Sheen,2017-08-07

Why is it asks Bishop Fulton Sheen that one hears so often the expression Go to hell and almost never the expression Go to heaven Here at his most penetrating challenging and illuminating best is Bishop Sheen with his answer in a book that breathes new meaning into the truths about heaven and hell and new life into the concepts of faith tolerance love prayer suffering and death Beginning with *The First Faint Summons to Heaven* Sheen shows how unpopular it is today to be a true Christian and describes the struggle for living our faith amid the disorders of our times Keenly aware of evil in the myriad forms it takes in today's world Bishop Sheen writes about the constant battle man faces with the seven pallbearers of character pride avarice envy lust anger gluttony and sloth linking them with the corrosive forces that never cease in their attacks on the Church and those who earnestly desire to be serious Christians In *Go to Heaven* a great spiritual teacher and writer deeply aware of the human and spiritual conflicts being waged in the world shows us the way to heaven in a most eloquent book encouraging the reader to choose heaven now and to understand the reality of hell *The Gospel of Happiness* Christopher Kaczor,2015-09-08

What is true happiness How can you experience it And can you live it wholeheartedly in your day to day life Every thoughtful person asks such questions Thoughtful Christians ask a few more questions such as Can Christian practices enhance happiness If so how And does Christianity provide happiness in a way that other paths like psychology cannot Christopher Kaczor suggests answers to these and other questions about how to be happier In *The Gospel of Happiness* the bestselling author of *The Seven Big Myths of the Catholic Church* highlights seven ways in which positive psychology and Christian practice can lead to personal and spiritual transformation Focusing on empirical findings in positive psychology that point to the wisdom of many Christian practices and teachings the author provides not only practical suggestions on how to become happier in everyday life but provides insight on how to deepen Christian practice and increase love of God and neighbor in new and bold ways Part of the Christian message is that authentic happiness is to be found not in selfishness but self giving writes Dr Kaczor In this book I highlight the many ways in which positive psychology and Christian practice overlap All of this points us toward deeper fulfillment in this life and in the life to come **Heaven in the American Imagination** Gary Scott Smith,2011-06-01

Drawing on an astounding array of

sources including works of art music sociology psychology folklore liturgy sermons poetry fiction and devotional books Smith paints a sweeping provocative portrait of what Americans from Jonathan Edwards to Mitch Albom have thought about heaven Concepts of heaven he shows are ever changing constantly adapting to the spirit of the age In the colonial era heaven focused primarily on the glory of God Today many see it as a celestial entertainment center or a paradise where everyone can reach their full potential

The Priest Is Not His Own Fulton Sheen,2009-09-03 The beloved Archbishop Sheen whose cause for canonization is open in Rome presents a profound and deeply spiritual look at the meaning of the priesthood and relationship of the priest with Christ as an alter Christus Sheen delves deeply into what he considers the main character of the priesthood and one not often discussed that of being like Christ a holy victim To be like Christ Sheen emphasizes that the priest must imitate Christ in His example of sacrifice offering himself as a victim to make His Incarnation continually present in the world Unlike anyone else Our Lord came on earth not to live but to die Death for our redemption was the goal of His sojourn here the gold that he was seeking He was therefore not primarily a teacher but a Savior Was not Christ the Priest a Victim He never offered anything except Himself So we have a mutilated concept of our priesthood if we envisage it apart from making ourselves victims in the prolongation of His Incarnation Bishop Fulton Sheen
