies of her regime and considers how Elizabeth's advancing age provided new occasions for misogynistic subversions of her royal charisma This book the remarkable product of two decades of study by one of our most respected Renaissance scholars will be welcomed by all historians literary scholars and art historians of the period

Gendering the Crown in the Spanish Baroque Comedia María Cristina Quintero, 2016-04-15 The Baroque Spanish stage is populated with virile queens and feminized kings This study examines the diverse ways in which seventeenth century comedias engage with the discourse of power and rulership and how it relates to gender A privileged place for ideological negotiation the comedia provided negative and positive reflections of kingship at a time when there was a perceived crisis of monarchical authority in the Habsburg court Author María Cristina Quintero explores how playwrights such as Pedro Calderón de la Barca Tirso de Molina Antonio Coello and Francisco Bances Candamo taking inspiration from legend myth and history repeatedly staged fantasies of feminine rule at a time when there was a concerted effort to contain women's visibility and agency in the public sphere The comedia's preoccupation with kingship together with its obsession with the representation of women and women's bodies renders the question of royal subjectivity inseparable from issues surrounding masculinity and femininity Taking into account theories of performance and performativity within a historical context this study investigates how the themes imagery and language in plays by Calderón and his contemporaries reveal a richly paradoxical presentation of gendered monarchical power

Queens Matter in Early Modern Studies Anna Riehl Bertolet, 2017-11-08 The essays in this book traverse two centuries of queens and their afterlives historical mythological and literary They speak of the significant and subtle ways that queens leave their mark on the culture they inhabit focusing on gender marriage national identity diplomacy and representations of queens in literature Elizabeth I looms large in this volume but the interrogation of queenship extends from Elizabeth's historical counterparts such as Anne Boleyn and Catherine de Medici to her fictional echoes in the pages of John

Lyly Edmund Spenser William Shakespeare Mary Wroth John Milton and Margaret Cavendish Celebrating and building on the renowned scholarship of Carole Levin **Queens Matter in Early Modern Studies** exemplifies a range of innovative approaches to examining women and power in the early modern period

The Palgrave Handbook of Shakespeare's Queens Kavita Mudan Finn, Valerie Schutte, 2018-07-20 Of Shakespeare's thirty seven plays fifteen include queens This collection gives these characters their due as powerful early modern women and agents of change bringing together new perspectives from scholars of literature history theater and the fine arts Essays span Shakespeare's career and cover a range of famous and lesser known queens from the furious Margaret of Anjou in the Henry VI plays to the quietly powerful Hermione in The Winter's Tale from vengeful Tamora in Titus Andronicus to Lady Macbeth Early chapters situate readers in the critical concerns underpinning any discussion of Shakespeare and queenship the ambiguous figure of Elizabeth I and the knotty issue of gender presentation The focus then moves to analysis of issues such as motherhood intertextuality and contemporary political contexts close readings of individual plays and investigations of rhetoric and theatricality Featuring twenty five chapters with a rich variety of themes and methodologies this handbook is an invaluable reference for students and scholars and a unique addition to the fields of Shakespeare and queenship studies Winner of the 2020 Royal Studies Journal book prize

Essex Annaliese Connolly, Lisa Hopkins, 2016-05-16 This collection of new essays about the earl of Essex one of the most important figures of the Elizabethan court resituates his life and career within the richly diverse contours of his cultural and political milieu It identifies the ways in which his biography has been variously interpreted both during his own lifetime and since his death in 1601 Collectively the essays examine a wealth of diverse visual and textual manifestations of Essex poems portraits films texts produced by Essex himself including private letters prose tracts poems and entertainments and the transmission and circulation of these as a means of disseminating his political views As well as prising open long held assumptions about the earl's life the authors provide a diachronic approach to the earl's career identifying crucial events such as the Irish campaign and the uprising and re-evaluating their significance and critical reception Collectively the essays illuminate the reach and significance of the many roles played by the earl and the impact of his brief dazzling life on his contemporaries and on those who came after making this the first volume to offer a comprehensive critical overview of the Earl's life and influence

Premodern Rulers and Postmodern Viewers Janice North, Karl C. Alvestad, Elena Woodacre, 2018-02-01 Pop culture portrayals of medieval and early modern monarchs are rife with tension between authenticity and modern mores producing anachronisms such as a feminist Queen Isabel in RTVE's Isabel and a lesbian Queen Christina in The Girl King This book examines these anachronisms as a dialogue between premodern and postmodern ideas about gender and sexuality raising questions of intertemporality the interpretation of history and the dangers of presentism Covering a range of famous and lesser known European monarchs on screen from Elizabeth I to Muhammad XII of Granada this book addresses how the lives of powerful women and men have been

mythologized in order to appeal to today's audiences. The contributors interrogate exactly what is at stake in these portrayals, namely our understanding of premodern rulers, the gender and sexual ideologies they navigated, and those that we navigate today.

The Queen's Bed Anna Whitelock, 2014-02-11. From the private world of a beloved English queen, a story of intimacy, royalty, espionage, rumor, and subterfuge. Queen Elizabeth I acceded to the throne in 1558, restoring the Protestant faith to England. At the heart of the new queen's court lay her bedchamber, closely guarded by the favored women who helped her dress, looked after her jewels, and shared her bed. Elizabeth's private life was of public concern. Her bedfellows were witnesses to the face and body beneath the makeup and raiment, as well as to rumored dalliances with such figures as Earl Robert Dudley. Their presence was for security as well as propriety, as the kingdom was haunted by fears of assassination plots and other Catholic stratagems. Such was the significance of the queen's body; it represented the very British state itself. In *The Queen's Bed*, the historian Anna Whitelock offers a revealing look at the Elizabethan court and the politics of intimacy. She dramatically reconstructs for the first time the queen's quarters and the women who patrolled them. It is a story of sex, gossip, conspiracy, and intrigue brought to life amid the colors, textures, smells, and routines of the royal court. The women who attended the queen held the truth about her health, chastity, and fertility. They were her friends, confidantes, and spies; nobody knew her better. And until now, historians have overlooked them. *The Queen's Bed* is a revelatory, insightful look into their daily lives, the untold story of the queen laid bare.

Staging Power in Tudor and Stuart English History Plays Kristin M.S. Bezio, 2016-03-09. *Staging Power in Tudor and Stuart English History Plays* examines the changing ideological conceptions of sovereignty and their on-stage representations in the public theaters during the Elizabethan and early Stuart periods, 1580-1642. The study examines the way in which the early modern stage presented a critical dialogue concerning the nature of sovereignty through the lens of specifically English history, focusing in particular on the presentation and representation of monarchy. It presents the subgenre of the English history play as a specific reaction to the surrounding political context, capable of engaging with and influencing popular and elite conceptions of monarchy and government. This project is the first of its kind to specifically situate the early modern debate on sovereignty within a popular culture dramatic context; its purpose is not only to provide an historical timeline of English political theory pertaining to monarchy but to situate the drama as a significant influence on the production and dissemination thereof during the Tudor and Stuart periods. Some of the plays considered here, notably those by Shakespeare and Marlowe, have been extensively and thoroughly studied. But others, such as *Edmund Ironside*, *Sir Thomas Wyatt*, and *King John and Matilda*, have not previously been the focus of much critical attention.

Goethe Yearbook 26 Patricia Anne Simpson, Birgit Tautz, Sean Franzel, 2019-06-17. This year's volume is highlighted by a special section on Goethe's narrative events, in addition to a range of other articles from emerging and established scholars. The *Goethe Yearbook* is a publication of the Goethe Society of North America, encouraging North American Goethe scholarship by publishing original English language contributions to the understanding of Goethe and other

authors of the Goethezeit while also welcoming contributions from scholars around the world Volume 26 features a special section on Goethe's narrative events with contributions on Narrating against the Uncanny Goethe's Ballade vs Hoffmann's Der Sandmann The Absence of Events in Die Wahlverwandtschaften and Countering Catastrophe Goethe's Novelle in the Aftermath of Kleist This issue also showcases work presented at the 2017 Atkins Goethe Conference Re Orientations around Goethe including contributions by Eva Geulen on morphology and W Daniel Wilson on the Goethe Society of Weimar in the Third Reich In addition there are articles by emerging and established scholars on Klopstock Schiller Goethe and objects dark green ecology and texts of the Goethezeit and beyond through the lens of world literature Book reviews conclude the volume Contributors Lisa Marie Anderson Thomas O Beebe Fritz Breithaupt Christopher Chiasson Patrick Fortmann Sean Franzel Eva Geulen Willi Goetschel Stefan Hajduk Samuel Heidepriem Bryan Klausmeyer Lea Pao Elizabeth Powers James Shinkle Heather I Sullivan Christian P Weber W Daniel Wilson Karin A Wurst The Goethe Yearbook is edited beginning with this volume by Patricia Anne Simpson Professor of German and Chairperson of Modern Languages at the University of Nebraska Lincoln and Birgit Tautz George Taylor Files Professor of Modern Languages at Bowdoin College Book Review Editor is Sean Franzel Associate Professor of German at the University of Missouri Columbia

Jewish Poet and Intellectual in Seventeenth-Century Venice Sarra Copia Sulam, 2009-11-15 The first Jewish woman to leave her mark as a writer and intellectual Sarra Copia Sulam 1600-41 was doubly tainted in the eyes of early modern society by her religion and her gender This remarkable woman who until now has been relatively neglected by modern scholarship was a unique figure in Italian cultural life opening her home in the Venetian ghetto to Jews and Christians alike as a literary salon For this bilingual edition Don Harr n has collected all of Sulam's previously scattered writings letters sonnets a Manifesto into a single volume Harr n has also assembled all extant correspondence and poetry that was addressed to Sulam as well as all known contemporary references to her making them available to Anglophone readers for the first time Featuring rich biographical and historical notes that place Sulam in her cultural context this volume will provide readers with insight into the thought and creativity of a woman who dared to express herself in the male dominated overwhelmingly Catholic Venice of her time *The Complete Poems* Gaspara Stampa, 2010-10-15 Gaspara Stampa 1523-1554 is one of the finest female poets ever to write in Italian Although she was lauded for her singing during her lifetime her success and critical reputation as a poet emerged only after her verse was republished in the early eighteenth century Her poetry runs the gamut of human emotion ranging from ecstasy over a consummated love affair to despair at its end While these tormented works and their multiple male addressees have led to speculation that Stampa may have been one of Venice's famous courtesans they can also be read as a rebuttal of typical assumptions about women's roles Championed by Rainer Maria Rilke among others she has more recently been celebrated by feminist scholars for her distinctive and original voice and her challenge to convention The first complete translation of Stampa into English this volume collects all of her passionate and lyrical verse It is also the first modern

critical edition of her poems and in restoring the original sequence of the 1554 text it allows readers the opportunity to encounter Stampa as she intended Jane Tylus renders Stampa's verse in precise and graceful English translations allowing a new generation of students and scholars of poetry Renaissance literature and music history to rediscover this incipiently modern Italian poet

Debate of the Romance of the Rose David F. Hult, 2010-04-15 In 1401 Christine de Pizan 1365a 1430 wrote a letter to the provost of Lille criticizing the highly popular Romance of the Rose for its unwarranted misogynistic depictions of women Here Hult collects debate documents letters and excerpts from other works of Pizan including one from City of Ladies her major defense of women

A Woman Who Defends All the Persons of Her Sex Gabrielle Suchon, 2010-05-15 During the oppressive reign of Louis XIV Gabrielle Suchon 1632 1703 was the most forceful female voice in France advocating women's freedom and self-determination access to knowledge and assertion of authority This volume collects Suchon's writing from two works Treatise on Ethics and Politics 1693 and On the Celibate Life Freely Chosen or Life without Commitments 1700 and demonstrates her to be an original philosophical and moral thinker and writer Suchon argues that both women and men have inherently similar intellectual corporeal and spiritual capacities which entitle them equally to essentially human prerogatives and she displays her breadth of knowledge as she harnesses evidence from biblical classical patristic and contemporary secular sources to bolster her claim Forgotten over the centuries these writings have been gaining increasing attention from feminist historians students of philosophy and scholars of seventeenth century French literature and culture This translation from Domna C Stanton and Rebecca M Wilkin marks the first time these works will appear in English

Running the Family Firm Laura Clancy, 2021-09-28 In recent decades the global wealth of the rich has soared to leave huge chasms of wealth inequality This book argues that we cannot talk about inequalities in Britain today without talking about the monarchy Running the Family Firm explores the postwar British monarchy in order to understand its economic political social and cultural functions Although the monarchy is usually positioned as a backward looking archaic institution and an irrelevant anachronism to corporate forms of wealth and power the relationship between monarchy and capitalism is as old as capitalism itself This book frames the monarchy as the gold standard corporation The Firm Using a set of case studies the Queen Prince Charles Prince Harry Kate Middleton and Meghan Markle it contends that The Firm's power is disguised through careful stage management of media representations of the royal family In so doing it extends conventional understandings of what monarchy is and why it matters

The Ashgate Research Companion to Women and Gender in Early Modern Europe Jane Couchman, 2016-03-23 Over the past three decades scholars have transformed the study of women and gender in early modern Europe This Ashgate Research Companion presents an authoritative review of the current research on women and gender in early modern Europe from a multi-disciplinary perspective The authors examine women's lives ideologies of gender and the differences between ideology and reality through the recent research across many disciplines including history literary studies art history musicology history of science and medicine and religious

studies The book is intended as a resource for scholars and students of Europe in the early modern period for those who are just beginning to explore these issues and this time period as well as for scholars learning about aspects of the field in which they are not yet an expert The companion offers not only a comprehensive examination of the current research on women in early modern Europe but will act as a spark for new research in the field **Age in Love** Jacqueline Vanhoutte, 2019-06-01 The title *Age in Love* is taken from Shakespeare's sonnet 138 a poem about an aging male speaker who by virtue of his entanglement with the dark lady vainly performs the role of some untutored youth Jacqueline Vanhoutte argues that this pattern of age in love pervades Shakespeare's mature works informing his experiments in all the dramatic genres Bottom Malvolio Claudius Falstaff and Antony all share with the sonnet speaker a tendency to flout generational decorum by assuming the role of the lover normally reserved in Renaissance culture for young men Hybrids and upstarts cross dressers and shape shifters comic butts and tragic heroes Shakespeare's old men in love turn in boundary blurring performances that probe the gendered and generational categories by which early modern subjects conceived of identity In *Age in Love* Vanhoutte shows that questions we have come to regard as quintessentially Shakespearean about the limits of social mobility the nature of political authority the transformative powers of the theater the vagaries of human memory or the possibility of secular immortality come to indelible expression through Shakespeare's artful deployment of the age in love trope *Age in Love* contributes to the ongoing debate about the emergence of a Tudor public sphere building on the current interest in premodern constructions of aging and ultimately demonstrating that the Elizabethan court shaped Shakespeare's plays in unexpected and previously undocumented ways **Selected Philosophical and Scientific Writings** Emilie Du Châtelet, 2009-09-15 Though most historians remember her as the mistress of Voltaire Emilie Du Châtelet 1706-49 was an accomplished writer in her own right who published multiple editions of her scientific writings during her lifetime as well as a translation of Newton's *Principia Mathematica* that is still the standard edition of that work in French Had she been a man her reputation as a member of the eighteenth century French intellectual elite would have been assured In the 1970s feminist historians of science began the slow work of recovering Du Châtelet's writings and her contributions to history and philosophy For this edition Judith P Zinsser has selected key sections from Du Châtelet's published and unpublished works as well as related correspondence part of her little known critique of the Old and New Testaments and a treatise on happiness that is a refreshingly uncensored piece of autobiography making all of them available for the first time in English The resulting volume will recover Châtelet's place in the pantheon of French letters and culture **Maternity and Romance Narratives in Early Modern England** Karen Bamford, Naomi J. Miller, 2016-05-06 Though recent scholarship has focused both on motherhood and on romance literature in early modern England until now no full length volume has addressed the notable intersections between the two topics This collection contributes to the scholarly investigation of maternity in early modern England by scrutinizing romance narratives in various forms considering motherhood not as it was actually lived but

as it was figured in the fantasy world of romance by authors ranging from Edmund Spenser to Margaret Cavendish Contributors explore the traditional association between romance and women both as readers of fiction and as tellers of old wives tales as well as the tendency of romance plots with their emphasis on the family and its reproduction to foreground matters of maternity Collectively the essays in this volume invite reflection on the uses to which Renaissance culture put maternal stereotypes the virgin mother the cruel step dame as well as the powerful fears and desires that mothers evoke assuage and sometimes express in the fantasy world of romance *The Emblematic Queen* D. Barrett-Graves, 2013-05-07 This study examines representations of early modern female consorts and regnants via extra literary emblematics such as paintings jewelry miniature portraits carvings placards masques funerary monuments and imprese

Eventually, you will utterly discover a additional experience and feat by spending more cash. yet when? reach you endure that you require to acquire those all needs gone having significantly cash? The Subject Of Elizabeth Authority Gender And Representation Introduction

The Subject Of Elizabeth Authority Gender And Representation Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. The Subject Of Elizabeth Authority Gender And Representation Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. The Subject Of Elizabeth Authority Gender And Representation : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for The Subject Of Elizabeth Authority Gender And Representation : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks The Subject Of Elizabeth Authority Gender And Representation Offers a diverse range of free eBooks across various genres. The Subject Of Elizabeth Authority Gender And Representation Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. The Subject Of Elizabeth Authority Gender And Representation Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific The Subject Of Elizabeth Authority Gender And Representation, especially related to The Subject Of Elizabeth Authority Gender And Representation, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to The Subject Of Elizabeth Authority Gender And Representation, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some The Subject Of Elizabeth Authority Gender And Representation books or magazines might include. Look for these in online stores or libraries. Remember that while The Subject Of Elizabeth Authority Gender And Representation, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow The Subject Of Elizabeth Authority Gender And Representation eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer

promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the The Subject Of Elizabeth Authority Gender And Representation full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of The Subject Of Elizabeth Authority Gender And Representation eBooks, including some popular titles.

FAQs About The Subject Of Elizabeth Authority Gender And Representation Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Subject Of Elizabeth Authority Gender And Representation is one of the best book in our library for free trial. We provide copy of The Subject Of Elizabeth Authority Gender And Representation in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The Subject Of Elizabeth Authority Gender And Representation. Where to download The Subject Of Elizabeth Authority Gender And Representation online for free? Are you looking for The Subject Of Elizabeth Authority Gender And Representation PDF? This is definitely going to save you time and cash in something you should think about.
