The Ten Commandments Still The Best Moral Code:

The Ten Commandments Dennis Prager, 2015-03-30 The most important words ever written are the Ten Commandments These words changed the world when they were first presented at Mt Sinai to Israelites and they are changing it now They are the foundation stones of Western Civilization Given their staggering importance you would think that all societies and certainly our educational and religious institutions would be intent on studying them closely Sadly this is not the case Our schools ignore them and our churches and synagogues take them for granted But here s a simple test Who among us can even name all of the Ten Commandments And even among those who can name them how many can explain them in a way that makes sense to the modern eye and ear If you are a person of faith this book will strengthen it if you are agnostic it will force you to rethink your doubts if you re atheist it will test your convictions For people who have thought little about the Ten Commandments as well as for those who have a sophisticated understanding of them it will be a revelation That s a lot to ask of a little book but the only thing that s little here is the length The ideas are very big *Slavery and Sacred Texts* Jordan T. Watkins, 2021-07-01 In the decades before the Civil War Americans appealed to the nation s sacred religious and legal texts the Bible and the Constitution to address the slavery crisis The ensuing political debates over slavery deepened interpreters emphasis on historical readings of the sacred texts and in turn these readings began to highlight the unbridgeable historical distances that separated nineteenth century Americans from biblical and founding pasts While many Americans continued to adhere to a belief in the Bible s timeless teachings and the Constitution s enduring principles some antislavery readers including Theodore Parker Frederick Douglass and Abraham Lincoln used historical distance to reinterpret and use the sacred texts as antislavery documents By using the debate over American slavery as a case study Jordan T Watkins traces the development of American historical consciousness in antebellum America showing how a growing emphasis on historical readings of the Bible and the Constitution gave rise to a sense of historical distance Ineptitude, Conformity, and Obfuscation Richard J. Giordano, 2019-02-08 This book tells the story of teacher evaluation from the perspective of a high school principal one who has been an active participant in the process Teacher evaluation is a fraud and this book explains why and how it can be fixed This book begins with a historical perspective followed by a description of what is wrong with the currently applied process It ends with suggestions for making the process workable and productive **Understandings of the Power of Peace** Elwin L. Dickerson III Ed.D., 2017-01-26 Every hour of every day proves that inadequate solutions for social political and personal crises flamed by multifaceted hate singes everyone Peace cannot be a compromise Peace visits and like great escape artists it vanishes leaving in its place bewilderment and unquenchable desire for more Peacelessness is profitable Industry and governments grow in response to peacelessness Corporations and cousins fight for a piece of the pie Blessed must be the peacemakers they experience only temporary success yet their efforts continue in hope as evidence of things not seen Peace is the strong cord running through history Peace ties together every chapter of every book of the Bible

Peace is the subject of every sermon and hymn and is the cause of every war Peace is so powerful even God works under its influence Who understands that Peace will bring this world to its end *God's Ownership Meets Money Management*

Johnny McWilliams,2022-09-20 God has given you the perfect portion the perfect purpose and the perfect prescription God owns everything and knows everything You can be certain that you have what you need to do what he wills for you to do and how he wants it done As a good manager of God s Wealth you need God s Wisdom and that is more than good enough He has given you your portion the exact amount of talent money and time you need at this moment He had given you a purpose in life You are to use your portion for this purpose God gives you the prescription His plan is perfect for you and never fails The scriptures teach us to be in a relationship with God Your Heavenly Father wants you to live a prosperous life and the Bible teaches you the proper way to handle that wealth This book will explore the creation the law and the redemption If you ve ever wondered what the tithe is all about this is the book for you Also you will see how to manage money by the Ten Commandments These are not only Christian financial concepts and principles these are financial truths It s time for you to RECOVER GROW and ZERO IN on the INTERSECTION Where God s Wealth Meets God s Wisdom The INTERSECTION series includes the titles below Biblical Faith Meets Financial Strategy 2nd ed How to Lay a Solid Foundation for Prosperity God s Ownership Meets Money Management How to Be a Good and Faithful Steward Divine Provision Meets Generosity Planning How to Live Life to the Fullest While Richly Giving and the following companion for a deeper study Setting Your Sights on the Intersection 90 Day Devotional Journal About the book series INTERSECTION Where God s Wealth Meets God s Wisdom Imagine yourself at the shooting range aiming at a target To ensure your aim is accurate you look for a calibrated point of reference There are two engraved lines to give you a single place to focus on when aiming at a target The two lines cross at this spot and create what is known as crosshairs Crosshairs are composed of two wires or lines one parallel and the other perpendicular to the horizon The area that you are focused on is where the two lines intersect The objective is to align the crosshairs with the bullseye Aiming to hit the bullseye requires precision and using the simple principle of intersecting lines you can easily pinpoint that target When peering through the scope of your financial future the strategy is the same The two dimensions are God s Wealth vertical and God s Wisdom horizontal Once you have these two crosshairs in focus and zeroed in you can aim right at the center of your target and hit it consistently If you want to pinpoint your financial destiny you need to zero in on your target not someone else s mark The simple tool needed for pinpoint accuracy is the crosshairs and one of the most critical steps is knowing where you are aiming The blessings come where the two lines meet Get ready to manage money according to the Word of God and live a prosperous life **Why the Jews?** Dennis Prager,Joseph

Telushkin,2003-08-12 Examines the Jewish concepts of God law and peoplehood and reveals how these distinctive Jewish values have precipitated anti Semitism **Do You Know for Sure God the Father Has Your Back?** Reza

Mohseni,2024-09-10 In today s complicated world it is really important to identify the truth especially when facing challenges

As God's children it's our responsibility to steer our loved ones toward what truly matters guided by biblical wisdom. Imagine a world where everyone understands that following God's teachings leads to a fulfilling life. Emulating Jesus by adhering to the Holy Spirit and God's principles brings joy. Since Jesus came into my life I discovered the key to joy. True joy goes beyond happiness; it stays with us even during tough times. Happiness depends on external things and is temporary, but joy lasts because it comes from having God in our hearts. When we seek God every day we find contentment. Seeing God's impact during uncertain times and understanding the future He has for us brings us joy. My book *Do You Know for Sure if God the Father Has Your Back* shares my life-changing encounter with Christ and how it can impact others. It explores faith, kindness, love, and discovering purpose through believing in Christ. It serves as a testament highlighting the greatness of our God and affirming His faithfulness during tough times. It highlights that God is with us, showing us the way and leading us into His light through His Word, love, and grace. This is true for anyone who is seeking Him. Often society tells us that pursuing wealth and fame is paramount. However, life's path determines our destination. Psalm 1 reminds us that following Christ's way is vital to avoid going astray. Jesus's words in Matthew 7:24-25 emphasize the importance of building our foundation on solid ground. What we allow into our lives shapes our output. This book extends an invitation to embrace God's love and discover purpose and tranquility through faith. God the Father Has Your Back is more than a book; it's a heartfelt message for those seeking a meaningful life.

Common Wisdom to Proper Understanding Pastor Stephen Kyeyune, 2016-04-22. A life lived apart from God ends in disaster. God did not throw us into the troubled waters in the pool of this world without giving us the life jacket blueprint to help us to swim ashore. In this book I have summed up everything you need. It consists of the recommendable best epigrams from religion, literature, poetry, philosophy, sports, politics, economics, and science. This book unveils nuggets of wisdom strategically one must stake if he or she is seeking success. Above all, it is my pleasure to introduce to you inspiring Christ-like characters. Those of you who are already in the sheepfold of the Chief Shepherd will be strengthened, and those thinking about entering will be motivated and encouraged. If you are discouraged and thinking about retreating, I give you a reason to reconsider, to think again, and to return to the sheepfold because that is where the future belongs. We have seen what happens to those who walk outside the sheepfold of Christ. My posted mini-messages of wisdom are worth your time. You will read them to your satisfaction.

Brown, PhD, 2017-09-26 Nationally syndicated radio host and columnist Michael Brown provides a handbook for a biblically based moral and cultural renaissance revealing that the key to recapturing America's greatness consists in returning to our spiritual and moral roots America is at a tipping point and never has this been more apparent than right now We are in danger of losing our spiritual and moral heritage making many believe that we have fallen beyond the point of recovery This book is here to say that yes we have fallen In fact fallen much further than we realize but that our country's best days are ahead with the help of a radical moral and cultural revolution beginning with the church This book is a manual for the revolution On all fronts Americans are talking about the need for revolution arguing from the left and the right that the status quo must go This book comes at just the right time as people are wondering what in the world has happened to our country from the homes to the college campuses from the inner cities to the White House from our national debt to the material found on our computers and TV screens In clear compelling prose Brown covers topics ranging from the sexualization of pop culture to the dumbing down of our schools to the undermining of family structures to a pervasive culture of entitlement while pointing consistently to the Bible's solution to these issues A radical call for reformation written with sobriety and hope Saving a Sick America provides the inspiration and guidance necessary for a moral and cultural revolution The Decalogue in Jewish and Christian Tradition Henning Graf Reventlow, Yair Hoffman, 2011-06-23 This collection of papers arrives from the eighth annual symposium between the Chaim Rosenberg School of Jewish Studies of Tel Aviv University and the Faculty of Protestant Theology of the University of Ruhr Bochum held in Bochum June 2007 The general theme of the Decalogue was examined in its various uses by both Jewish and Christian traditions throughout the centuries to the present Three papers deal with the origin of the Decalogue Yair Hoffman on the rare mentioning of the Decalogue in the Hebrew Bible outside the Torah E L Greenstein considers that already A ibn Ezra doubted that God himself spoke in the Ten Commandments and states that more likely their rhetoric indicates it was Moses who proclaimed the Decalogue A Bar Tour speaks about the cognitive aspects of the Decalogue revelation story and its frame The second part considers the later use of the Decalogue G Nebe describes its use with Paul P Wick discusses the

symbolic radicalization of two commandments in James and the Sermon on the Mount A Oppenheimer explains the removal of the Decalogue from the daily Shema prayer as a measure against the minimalist claim of a higher religious importance of the Decalogue compared to the Torah W Geerlings examines Augustine's quotations of the Decalogue H Reventlow depicts its central place in Luther's catechisms Y Jacobson discusses its role with Hasidism The symposium closes with papers on systematic themes C Frey follows a possible way to legal universalism G Thomas describes the Decalogue as an Ethics of Risk F H Beyer M Waltemathe seek an educational perspective
