

GRAPHIC STANDARDS MANUAL

This is the *Graphic Standards Manual* for the U.S. Agency for International Development (USAID). It sets the standard for the design of all USAID public communications.

The guidelines in this manual are compulsory for all Agency employees and contractors producing communications funded in whole by USAID in accordance with Automated Directive Systems (ADS) 320.

A separate publication, the *Partner Branding Guide*, details co-branding guidelines for communications co-funded by USAID.

Below is the Standard Graphic Identity (Identity) for USAID. It is to be used to mark all programs, projects, activities, and public communications that require acknowledgement of USAID*.

This manual and the USAID Identity were developed to ensure that the United States Government is visibly acknowledged for its contributions and funding specified as foreign assistance.
